The Treasury; a Magazine of Religious and Current Thought for Pastor and People ,1885 The Treasury ,1885 Rhetoric, Religion and the Civil Rights Movement, 1954-1965 Davis W. Houck,David E. Dixon,2006 V 2 Building upon their critically acclaimed first volume Davis W Houck and David E Dixon s new Rhetoric Religion and the Civil Rights Movement 1954 1965 is a recovery project of enormous proportions Houck and Dixon have again combed church archives government documents university libraries and private collections in pursuit of the civil rights movement s long buried eloquence Their new work presents fifty new speeches and sermons delivered by both famed leaders and little known civil rights activists on national stages and in quiet shacks The speeches carry novel insights into the ways in which individuals and communities utilized religious rhetoric to upset the racial status quo in divided America during the civil rights era Houck and Dixon s work illustrates again how a movement so prominent in historical scholarship still has much to teach us Publisher

The Sermons, and Other Practical Works Ralph Erskine,1821 **Gospel Remission, Or A Treatise Shewing, that True Blessedness Consists in Pardon of Sin** Jeremiah Burroughs,1674 **The Sermons and Other Practical Works of R. E., ... Besides His Poetical Pieces. To which is Prefixed, a Short Account of the Author's Life and Writings by J. Fisher. Edited by J. Newlands** Ralph Erskine,1863 *Christianity* John Chathanatt,2024-01-08 Published in the Series Encyclopedia of Indian Religions this volume is devoted to Christianity in India where it has had a long presence going back to the time of the apostles of Jesus Christ It focuses on the history origin organizations and local engagements belief system worship practices Rites Rituals Christian life Contributions Spirituality and a few of the main doctrinal and theological items It further examines the earlier phase of the history of Christianity starting with the traditional belief of the arrival of St Thomas in AD 52 moving to the periods of its association with the Chaldean church the Portuguese the Dutch English and so on This volume highlights the missionary activities of persons like St Francis Xavier the creative contributions made to the inter religious dialogue by such people as Roberto de Nobili 1577 1656 and Swami Abhishiktananda 1910 1973 the linguistic and educational contributions of some of the pioneers like the German Jesuit Johanne Ernst Hanxleden known as Arnos Padiri 1681 1732 Herman Gundert 1814 1893 St Elias Kuriakos Chavara 1805 1871 and a fortiori the enormous contributions in the healthcare area throughout the country Caring for and serving the socio economically marginalized ones the peripheralized people formed an integral part of the Christian activity In India as it is done even today This is highlighted very much in the volume It further explores the contact India had with European Christianity showing that European Christianity proved to have wider influence in the Northern part of India unlike India s early episodic encounters with Palestinian and Persian forms of Christianity which had deep influence in the Southern part of India The volume also highlights the inner struggle among the followers resulting even

in its division originating at the Synod of Diamper in 1599 manifesting by and large the Church state love and hate relationships In fine in spite of the drawbacks of putting the herculean task of two thousand years of history in eight hundred pages or so this volume gives a rather comprehensive view of Christianity in India especially to those who are unfamiliar with its life and dynamics in the Indian context The wide range of photographs 325 of them especially of the churches revealing the architectural beauty and multiplicity along with the ensample of art and paintings and pilgrimage centers adds to the enrichment of the volume

Called to Bless John Rice, 2024-05-23 Humans were created to bless one another those they love and those they do not According to Scripture Num 6 27 God promises to release more of his blessings more of his goodness grace and love into the world In Hebrew the word for bless means God s intention When people speak words of blessing in God s name they are praying for the fullness of God s intentions to be released into their lives In a world where division and polarization are becoming normative God gives a new ministry resource blessing ministry The power of blessing can bridge those gaps and bring healing to the individuals involved There is no individual situation no community need where blessing prayers are not beneficial Wherever there is joy and celebration in people s lives blessing prayers bring only more joy and thanksgiving There is an awakening in the lives of God s people wherever the ministry of blessing is being taught and practiced Communities are experiencing greater health Churches are becoming more alive Hearts are being healed and lives transformed simply by blessing others in Jesus name God is calling his people to become a people of blessing

The Dilemma of Being Chosen M.C. van Rensburg, 2016-06-10 THE DILEMMA OF BEING CHOSEN is about the triangular interworking of being chosen being favoured and being purposed for a specific task Being chosen by God for whatever task is in itself a tremendous honour but with such honour comes the dilemma that the vessel of choice has to face in relation to that specific task Long after God has made His choice in choosing the vessel the vessel more often than not struggles with the context of his or her life in relation to his or her purpose For a follower of Christ the irony of being chosen is this we are chosen out of the world to live in the world The place from where we are chosen and the one in which we live are two very different places Finding ourselves in between these two worlds is when the tug of war inside of us starts We would be in error if we thought that our lives could remain unaffected by the impact of our being chosen for whatever purpose From the inception of such purpose to its manifestation a person is in need of divine favour to bridge the gap The truth is that although we are called out of the world whilst living in the world the debilitating atmosphere of the world aims to misalign us from our purpose It is such paradox that sets us on a collision course with ourselves which will bring us into contact with the dilemma of being chosen
