Ritual Abuse Controversy

George A. Fraser

Ritual Abuse Controversy:

The Ritual Abuse Controversy Mary de Young, 2002-05-13 The ritual abuse of children is the most controversial issue in the child maltreatment field but much of what has been written about ritual abuse over the past twenty years is in the form of unpublished and endlessly reproduced stuff a curious mixture of conjecture folkloric and pop culture representations of satanism devil worship occultism and witchcraft and Christian Fundamentalist images of premillennarian evil What remains after this stuff is excluded is an intriguing body of international literature that seriously examines the controversy This annotated bibliography dissects the literature objectively and thoroughly annotates published articles books and reports legal opinions and occasionally thought provoking newspaper and magazine articles Chapters deal with the definition of ritual abuse ritual abuse cases in the United States cases in American families and neighborhoods cases in Canada Europe and Australasia clinical features of ritual abuse in children and adults the controversy's impact on professionals and systems the controversy and American law ritual abuse reports and narratives and anthropological folkloric and sociological perspectives

The Dilemma of Ritual Abuse George A. Fraser, 1997 Since the mid 1980s when stories of ritualized satanic or sadistic abuse drastically increased ritual abuse has become entangled in the controversy surrounding false memory syndrome and recovered memory Because this debate has not been conclusively resolved therapists require methods and guidelines for treating patients who present a history that may involve abusive satanic or sadistic rituals In *The Dilemma of Ritual Abuse* experts in the field offer balanced carefully considered advice on approaches therapists can use when patients report they have experienced ritual abuse These qualified clinicians explain and demonstrate their techniques and offer caveats against accepting a patient's recollections at face value Additional chapters deal with psychological and pharmacological treatment programs that have helped patients whether the reports of abuse were accurate symbolic or false Several illustrations vividly depict the types of abuse that therapists will hear from these patients For further guidance an appendix containing the American Psychiatric Association Board of Trustees Statement on Memories of Sexual Abuse is also included

[The Day Care Ritual Abuse Moral Panic](#) Mary de Young, 2004-02-23 In the United States during the early 1980s hundreds of day care providers were accused of sexually abusing their young charges in satanic rituals that included blood drinking cannibalism and human sacrifice The panic surrounding the ritual abuse of children has spread quickly to Canada Europe and Australasia and its rapid dispersion has been unimpeded by international investigations that found no evidence to corroborate the allegations and warned that a moral panic was thrusting them into professional public attention This work is a sociologically based analysis of the day care ritual abuse panic in America It introduces the concept of moral panic and analyzes its relevance to the ritual abuse scare explores the ideological political economic and professional forces that fomented the panic discusses the McMartin Preschool case as the incident that brought attention to satanic menaces and children and examines the dialect between the various interest groups that stirred up and spread the moral panic and the day care

providers accused of ritual abuse Also covered are the popular culture representations of day care ritual abuse the diffusion of the scare to areas overseas the institutionally symbolic and ideologically contradictory social ends of the panic and the outcomes of the panic in various settings The book ends with a discussion of moral panic theory and how it needs to be changed for a complex multi mediated postmodern culture and what lessons can be learned from the scare **Satanic Ritual Abuse** Colin A. Ross,1995-01-01 Although Dr Ross has found no evidence of a widespread Satanic network he is open to the possibility that a certain percentage of his patients memories may be entirely or partially historically accurate In treatment he recommends that the therapist adopt an attitude hovering between disbelief and credulous entrapment **Cult and Ritual Abuse** James Randall Noblitt,Pamela Perskin Noblitt,2014-07-15 This personal yet scholarly journey into the confusing and clandestine world of ritual abuse survivors sheds light on their catastrophic experiences and their efforts to heal afterward Revised updated and expanded this third edition of a classic study is one of the most authoritative and evenhanded volumes to tackle its hotly debated subject matter Incorporating the authors firsthand observations the book provides historical anthropological and psychological context for contemporary reports of both ritual abuse and ritual crime In addition to sharing patient vignettes and a history of cult and ritual abuse in society the authors explore fascinating topics related to these practices among them what triggers personality shifts for victims even many years after the abuse has stopped Importantly the book shows how ritual abuse affects society as a whole influencing civil and criminal law politics legislation social movements social welfare and psychological theory It provides unique insights into the scientific study forensic investigation and implementation of social services for survivors of cult and ritual abuse discusses new research and treatment strategies and establishes the foundation for a psychological diagnosis to be called Cult and Ritual Trauma Disorder **Out of Darkness** David K. Sakheim,Susan E. Devine,1997-09-12 Are there satanic cults If so how widespread are they Is there a correlation between satanism and child abuse These difficult questions must be answered every year by thousands of therapists and law enforcement officials Out of Darkness shows how to understand evaluate and treat patients who real or not present themselves as victims of satanic cults and ritual abuse This book takes a very thorough and balanced look at these controversial topics bringing together leading researchers in forensic psychiatry dissociative disorders traumatic stress and religious studies as well as an FBI agent and two alleged survivors of ritual abuse The authors maintain an attitude of both scientific skepticism and clinical empathy in their exploration of these disturbing events In this comprehensive compassionate and realistic book they provide a brief history of actual satanic religions including religious groups who perform no illegal activities critical analysis and alternative explanations for the widespread epidemic of claims of ritual abuse an excellent law enforcement perspective on allegations of satanic abuse insight into distinguishing between the various types of children and adults who report having been traumatized by ritual abuse **Satanic Ritual Abuse** ,1992 **Investigating Religious Terrorism and Ritualistic Crimes** Dawn Perlmutter,2003-12-15 The legalities of

