## **Rights Of The Imprisoned:**

Parental Imprisonment and Children's Rights Fiona Donson, Aisling Parkes, 2021-03-30 This book brings together internationally renowned academics and professionals from a variety of disciplines who in a variety of ways seek to understand the legal conceptual and practical consequences of parental imprisonment through a children's rights lens. Children whose parents have been incarcerated are often referred to as invisible victims of crime and the penal system. It is well accepted that the imprisonment of a parent even for a short period of time not only negatively affects the lives of children but it can also result in a gross violation of their fundamental human rights such as the right of access to their parent and the right to have an input into decision making processes affecting them the outcomes of which will without doubt affect the life of the child concerned. This collection foregrounds the voice of these children as it explores transdisciplinary boundaries and examines the practice and development of the rights of both children and their families within the wider dynamic of criminal justice and penology practice. The text is divided into three parts which are dedicated to 1 hearing the voices of children with parents in prison 2 understanding to what extent children's rights informs prison policy and 3 demonstrating how law in the form of children's rights can help frame both court sentencing and prison practice in a way that minimises the harm that contact with the prison system can cause. The research drawn upon in this book has been conducted in a number of European countries and demonstrates both good and bad practice as far as the implementation of children's rights is concerned in the context of parental incarceration. An accessible and compelling read this book will appeal to students and scholars of law children's rights criminology sociology social work psychology penology and all those interested in and working towards protecting the rights of children who have a parent in prison. **Prisoners' Rights** John Kleinig, 2017-07-05 This volume brings together a selection of the most important published research articles from the ongoing debate about the moral rights of prisoners. The articles consider the moral underpinnings of the debate and include framework discussions for a theory of prisoners rights as well as several international documents which detail the rights of prisoners including women prisoners. Finally detailed analysis of the moral bases for particular rights relating to prison conditions covers areas such as health solitary confinement recreation work religious observance library access the use of prisoners in research and the disenfranchisement of prisoners.

**Human Rights and the Detention of Andrei Sakharov, Update** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on International Organizations, 1980

**Human Rights In The Administration Of Justice** United Nations. Office of the High Commissioner for Human Rights, International Bar Association, 2003-12-01 Independent legal professionals play a key role in the administration of justice and the protection of human rights. Judges prosecutors and lawyers need access to information on human rights standards laid down in the main international legal instruments and to related jurisprudence developed by universal and regional monitoring bodies. This publication which includes a manual and a facilitator's guide seeks to provide a

comprehensive core curriculum on international human rights standards for legal professionals It includes a CD ROM containing the full electronic text of the manual in pdf format      **Human Rights in Pre-trial Detention** Chandr Mohan Upadhyay,1999      *The Rights of Refugees under International Law* James C. Hathaway,2021-04-22 The only comprehensive analysis of international refugee rights anchored in the hard facts of refugee life around the world      Prisoners and Human Rights Dr Upendra Nath Dubey,2023-07-12 The concept of Human Rights is as old as the existence of mankind on this earth These rights were known by different names at different times This book presents thorough knowledge about Human Rights of the Prisoners and it is perhaps the first book of its kind The book is significant from the point of view of lawyers Judges researchers NGOs and all other persons related to protection and promotion of Human Rights of the prisoners at large It may help the Government in introducing changes in its policies so as to provide better treatment to the prisoners The readers can apply findings of the study in India and abroad while doing any work regarding protection and promotion of Human Rights of the prisoners It also deals with the problems which are being faced by different kinds of prisoners Any right will become redundant if there is no machinery for enforcement      Essential Texts on European and International Asylum and Migration Law Gert Vermeulen, Ellen Desmet,2022-12-30 This volume comprises the relevant legal instruments in the area of international and European asylum and migration The range of issues covered is comprehensive human rights nationality and statelessness equal treatment non discrimination racism and xenophobia citizenship residence and free movement borders border management and entry visa and passenger data labour migration family reunification asylum subsidiary and temporary protection irregular migration and trafficking in human beings The texts have been ordered according to the multilateral co operation level within which they were drawn up either the United Nations the Council of Europe or the European Union including Schengen level instruments This edition provides practitioners authorities policy makers scholars and students throughout Europe with an accurate and up to date compilation of essential texts on asylum and migration matters All texts have been updated until 12 December 2022      **The Use of Preventive Detention Laws in Malaysia: A Case for Reform** M. Ehteshamul Bari, Safia Naz,2020-07-07 This book examines the extraordinary nature of the power of preventive detention which permits executive dispensation of the personal liberty of an individual on the mere apprehension that if free and unfettered he may commit acts prejudicial to national security or public order In light of the extraordinary scope of this power it therefore contends that the scope of the power should be confined to genuine emergencies threatening the life of the nation Against the above background this book sheds light on the fact that Article 149 of the Federal Constitution of Malaysia empowers the Parliament to enact preventive detention laws authorizing the executive branch of government to preventively detain individuals without the precondition of an emergency Furthermore the Constitution does not stipulate adequate safeguards for mitigating the harshness of preventive detention laws This book makes it manifestly evident that the weaknesses of the constitutional provisions concerning preventive detention have enabled succeeding

generations of executives in Malaysia to not only enact a series of preventive detention statutes for arrogating to themselves wide powers concerning preventive detention but also to rely on them for arbitrarily detaining their political adversaries. Consequently on the basis of this analysis this book puts forward concrete recommendations for insertion in the Constitution detailed norms providing for legal limits on the wide power of the executive concerning preventive detention. The insertion of such norms would ensure the maintenance of a delicate balance between protecting national interests and simultaneously observing respect for an individual's right to protection from arbitrary deprivation of liberty. This book is useful for academics and students of comparative constitutional law, human rights and Asian law. The extensive law reform analysis undertaken in this book also greatly benefits the policy makers in Malaysia and the policy makers of constitutional polities facing similar problems with the issue of circumscribing the scope of the powers concerning preventive detention.

