

Russia And The Russians A History

Walter G. Moss

Russia And The Russians A History:

Russia and the Russians Geoffrey A. Hosking, 2001 Chronicles the history of the Russian Empire from the Mongol Invasion through the Bolshevik Revolution to the aftereffects of the Cold War **Russia and the Russians** Geoffrey A. Hosking, 2011 Hosking follows the country's history from the Slavs' first emergence in the historical record in the sixth century CE to the Russians' persistent appearances in today's headlines. The second edition covers the presidencies of Vladimir Putin and Dmitrii Medvedev and the struggle to make Russia a viable functioning state for all its citizens.

Russian History Geoffrey Hosking, 2012-03-29 Spanning the divide between Europe and Asia, Russia is a multi-ethnic empire with a huge territory strategically placed and abundantly provided with natural resources. But Russia's territory has a harsh climate, is cut off from most maritime contact with the outside world, and has open and vulnerable land frontiers. It has therefore had to devote much of its wealth to the armed forces, and the sheer size of the empire has made it difficult to mobilise resources and to govern effectively, especially given the diversity of its people. In this Very Short Introduction, Geoffrey Hosking discusses all aspects of Russian history from the struggle by the state to control society, the transformation of the empire into a multi-ethnic empire, Russia's relationship with the West, Europe, the Soviet experience, and the post-Soviet era. ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable. **Russia and the Russians: a History** Geoffrey Hosking, 2003 *Russia* Geoffrey A. Hosking, 1997 The Soviet Union crumbles and Russia rises from the rubble once again, the great nation, a perfect scenario, but for one point, Russia was never a nation. And this says the eminent historian Geoffrey Hosking is at the heart of the Russians' dilemma today as they grapple with the rudiments of nationhood. His book is about the Russia that never was, a three hundred year history of empire building at the expense of national identity. Russia begins in the sixteenth century with the inception of one of the most extensive and diverse empires in history. Hosking shows how this undertaking, the effort of conquering, defending, and administering such a huge mixture of territories and peoples, exhausted the productive powers of the common people and enfeebled their civic institutions. Neither church nor state was able to project an image of Russian-ness that could unite elites and masses in a consciousness of belonging to the same nation. Hosking depicts two Russias, that of the gentry and of the peasantry, and reveals how the gap between them widened by the Tsarist state's repudiation of the Orthodox messianic myth. Continued to grow throughout the eighteenth and nineteenth centuries, here we see how this myth, on which the empire was originally based, returned centuries later in the form of the revolutionary movement which eventually swept away the Tsarist Empire but replaced it with an even more universalist one. Hosking concludes his story in 1917 but shows how the conflict he describes continues to affect Russia right up to the present day. **Russia and the Russians** Geoffrey A.

Hosking,2011-01-01 *A Concise History of Russia* Paul Bushkovitch,2011-12-05 Accessible to students tourists and general readers alike this book provides a broad overview of Russian history since the ninth century Paul Bushkovitch emphasizes the enormous changes in the understanding of Russian history resulting from the end of the Soviet Union in 1991 Since then new material has come to light on the history of the Soviet era providing new conceptions of Russia s pre revolutionary past The book traces not only the political history of Russia but also developments in its literature art and science Bushkovitch describes well known cultural figures such as Chekhov Tolstoy and Mendeleev in their institutional and historical contexts Though the 1917 revolution the resulting Soviet system and the Cold War were a crucial part of Russian and world history Bushkovitch presents earlier developments as more than just a prelude to Bolshevik power **Rulers and Victims** Geoffrey Hosking,2006-01-01 Many westerners used to call the Soviet Union Russia Russians too regarded it as their country but that did not mean they were entirely happy with it In the end in fact Russia actually destroyed the Soviet Union How did this happen and what kind of Russia emerged In this illuminating book Geoffrey Hosking explores what the Soviet experience meant for Russians One of the keys lies in messianism the idea rooted in Russian Orthodoxy that the Russians were a chosen people The communists reshaped this notion into messianic socialism in which the Soviet order would lead the world in a new direction Neither vision however fit the community spirit of the Russian people and the resulting clash defined the Soviet world Hosking analyzes how the Soviet state molded Russian identity beginning with the impact of the Bolshevik Revolution and civil war He discusses the severe dislocations resulting from collectivization and industrialization the relationship between ethnic Russians and other Soviet peoples the dramatic effects of World War II on ideas of homeland and patriotism the separation of Russian and Soviet culture leadership and the cult of personality and the importance of technology in the Soviet world view At the heart of this penetrating work is the fundamental question of what happens to a people who place their nationhood at the service of empire There is no surer guide than Geoffrey Hosking to reveal the historical forces forging Russian identity in the post communist world **A History of Russia, the Soviet Union, and Beyond** David MacKenzie,Michael W. Curran,1993 The HISTORY OF RUSSIA AND THE SOVIET UNION is a general survey of Russian history from earliest times to the present The authors present a balanced coverage of political diplomatic economic social intellectual and cultural history **A Brief History of Russia** Michael Kort,2008 Serves as a guide to the history and culture of Russia This book details the social economic and political changes and crises that the people of Russia have had to endure It includes a chronology bibliography and suggested readings It also covers the conquest and rule of Russia by the Mongol Golden Horde as well as the reign of terror **The Story of Russia** Orlando Figes,2022-09-20 This is the essential backstory the history book that you need if you want to understand modern Russia and its wars with Ukraine with its neighbors with America and with the West Anne Applebaum author of *Twilight of Democracy* and *Red Famine* Named a Most Anticipated Book of the Year by Publishers Weekly and Kirkus Reviews From the great storyteller of Russian history