particular religious practices depend on many factors such as the type of occult or religious activity the current laws and the intention of the individual practitioner Written by the director of the Institute for the Research of Organized and Ritual Violence Investigating Religious Terrorism and Ritualistic Crimes is the fir **Evil Incarnate** David Frankfurter,2018-06-05 In the 1980s America was gripped by widespread panics about Satanic cults Conspiracy theories abounded about groups who were allegedly abusing children in day care centers impregnating girls for infant sacrifice brainwashing adults and even controlling the highest levels of government As historian of religions David Frankfurter listened to these sinister theories it occurred to him how strikingly similar they were to those that swept parts of the early Christian world early modern Europe and postcolonial Africa He began to investigate the social and psychological patterns that give rise to these myths Thus was born *Evil Incarnate* a riveting analysis of the mythology of evilconspiracy The first work to provide an in depth analysis of the topic the book uses anthropology the history of religion sociology and psychoanalytic theory to answer the questions What causes people collectively to envision evil and seek to exterminate it and Why does the representation of evil recur in such typical patterns Frankfurter guides the reader through such diverse subjects as witch hunting the origins of demonology cannibalism and the rumors of Jewish ritual murder demonstrating how societies have long expanded upon their fears of such atrocities to address a collective anxiety Thus he maintains panics over modern day infant sacrifice are really not so different from rumors about early Christians engaging in infant feasts during the second and third centuries in Rome In *Evil Incarnate* Frankfurter deepens historical awareness that stories of Satanic atrocities are both inventions of the mind and perennial phenomena not authentic criminal events True evil as he so artfully demonstrates is not something organized and corrupting but rather a social construction that inspires people to brutal acts in the name of moral order **Rape of the Innocent** Juliann Whetsell- Mitchell,1995 First published in 1995 Routledge is an imprint of Taylor Francis an informa company

Family Violence Paul Harvey Wallace,Cliff Roberson,2015-08-27 Examines the entire spectrum of family violence focusing onsocial processes and social relationships The seventh edition of *Family Violence Legal Medical and Social Perspectives* by Harvey Wallace and Cliff Roberson is a comprehensive introduction to the study of family violence that guides readers to a better understanding of the challenges involved in reducing or eliminating violence The six major topics are domestic partner abuse child abuse elder abuse physical and psychological abuse identifying when abuse occurs and discussing the effects of the various types of abuse or violence Learning Goals Upon completing this book readers will be able to Understand the facets of family violence Discuss how violence may be reduced or eliminated Identify how each major type of abuse impacts the social and law enforcement agencies that are involved *Mortal Sins* Michael D'Antonio,2013-04-09 A Publishers Weekly Best Nonfiction Book of 2013 A Kirkus Reviews Best Book of 2013 An Edgar Award for Best Fact Crime Nominee An explosive sweeping account of the scandal that has sent the Catholic Church into a tailspin and the brave few who fought for justice In the mid 1980s a dynamic young monsignor assigned to the Vatican s embassy in Washington set out to investigate

the problem of sexually abusive priests He found a scandal in the making confirmed by secret files revealing complaints that had been hidden from police and covered up by the Church hierarchy He also understood that the United States judicial system was eager to punish offenders and those who aided them He presented all of this to the American bishops warning that the Church could be devastated by negative publicity and bankrupted by its legal liability They ignored him Meanwhile a young lawyer listened to a new client describe an abusive sexual history with a priest that began when he was ten years old His parents complaints were downplayed by Church officials who offered them money to go away The lawyer saw a claim that any defendant would want to settle Then he began to suspect he was onto something bigger involving thousands of priests who had abused countless children while the Church had done almost nothing about it The lawsuit he filed would touch off a legal war of historic and global proportions Part history part journalism and part true crime thriller Michael D Antonio s *Mortal Sins* brings to mind landmark books such as *All the President s Men* *And the Band Played On* and *The Informant* as it reveals a long and ferocious battle for the soul of the largest and oldest organization in the world

