argues that writers used prefaces as a means of expanding and complicating authority over their work and ultimately as a way to write about their careers Tangedal's approach offers a new way of examining American writers in the evolving literary marketplace of the twentieth century *Ring* Jonathan Yardley, 2001 Sportswriter storyteller humorist Ring Lardner was an American original In this affectionate entertaining and authoritative biography critic Jonathan Yardley gives us a new look at Lardner's all too short life and career **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **A Question of Quality** Louis Filler, 1976 The subjects treated in this symposium have one major characteristic in common that they have recently or relatively recently enjoyed high popularity among readers Also they have received from substantial to torrents of comment **Ernest Hemingway.
