

Dominic W. Morco

Riot At Fort Lawton 1944

Matthias Reiss, Brian K. Feltman

Riot At Fort Lawton 1944:

Riot at Fort Lawton, 1944 Dominic W. Moreo, 2004 A midnight hanging and blood splattered wounded Come back to a summer night in August of 1944 at Fort Lawton in Seattle for an exploration of violence and mayhem On that night two hundred American black soldiers attacked Italian POWs in their barracks and orderly room After the belated arrival of MPs dozens of the wounded were taken to the hospital In turn the War Department began a monthly IG investigation as to the causes of the riot and more A court martial ensued and 28 soldiers were found guilty of participating in a riot Other Italian and German POWs in the Seattle area during WW II however avoided mayhem *Conduct Unbecoming* Scott Baron, James Wise, Jr., 2016-01-29 Men and women who serve in the armed forces are subject to a different legal code than those they protect Throughout American history some have through action or failure to act or by circumstances found themselves facing prosecution by the United States military One measure of a nation s sense of justice is how it treats those who surrender some of their rights to defend the rights of fellow citizens Beginning with the first court martial predating the nation itself and continuing to the recent wars in Iraq and Afghanistan and the War on Terror this book examines the proceedings of 15 courts martial that raised such important legal questions as When does advocacy become treason Who bears ultimate responsibility when troops act illegally What are the limits in protesting injustice The defendants include such familiar names as Paul Revere and William Calley The authors examine such overlooked cases as the Somers Mutiny the trial of the San Patricios and the Port Chicago Mutiny These trials demonstrate that guaranteeing military justice especially in the midst of armed conflict is both a challenge and a necessity in a free society Moreo Papers , Trial transcripts and legal papers compiled by Dominic W Moreo author of Riot at Fort Lawton 1944 2004 Fort Lawton Jack W. Jaunal, 2008-06 Fort Lawton was established to provide protection for the navy yard built at Bremerton in 1891 as well the cities along Puget Sound and the commerce generated by them The development of Fort Lawton was encouraged by civic leaders in Seattle for economic reasons and to curb lawlessness Although intended primarily as an infantry post the first soldiers to arrive on July 26 1901 were artillerymen One year later this artillery installation the Puget Sound Harbor Defense Command was moved to Fort Warden and the first infantry soldiers arrived in Fort Lawton It remained an infantry post throughout most of its years and Seattle s hopes for a major military installation were not to be realized **On American Soil** Jack Hamann, 2005-01-01 Describes the 1944 lynching murder of an Italian POW at Seattle s Fort Lawton the international outcry that followed and the court martial the largest of World War II that accused more than forty African American soldiers of the crime **Axis Prisoners of War in Kentucky** Antonio S. Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for

their captors and helped save Kentucky's crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory

Axis Prisoners of War in Tennessee Antonio S. Thompson, 2023-03-09 During World War II Axis prisoners of war received arguably better treatment in the U S than anywhere else Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs the U S sought to humanely house and employ 425 000 Axis prisoners many in rural communities in the South This is the first book length examination of Tennessee's role in the POW program and how the influx of prisoners affected communities Towns like Tullahoma transformed into military metropolises Memphis received millions in defense spending Paris had a secret barrage balloon base The wooded Crossville camp housed German and Italian officers Prisoners worked tobacco lumber and cotton across the state Some threatened escape or worse When the program ended more than 25 000 POWs lived and worked in Tennessee It Happened in Seattle Steve Pomper, 2009-12-08 A fascinating collection of thirty compelling stories about events that shaped the Emerald City It Happened in Seattle describes everything from the battle of Seattle in 1856 to the Nisqually earthquake of 2001 **The Negro Handbook 1946-1947** Florence Murray, 1947 Ethnic and Racial Minorities in the U.S. Military Alexander M. Bielakowski, 2013-01-11 This encyclopedia details the participation of individual ethnic and racial minority groups throughout U S military history Ethnic and Racial Minorities in the U S Military An Encyclopedia is unique in its coverage of nearly all major ethnic and racial minority groups as opposed to reference works that have focused only on individual ethnic or racial minority groups It acknowledges the military contributions of African Americans Asian Americans French Americans German Americans Hispanic Americans Irish Americans Jewish Americans and Native Americans This timely work highlights the individuals and events that have shaped the experience of minorities in U S conflicts The work provides a comprehensive encyclopedia covering the role of all major ethnic and racial minorities in the United States during wartime Additionally it considers how the integration of servicemen in the U S military set the precedent for the eventual desegregation of America's civilian population Controlling Sex in Captivity Matthias Reiss, 2018-06-14 Controlling Sex in Captivity is the first book to examine the nature extent and impact of the sexual activities of Axis prisoners of war in the United States during the Second World War Historians have so far interpreted the interactions between captors and captives in America as the beginning of the post war friendship between the United States Germany and Italy Matthias Reiss argues that this paradigm is too simplistic Widespread fraternisation also led to sexual relationships which created significant negative publicity and some Axis POWs got caught up in the U S Army's new campaign against homosexuals By focusing on the fight against fraternisation and same sex activities this study treads new ground It stresses that contact between captors and captives was often loaded with conflict and influenced by perceptions of gender and race It highlights the transnational impact of

