**Jewish Cultural Studies** Simon J. Bronner, 2021-05-04 Defines the distinctive field of Jewish cultural studies and its basis in folkloristic psychological and ethnological approaches Jewish Cultural Studies charts the contours and boundaries of Jewish cultural studies and the issues of Jewish culture that make it so intriguing and necessary not only for Jews but also for students of identity ethnicity and diversity generally In addition to framing the distinguishing features of Jewish culture and the ways it has been studied and often misrepresented and maligned Simon J Bronner presents several case studies using ethnography folkloristic interpretation and rhetorical analysis Bronner building on many years of global cultural exploration locates patterns processes frames and themes of events and actions identified as Jewish to discern what makes them appear Jewish and why Jewish Cultural Studies is divided into three parts Part 1 deals with the conceptualization of how Jews in complex heterogeneous societies identify themselves as a cultural group to non Jews and vice versa such as how the Jewish home is socially and materially constructed Part 2 delves into ritualization as a strategic Jewish practice for perpetuating peoplehood and the values that it suggests for example the rising popularity of naming ceremonies for newborn girls simhat bat or zaved habat in the twenty first century Part 3 explores narration including the global transformation of Jewish joking in online settings and the role of Jews in American political culture Bronner reflects that a reason to separate Jewish cultural studies from the fields of Jewish studies and cultural studies is the distinctiveness of Jewish culture among other ethnic experiences As a diasporic group with religious ties and varying local customs Jews present difficulties of categorization He encourages a multiperspectival approach that considers the Jewish double consciousness as being aware of both insider and outsider perspectives participation in ancient tradition and recent modernization and the great variety and stigmatization of Jewish experience and cultural expression Students and scholars in Jewish studies cultural studies ethnic religious studies folklore sociology psychology and ethnology are the intended audience for this book

**Revisioning Ritual** Simon J. Bronner, 2011-09-30 A fascinating analysis of how the study of ritual is critical to illuminating what is Jewish about Jewishness

**The Jewish Life Cycle** Ivan G. Marcus, 2012-03-01 In this original and sweeping review of Jewish culture and history Ivan Marcus examines how and why various rites and customs celebrating stages in the life cycle have evolved through the ages and persisted to this day For each phase of life from childhood and adolescence to adulthood and the advanced years the book traces the origin and development of specific rites associated with the events of birth circumcision and schooling bar and bat mitzvah and confirmation engagement betrothal and marriage and aging dying and remembering Customs in Jewish tradition such as the presence of godparents at a circumcision the use of a four poled canopy at a wedding

and the placing of small stones on tombstones are discussed In each chapter detailed descriptions walk the reader through such ceremonies as early modern and contemporary circumcision weddings and funerals In a comparative framework Marcus illustrates how Jewish culture has negotiated with the majority cultures of the ancient Near East Greco Roman antiquity medieval European Christianity and Mediterranean Islam as well as with modern secular and religious movements and social trends to renew itself through ritual innovation In his extensive research on the Jewish life cycle Marcus draws from documents on various customs and ritual practices offering reassessments of original sources and scholarly literature Marcus s survey is the first comprehensive study of the rites of the Jewish life cycle since Hayyim Schauss s *The Lifetime of the Jew* was published in 1950 written for Jewish readers Marcus s book addresses a broader audience and is designed to appeal to scholars and interested readers

*Canadian Women Shaping Diasporic Religious Identities* Becky R.

Lee,Terry Tak-ling Woo,2016-01-01 This collection of essays explores how women from a variety of religious and cultural communities have contributed to the richly textured pluralistic society of Canada Focusing on women s religiosity it examines the ways in which they have carried and conserved and brought forward and transformed their cultures old and new in modern Canada Each essay explores the ways in which the religiosities of women serve as locations for both the assertion and the refashioning of individual and communal identity in transcultural contexts Three shared assumptions guide these essays religion plays a dynamic role in the shaping and reshaping of social cultures women are active participants in their

transmission and their transformation and a focus on women's activities within their religious traditions often informal and unofficial provides new perspectives on the intersection of religion gender and transnationalism Since the first European migrations Canada has been shaped by immigrant communities as they negotiated the tension between preserving their religious and cultural traditions and embracing the new opportunities in their adopted homeland Viewing those interactions through the lens of women's religiosity the essays in this collection model an innovative approach and provide new perspectives for students and researchers of Canadian Studies Religious Studies and Women's Studies **Jewish**