**Essential Texts on European and International Asylum and Migration Law and Policy (2nd revised edition)** Gert Vermeulen, Ellen Desmet, 2019. This volume comprises the relevant legal instruments and principal policy documents in the area of international and European asylum and migration including the latest versions of pending legislative proposals. The range of issues covered is comprehensive: human rights, nationality and statelessness, equal treatment, non-discrimination, racism and xenophobia, citizenship, residence and free movement, borders, border management and entry visa and passenger data, labour migration, family reunification, asylum subsidiary and temporary protection, irregular migration and trafficking in human beings. The texts have been ordered according to the multilateral co-operation level within which they were drawn up: either the United Nations, the Council of Europe or the European Union, including Schengen level instruments. This edition provides practitioners, authorities, policy makers, scholars and students throughout Europe with an accurate up-to-date and forward-looking compilation of essential texts on asylum and migration matters. All texts have been updated until 20 December 2018.

**Oxford Studies in Political Philosophy Volume 4** David Sobel, Peter Vallentyne, Steven Wall, 2018. This is the fourth volume of Oxford Studies in Political Philosophy. The series aims to publish some of the best contemporary work in the vibrant field of political philosophy and its closely related subfields including jurisprudence, normative economics, political theory in political science departments and just war theory.

*Encyclopedia of Global Studies* Helmut K. Anheier, Mark Juergensmeyer, 2012-03-09. With all entries followed by cross references and further reading lists, this current resource is ideal for high school and college students looking for connecting ideas and additional sources on them. The work brings together the many facets of global studies into a solid reference tool and will help those developing and articulating an ideological perspective.

Library Journal: The Encyclopedia of Global Studies is the reference work for the emerging field of global studies. It covers both transnational topics and intellectual approaches to the study of global themes including the globalization of economies and technologies, the diaspora of cultures and dispersion of peoples, the transnational aspects of social and political change, the global impact of environmental, technological and health changes, and the organizations and

issues related to global civil society Key Themes Global civil society Global communications transportation technology Global conflict and security Global culture media Global demographic change Global economic issues Global environmental and energy issues Global governance and world order Global health and nutrition Global historical antecedents Global justice and legal issues Global religions beliefs ideologies Global studies Identities in global society Readership Students and academics in the fields of politics and international relations international business geography and environmental studies sociology and cultural studies and health     Encyclopedia of Human Rights Edward H. Lawson,1996 Preface to the first edition

**Immigration Detention and Human Rights** Galina Cornelisse,2010 Practices of immigration detention in Europe are largely resistant to conventional forms of legal correction By rethinking the notion of territorial sovereignty in modern constitutionalism this book puts forward a solution to the problem of legally permissive immigration detention     **The Violence of Incarceration** Phil Scraton,Jude McCulloch,2023-04-21 Conceived in the immediate aftermath of the humiliations and killings of prisoners in Afghanistan and Iraq of the suicides and hunger strikes at Guantanamo Bay and of the disappearances of detainees through extraordinary rendition this book explores the connections between these shameful events and the inhumanity and degradation of domestic prisons within the allied states including the USA Canada Australia the UK and Ireland The central theme is that the revelations of extreme brutality perpetrated by allied soldiers represent the inevitable end product of domestic incarceration predicated on the use of extreme violence including lethal force Exposing as fiction the claim to the political moral high ground made by western liberal democracies is critical because such claims animate and legitimate global actions such as the war on terror and the indefinite detention of tens of thousands of people by the United States which accompanies it The myth of moral virtue works to hide silence minimize and deny the brutal continuing history of violence and incarceration both within western countries and undertaken on behalf of western states beyond their national borders     Remarks on the Law of Imprisonment for Debt Thomas Herttell,1823     Advancing Children's Rights in Detention Ursula Kilkelly,Pat Bergin,2021-11-02 The UN Global Study on Children Deprived of Liberty detailed many children s poor experiences in detention highlighting the urgent need for reform Applying a child centred model of detention that fulfils the rights of the child under the five themes of provision protection participation preparation and partnership this original book illustrates how reform can happen Drawing on Ireland s experience of transforming law policy and practice and combining theory with real life experiences this compelling book demonstrates how children s rights can be implemented in detention This important case study of reform presents a powerful argument for a progressive rights based approach to child detention Worthy of international application the book shares practical insights into how theory can be translated into practice     Prisons and Imprisonment Cormac Behan,Abigail Stark,2023-01-01 This textbook examines prisons and imprisonment Historically prisons and prisoners have been a source of interest to the general public However despite near universal acceptance of imprisonment as a feature of society we know relatively little about the reality of prison

life or the effects it has on individuals and communities Using academic scholarship empirical research government papers policy reports and accounts from lived experiences of the institution this book analyses the complexities and contradictions of prison life the place of the prison in twenty first century society and its prospects for the future This book will introduce readers to key debates surrounding the use of imprisonment and challenge readers to interrogate conventional perspectives on an institution that reflects the society in which it is situated

## **Rights Of The Imprisoned Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Rights Of The Imprisoned has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rights Of The Imprisoned has opened up a world of possibilities. Downloading Rights Of The Imprisoned provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rights Of The Imprisoned has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rights Of The Imprisoned. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rights Of The Imprisoned. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rights Of The Imprisoned, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rights Of The Imprisoned has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Rights Of The Imprisoned Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rights Of The Imprisoned is one of the best book in our library for free trial. We provide copy of Rights Of The Imprisoned in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rights Of The Imprisoned. Where to download Rights Of The Imprisoned online for free? Are you looking for Rights Of The Imprisoned PDF? This is definitely going to save you time and cash in something you should think about.