fraternisation and argues that the prisoners sojourn in the United States also influenced American society by fuelling a growing concern about social disintegration and sexual deviancy which eventually triggered a conservative backlash after the war

Prisoners of War and Local Women in Europe and the United States, 1914-1956 Matthias Reiss, Brian K. Feltman, 2022-04-19 This book brings together historians from Great Britain the United States Germany France Canada Austria and Latvia who have worked and published on fraternisation between Prisoners of War and local women during either the First or Second World War providing the first comparative study of this multi faceted phenomenon in different belligerent countries By focusing on prisoners as wartime migrants and studying the nature and impact of their interactions with the local female population this book expands the existing framework on prisoner of war studies Its substantial scope and comparative approach make it an important point of reference in the growing research field of POW studies

The Forging of a Black Community Quintard Taylor, 2022-06-07 Seattle's first black resident was a sailor named Manuel Lopes who arrived in 1858 and became the small community's first barber He left in the early 1870s to seek economic prosperity elsewhere but as Seattle transformed from a stopover town to a full fledged city African Americans began to stay and build a community By the early twentieth century black life in Seattle coalesced in the Central District a four square mile section east of downtown Black Seattle however was never a monolith Through world wars economic booms and busts and the civil rights movement black residents and leaders negotiated intragroup conflicts and had varied approaches to challenging racial inequity Despite these differences they nurtured a distinct African American culture and black urban community ethos With a new foreword and afterword this second edition of The Forging of a Black Community is essential to understanding the history and present of the largest black community in the Pacific Northwest

The Enemy in Our Hands Robert C. Doyle, 2010-03-19 Revelations of abuse at Baghdad's Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America's most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation's military history Military expert Robert C Doyle's The Enemy in Our Hands America's Treatment of Prisoners of War from the Revolution to the War on Terror draws from diverse sources to answer this question Historical as well as timely in its content this work examines America's major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners The Enemy in Our Hands offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the

next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history s conquerors are judged

The Crisis ,1945-12 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens [A Companion to American Legal History](#) Sally E. Hadden,Alfred L. Brophy,2013-02-22 A Companion to American Legal History presents a compilation of the most recent writings from leading scholars on American legal history from the colonial era through the late twentieth century Presents up to date research describing the key debates in American legal history Reflects the current state of American legal history research and points readers in the direction of future research Represents an ideal companion for graduate and law students seeking an introduction to the field the key questions and future research ideas

The Negro Handbook ,1947 **The Negro Handbook** Florence Murray,1947 Books and periodicals a list of books by and about Negroes 1942 p 194 200

Pugetopolis Knute Berger,2010-10 Knute Skip Berger is one of the most recognized commentators on politics culture business and life in the Pacific Northwest He s the Mike Royko Jimmy Breslin of this part of the country As Timothy Egan describes him in the Foreword to Pugetopolis he is the region s crank with a conscience a contrarian thinker who calls out the f

Riot At Fort Lawton 1944 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Riot At Fort Lawton 1944 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Riot At Fort Lawton 1944 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Riot At Fort Lawton 1944 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