Financial Times a brilliant account of the national mythologies and imperial ideologies that have shaped Russia's past and politics essential reading for understanding the country today The Story of Russia is a fresh approach to the thousand years of Russia's history concerned as much with the ideas that have shaped how Russians think about their past as it is with the events and personalities comprising it No other country has reimagined its own story so often in a perpetual effort to stay in step with the shifts of ruling ideologies From the founding of Kievan Rus in the first millennium to Putin's war against Ukraine Orlando Figes explores the ideas that have guided Russia's actions throughout its long and troubled existence Whether he's describing the crowning of Ivan the Terrible in a candlelit cathedral or the dramatic upheaval of the peasant revolution he reveals the impulses often unappreciated or misunderstood by foreigners that have driven Russian history the medieval myth of Mother Russia's holy mission to the world the imperial tendency toward autocratic rule the popular belief in a paternal tsar dispensing truth and justice the cult of sacrifice rooted in the idea of the Russian soul and always the nationalist myth of Russia's unjust treatment by the West How the Russians came to tell their story and to revise it so often as they went along is not only a vital aspect of their history it is also our best means of understanding how the country thinks and acts today Based on a lifetime of scholarship and enthrallingly written The Story of Russia is quintessential Figes sweeping revelatory and masterful

The Cambridge History of Russia: Volume 3, The Twentieth Century Maureen Perrie, Ronald Grigor Suny, 2006-11-02 A major history of twentieth century Russia by leading scholars in the field *A History of Russia Volume 1* Walter G. Modern Russian History Aleksandr Aleksandrovich Kornilov, 1916 *A Companion to Russian History* Abbott Gleason, 2014-01-28 This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field *A History Of Russia Volume 2* Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post

Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

Russia and the Jews: a brief sketch of Russian history and the condition of its Jewish subjects A. Reader, 1890

A Thousand Years of Russian History (Classic Reprint) Sonia E. Howe, 2017-09-18

Excerpt from *A Thousand Years of Russian History* There are few people in England probably who have not read some book or article on Russia and some aspects of the life of that country are well known to English people yet it is not too much to say that great ignorance prevails about Russia as a whole The thing lacking is a knowledge of history for history alone explains the present by the past and offers the right vantage ground from which to view the great drama in action at this time History alone will explain for example why Russia is so irresistibly drawn towards Constantinople and why so much blood has been shed in vain attempts to gain possession of the latchkey to her own front door which the Western Powers have prevented her again and again from getting into her hands The ancient story of Oleg the Wise hanging his shield on the gate of Byzantium in 911 is a symbol of Russia's policy A knowledge of history will also enable the reader to understand the living bond which exists between Russians and Balkan Slavs who are all members of the same race and of the same Church and how this bond has always reasserted itself when the weaker brothers had reason to call upon the stronger for help against Turkish Moslems There are also other vital points which have to be explained before Russia's political position can be rightly understood for the mighty Russian Empire has not been built in a day from a small beginning and by a number of different processes it has grown to its present dimensions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Russia Abroad Marc Raeff, 1990-04-19 The dramatic events of the twentieth century have often led to the mass migration of intellectuals professionals writers and artists One of the first of these migrations occurred in the aftermath of the Russian Revolution when more than a million Russians were forced into exile With this book Marc Raeff one of the world's leading historians of Russia offers the first comprehensive cultural history of the Great Russian Emigration He examines the social and institutional structure of the emigration and describes its rich cultural and intellectual life He points out that what distinguishes this emigration from other such episodes in European history is the extent to which the emigres succeeded in reconstituting and preserving their cultural creativity in the West The flourishing Russian communities of Paris Berlin Prague and Kharbin not only enriched Russian arts and letters but also significantly influenced the culture of their Western hosts and Raeff concludes with an assessment of their impact on the development of

modern Western and Soviet culture

Russia And The Russians A History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russia And The Russians A History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russia And The Russians A History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russia And The Russians A History free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russia And The Russians A History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russia And The Russians A History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russia And The Russians A History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia And The Russians A History is one of the best book in our library for free trial. We provide copy of Russia And The Russians A History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia And The Russians A History. Where to download Russia And The Russians A History online for free? Are you looking for Russia And The Russians A History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russia And The Russians A History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should

consider finding to assist you try this. Several of Russia And The Russians A History are for sale to free while some are payable.
