Nursery Rhymes for Adult Spiritual Enrichment Roman New,2016-04-25 Worldwide rhymes have been recited to children for generations These rhymes are familiar to the masses but behind the lyrical prose was information and insight into the world those children and their parents were living in Nursery Rhymes for Adult Spiritual Enrichment is a collection of 39 notable rhymes that are aimed at connecting adult readers to history most notably the years leading up to the signing of the Declaration of Independence and its impact on Great Britain then and shortly thereafter While many can recite these rhymes verbatim few if any have learned the secrets behind the words They are more than fun lyrics and memorable tunes they are rich in history and rooted in the realities of what life was like at that time Not only will you gain insight into the world so long ago but you will come to understand the spiritual connection between the rhymes and the undeniable perseverance of a people besieged by tragedy yet deeply rooted in their faith and in their quest to hold on to joy in a world that offered few opportunities to experience it
The Meme as the Message Joanna Nowotny,Julian Reidy,2025-10-31 This book sheds light on the phenomenon of memes covering everything from pandemic humour to far right propaganda from feminist memes to

algorithmic censorship Memes are far more than light entertainment they are complex cultural artefacts that play a role in politics in art and in platform economics Taking a cultural studies perspective the authors analyse individual memes in entertaining case studies systematising their findings in order to redefine this digital form of communication Chapters connect memes with other digital phenomena such as trolling and combine extensive close readings of exemplary individual memes with regards to form and aesthetics with an acute awareness of power dynamics and other context phenomena surrounding memes The book develops an innovative theoretical approach that presents the term memesis to capture the very specific quality of meme production and reception as a form of collective creative rewriting of a template in accordance with algorithmic logic Offering an important contribution not only to the still young field of meme studies but also to the general negotiations of questions around digital literacy this book will interest not only scholars and students of digital media visual communication cultural studies and media and politics but anyone with a keen interest in digital culture and how it shapes our lives