The Psychology and Sociology of Wrongful Convictions Wendy J Koen,C. Michael Bowers,2018-06-26 Wrongful convictions are the result of faulty or false scientific evidence in 50% of the cases Defense counsel is often at a great disadvantage in defending against evidence based on science Illusory Evidence The Psychology and Sociology of Wrongful Convictions is written for the non scientist to make complicated scientific information clear and concise enough for attorneys and judges to master This is obtained by providing case studies to simplify issues in forensic psychology for the legal professional Increases the courts knowledge about areas of psychology that have been debunked have advanced or have been refined by the scientific community Covers issues in psychological forensics namely Profiling Psychological Defenses Mitigation Eyewitness Testimony Identification Child Testimony Repressed Memories False Confessions and Moral Panic Trains prosecuting attorneys about the present state of the forensic psychology to avoid relying only on legal precedent and will not present flawed science to the court Provides defense attorneys the knowledge necessary to competently defend where forensic psychology plays a part in a prosecution Arms innocence projects and appellate attorneys with the latest information to challenge convictions Uses case studies to simplify issues in forensic psychology for the legal professional

The Truth about False Memory Syndrome James G. Friesen,2019-08-30 When psychologists began hearing adults tell harrowing tales of childhood abuse some dismissed the stories as false Other therapists however recognized that the hidden memories might indicate multiple personality disorder a complex coping strategy that helps victims deal with severe abuse In *The Truth about False Memory Syndrome* Dr Jim Friesen a pioneer in the treatment of multiple personality disorder tackles the subject of FMS with clarity and knowledge no tabloid or talk show can muster An experienced and compassionate psychologist Friesen takes the reader along as he helps his clients piece their lives back together and recover from abuse Through engrossing yet unnerving case studies of various patients dealing with everything from sexual to Satanic ritual abuse Friesen draws a

distinction between memory and fantasy truth and falsehood In the process our misconceptions about the victims of abuse and FMS are dispelled *Family Violence* Cliff Roberson,Paul Harvey Wallace,2016-08-04 *Family Violence Legal Medical and Social Perspectives* examines the entire spectrum of family violence focusing on social processes and social relationships The eighth edition is a multidisciplinary introduction to the study of domestic violence that guides readers to a better understanding of the challenges involved in reducing or eliminating violence The new edition includes more information on PTSD and head trauma a new section in children witnessing domestic violence more international perspectives which allow students to understand that family violence crosses borders and cultures and a series of Promising Practices boxes that bring professional knowledge and accomplishments into the classroom *Recovery from Cults* Michael D. Langone,1995 Drawing upon the clinical expertise of professionals and the personal experiences of those formerly involved in high intensity mind control groups this book is a comprehensive guide to the cult experience Michael Langone and his colleagues provide practical guidelines for helping former cult members manage the problems they encounter when leaving cults Small Wars Nancy Scheper-Hughes,Carolyn F. Sargent,1998 A wake up call to those who are honestly concerned with global childhood safety Carol Stack author of *All Our Kin* *Spirituality and Psychiatry* Christopher C. H. Cook,Andrew Powell,2022-10-20 This book addresses the concerns of clinicians patients and researchers regarding the place of spirituality in psychiatric practice Legal Responses to Religious Differences Peter William Edge,2021-10-25 Until recently English law has lacked any specific generally applicable guarantees of religious rights Thus bodies of law have developed in particular areas where religious interests arise but without a common legal frame The Human Rights Act 1998 however has brought the guarantees of the European Convention on Human Rights most specifically the guarantees of religious rights non discrimination and education rights more fully into English law As well as showing how one legal system has engaged with international obligations in respect of religious rights this text provides a valuable source for comparative study of religious interests in national jurisdictions It explores the particular response of the English legal system when faced with religious difference and considers the extent to which the Human Rights Act may produce significant legal change The text is aimed specifically at both the legal and non legal reader and concludes with a discussion of how to use English legal sources and an extensive bibliography **Moral Panics in the Contemporary World** Julian Petley,Chas Critcher,Jason Hughes,Amanda Rohloff,2016-05-19 *Moral Panics in the Contemporary World* represents the best current theoretical and empirical work on the topic taken from the international conference on moral panics held at Brunel University The range of contributors from established scholars to emerging ones in the field and from a working journalist as well helps to cover a wide range of moral panics both old and new and extend the geographical scope of moral panic analysis to previously underrepresented areas Designed from the outset to comprise a coherent and integrated set of viewpoints which share a common engagement with critically exploring moral panics in the contemporary world it contains case studies instantly recognisable and familiar to a

student readership drugs alcohol sexual abuse and racism The collection brings a fresh approach to analysis and argument by testing and extending the concept of moral panic and analyzing a range of topics and geographical contexts accurately reflecting the state of the art moral panics research today
