Japan's Frames of Meaning Michael F. Marra,2010-10-31 In Japan s Frames of Meaning Michael Marra identifies interpretative concepts central to discussions of hermeneutical practices in Japan and presents English translations of works on basic hermeneutics by major Japanese thinkers Discussions of Japanese thought tend to be centered on key Western terms in light of which Japanese texts are examined alternatively a few Buddhist concepts are presented as counterparts of these Western terms Marra concentrates on Japanese philosophers and thinkers who have mediated these two extremes bringing their knowledge of Western thought to bear on philosophical reinterpretations of Buddhist terms that

are thus presented in secularized form Marra focuses on categories relevant to the development of a history of Japanese hermeneutics calling attention to concepts whose discussion sheds light on how Japanese thinkers have proceeded in making sense of their own culture The terms are organized under three headings The first deals with koto which in Japanese means both things and words Koto is the center of a series of interesting compounds such as kotodama the spirit of words and makoto truth that have shaped Japanese discourses on philosophy ethics aesthetics and religion Writings on koto by twentieth century philosophers Watsuji Tetsuro 1889 1960 and Omori Shozo 1921 1997 and Edo period scholar Fujitani Mitsue 1768 1823 are included The second heading is dedicated to two well known aesthetic categories yugen and sabi which point to notions of depth in physical space as well as in the space of interiority The University of Kyoto aesthete Ueda Juzo 1886 1973 guides the reader through a history of these concepts In the third part of the book notions of time in the form of ku emptiness and guzen contingency are examined through the work of Ueda s colleagues at Kyoto Nishitani Keiji 1900 1990 and Kuki Shuzo 1888 1941 Perceptive and erudite Japan s Frames of Meaning will become a landmark resource in particular for the insights and provocations it offers to contemporary cross cultural philosophical dialogue for anyone interested in traditional and modern Japanese thought *The Epworth Herald* ,1920 **Anthology 1975-2020** R.
