*Bookseller* ,1874 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series    Catalogue of Printed Books British Museum,1897    *The Idea of Historical Recurrence in Western Thought* G. W. Trompf,2023-11-15 The idea that history repeats itself has a long and intriguing history This volume is concerned with the period of time in the Western tradition when its expressions were most numerous and fervent The author shows that this idea should not be confined to its cyclical version for such notions as reenactment retribution and renaissance also belong under the wide umbrella of recurrence He argues moreover that not only the Greco Roman but also the biblical tradition contributed to the history of this idea The old contrast between Judeo Christian linear views of history and Greco Roman cyclical views is brought into question Beginning with Polybius Trompf examines the manifold forms of recurrence thinking in Greek and Roman historiography then turns his attention to biblical views of historical change arguing that in Luke Acts and in earlier Jewish writings an interest in the idea of history repeating itself was clearly demonstrated

Jewish and early Christian writers initiated and foreshadowed an extensive synthesizing of recurrence notions and models from both traditions although the syntheses could vary with the context and dogmatic considerations The Renaissance and Reformation intertwine classical and biblical notions of recurrence most closely yet even in the sixteenth century some ideas distinct to each tradition such as the Polybian conception of a cycle of governments and the biblical notion of the reenactment of significant events were revived in stark separation from each other The Idea of Historical Recurrence in Western Thought deals with a continuing but not always fruitful dialogue between the two great traditions of Western thought a dialogue that did not stop short in the days of Machiavelli but has been carried on to the present day This study is the first half of a long story to be continued in a second volume on the idea of historical recurrence from Giambattista Vico to Arnold Toynbee The idea that history repeats itself has a long and intriguing history This volume is concerned with the period of time in the Western tradition when its expressions were most numerous and fervent The author shows that this idea should not be confined t
