**Chummy's Spirit** Hal Clark, 2006-04-26 Chummy's Spirit tells the inspirational story of Cordelia Chummy Johnson who learns that the remains of her son James have been found in Vietnam 32 years after he was reported missing in action. Chummy has never left Louisiana but is determined to visit the site where her son's remains were located. This long-awaited revelation also encourages her to finally inquire about the sketchy details surrounding the death of her husband who was murdered in a New Orleans brothel ten years after James' disappearance. Despite Chummy's amazing faith and extraordinary psychological resources and the support of both her church community and other women who have experienced their own tragic losses, her hopes of visiting Vietnam are constantly challenged by her violent drug-infested New Orleans neighborhood and non-supportive nephew Bryan who believes she's an unrealistic old lady. Bryan reluctantly travels with Chummy to Vietnam. There Mr. Bao Tin, a mysterious ex-North Vietnamese Army officer, escorts them to Cu Chi Tay Ninh and Nha Trang, Vietnam. In addition to seeing where James' remains were found, Chummy and Bryan meet the Vietnamese woman that James had planned to marry.

**May the Road Rise Up to Meet You** Peter Troy, 2012-02-28 An engrossing epic American drama told from four distinct perspectives spanning the first major wave of Irish immigration to New York through the end of the Civil War. Four unique voices, two parallel love stories, one sweeping novel rich in the history of nineteenth-century America. This remarkable debut draws from the great themes of literature: famine, war, love, and family, as it introduces four unforgettable characters. Ethan McOwen is an Irish immigrant whose endurance is tested in Brooklyn and the Five Points at the height of its urban destitution; he is among the first to join the famed Irish Brigade and becomes a celebrated war photographer. Marcella, a society girl from Spain, defies her father to become a passionate abolitionist. Mary and Micah are slaves of varying circumstances who form an instant connection and embark on a tumultuous path to freedom. All four lives unfold in two beautiful love stories which eventually collide. Written in gorgeous language that subtly captures the diverse backgrounds of the characters and interspersed with letters, journals, and dreams, this unforgettable story, rendered in cinematic detail, is about having faith in life's great meaning amidst its various tangles.

**The One-eyed Man** Larry L. King, 2001 In the 1960s when the Supreme Court rules that African Americans must be admitted to the university in an unnamed Southern state Governor Cullie Blanton is about to run for re election One of his opponents is Bayonet Bill Wooster an ex marine general who bases his campaign on fear of racial integration fear of Communists and fear of the federal government he presents himself as the leader in a holy war against the incumbent infidel The other candidate is Poppa Posey a former governor who raises hound dogs quotes Shakespeare and hopes to use Wooster s money to split support for Blanton Only Blanton understands that integration is inevitable and that his task must be to make the transition as painless and bloodless as possible That he fails may be due in part to his freewheeling power driven personality But Blanton is also defeated by inertia tradition and demagoguery He is as he once describes himself someone who just got in the way of goddamn history Is the state Texas and the governor Lyndon B Johnson King denies it arguing that there are equal parts of Huey Long Herman Talmadge and Alfalfa Bill Murray But as Erisman says in his foreword Blanton in his wheeling and dealing his crudities and profanity his ruthlessness and his compassion is a dead on portrait of LBJ in full cry The One Eyed Man presents a hauntingly clear picture of the 1960s in the South the national grief over the assassination of President John F Kennedy the racial turmoil the human dilemma faced by North and South alike And it poses haunting questions for the reader what separates the demagogue from the leader What injustices are acceptable in the name of a larger justice Who determines the greatest good for the greatest number

*Stumbling Blocks and Other Unfinished Work* Delores Phillips,2023-10-15 *Stumbling Blocks* expands and contextualizes the unpublished works of the late African American writer Delores Phillips Born in Cartersville Georgia in 1950 Delores Faye Phillips spent much of her childhood in Georgia before moving to Cleveland Ohio Best known for her 2004 novel *The Darkest Child* which follows the Quinn family as they attempt to survive and escape racism lynchings and poverty in Jim Crow Georgia during the 1950s Phillips wrote much more than that While the novel was met with critical acclaim little is known about Phillips herself or about her other writings Indeed in the 2018 reissue of *The Darkest Child* Tayari Jones remarks in the introduction that when she heard Phillips had passed away in 2014 she was weighted down with longing for the other books that she would never write This volume then corrects the misconception that *The Darkest Child* was Phillips s only published work Rather it establishes her as an experienced and prolific writer who created multi genre literature throughout her life It paints a broader picture of Phillips who was not just a novelist but also a poet and short story writer as well Just as Alice Walker s recovery work on Zora Neale Hurston in the 1970s was critical to a revival and appreciation of Hurston as a genius of the South *Stumbling Blocks* illuminates and expands the legacy of an underrepresented writer who is uniquely situated at the intersections of multiple identities including race gender disability and region In addition to the sequel to *The Darkest Child* this collection also includes an unfinished third novel *No Ordinary Rain* ten poems seven short stories contextualizing essays and an in depth biography of Phillips It is also bookended by a foreword from Phillips s sister Linda Miller and an afterword from renowned literary scholar Trudier Harris
