**Migration, Work and Citizenship in the Enlarged European Union** Samantha Currie, 2016-04-22 Drawing upon socio legal research this insightful book considers labour migration within the context of eastward European Union enlargement Specifically this volume explores the legal rights of accession nationals to access employment their experiences once in work and their engagement with broader family and social entitlement By combining analysis of the legal framework governing free movement related rights with analysis of qualitative data gained from interviews with Polish migrants this volume is able to speculate on the significance the status of Union citizenship holds for nationals of the recently acceded CEE Member States Citizenship is conceptualised not merely as rights but as a practice a real lived experience The citizenship status of migrants from the CEE Member States is shaped by formal legal entitlement law in action as it is implemented by the Member States and accessed by the migrants and social and cultural perceptions and experiences on the ground

Ageing and Migration in a Global Context Marion Repetti, Toni Calasanti, Chris Phillipson, 2021-08-14 This book brings together two major trends influencing economic and social life population ageing on the one side and migration on the other Both have assumed increasing importance over the course of the 20th and into the 21st century The book offers a unique interdisciplinary perspective on the challenges posed by the globalisation of the life course to welfare states old age and family policies Through a variety of case studies it covers a wide range of migration scenarios those who migrate in later life migrants from earlier years who age in place and old people who hire migrant caregivers It shows how both local and global economic inequalities intersect to frame interactions between ageing migration and family support Across a wide variety of

situations it highlights that migration can both create risks for older people but also serve as an answer to ageing related social economic and health risks The book explores tensions between national and global contexts in experiences of migration across the life course As such this book offers a fascinating read to scholars students practitioners and policy makers in the fields of aging migration life course and population health      *Return Migration and Psychosocial Wellbeing* Zana Vathi,Russell King,2017-03-27 Return migration is a topic of growing interest among academics and policy makers Nonetheless issues of psychosocial wellbeing are rarely discussed in its context Return Migration and Psychosocial Wellbeing problematises the widely held assumption that return to the country of origin especially in the context of voluntary migrations is a psychologically safe process By exploding the forced voluntary dichotomy it analyses the continuum of experiences of return and the effect of time the factors that affect the return process and associated mobilities and their multiple links with returned migrants wellbeing or psychosocial issues Drawing research encompassing four different continents Europe North America Africa and Asia to offer a blend of studies this timely volume contrasts with previous research which is heavily informed by clinical approaches and concepts as the contributions in this book come from various disciplinary approaches such as sociology geography psychology politics and anthropology Indeed this title will appeal to academics NGOs and policy makers working on migration and psychosocial wellbeing and undergraduate and postgraduate students who are interested in the fields of migration social policy ethnicity studies health studies human geography sociology and anthropology      *Mobile Citizenship* Margit Fauser,2020-05-20 Mobile Citizenship addresses the crucial question of how mobility reconfigures citizenship Engaging with debates on transnationalism citizenship and lifestyle migration the book draws on ethnographic research and interview material collected among retired lifestyle migrants moving south from Germany to Turkey to explore the practices and narratives of these privileged migrants Revealing the ways in which these migrants relate to their old homes and to their new places the author examines the social political and spatial dimensions of citizenship and belonging and argues that citizenship is key to understanding the privileges of transnational lifestyles By taking up discussions emanating from studies on other privileged lifestyle migrations around social welfare and well being social participation and affective belonging as well as class and racialized privileges the book exposes particular comparative value and showcases similarities and differences across this emerging type of migration Mobile Citizenship thus shows how citizenship allows for mobility resources and privilege yet is also replete with limitations and ambivalences The book brings together perspectives on citizenship space and privilege and will appeal to social scientists with interests in lifestyle migration and citizenship and their interconnections with global and social inequalities      *Social Policy Review* 19 Clarke, Karen,Maltby, Tony,2007-07-11 Social Policy Review provides students academics and all those interested in welfare issues with critical analyses of progress and change in areas of major interest during the past year Contributions reflect key themes in the UK and internationally The first part of the collection focuses on developments and change in core UK social

policy areas Part two provides in depth analyses of topical issues from both UK and international perspectives while this year's themed section examines Migration and social policy

### **Historical Dictionary of the Welfare State**

Bent Greve, 2014-03-06 Definitions of the welfare state often focus on how and why a state intervenes in the economy and welfare of the individual citizen A welfare state does not however have to mean state intervention it may merely reflect the state's restrictions and the demands of the labor market families and the rest of civil society This book covers the history of the welfare state from Chancellor Otto von Bismarck's reforms in Germany starting in 1883 to the present day This third edition of Historical Dictionary of the Welfare State covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 hundred cross referenced entries that focus on the definitions and concepts that are the most relevant long lasting and important concepts It provides insights from major areas in social science including sociology economics political science and social work This book is an excellent access point for students researchers and anyone wanting to know more about the welfare state

### **Caring Responsibilities in European Law and Policy**

Eugenia Caracciolo di Torella, Annick Masselot, 2020-02-28 This book explores the emerging engagement of EU law with care and carers The book argues that the regulation of care by the EU is crucial because it enables the development of a broad range of policies It contributes to the sustainability of society and ultimately it enables individuals to flourish Yet to date the EU approach to regulating the caring relationship remains piecemeal and lacks the underpinning of a cohesive strategy Against this backdrop this book argues that the EU can and must take leadership in this area by setting principles and standards in accordance with the values of the treaty in particular gender equality human dignity solidarity and well being The book further makes a case for a stronger protection for carers who should not only be protected against discrimination but should also be supported valued and put in a position to make choices and lead full lives In order to achieve this a proactive approach to rebalancing the relationship between paid and unpaid work is necessary Ultimately the book puts forward a series of legal and policy recommendations for a holistic approach to care in the EU

### **Transnational Families, Migration and the Circulation of Care**

Loretta Baldassar, Laura Merla, 2013-09-11 Without denying the difficulties that confront migrants and their distant kin this volume highlights the agency of family members in transnational processes of care in an effort to acknowledge the transnational family as an increasingly common family form and to question the predominantly negative conceptualisations of this type of family It re conceptualises transnational care as a set of activities that circulates between home and host countries across generations and fluctuates over the life course going beyond a focus on mother child relationships to include multidirectional exchanges across generations and between genders It highlights in particular how the sense of belonging in transnational families is sustained by the reciprocal though uneven exchange of caregiving which binds members together in intergenerational networks of reciprocity and obligation love and trust that are simultaneously fraught with tension contest and relations of unequal power The chapters that make up this

volume cover a rich array of ethnographic case studies including analyses of transnational families who circulate care between developing nations in Africa Latin America and Asia to wealthier nations in North America Europe and Australia There are also examples of intra and extra European Australian and North American migration which involve the mobility of both the unskilled and working class as well as the skilled middle and aspirational classes From Exclusion to Inclusion in Old Age Thomas Scharf,Norah Christine Keating,2012 Taking a broad international perspective this highly topical book casts light on patterns and processes that either place groups of older adults at risk of exclusion or are conducive to their inclusion

*Handbook on Gender in Asia* Shirlena Huang,Kanchana N. Ruwanpura,2020-07-31 The Handbook on Gender in Asia critically examines through a gender perspective five broad themes of significance to Asia the Theory and Practice of researching in Asia Gender Ageing and Health Gender and Labour Gendered Migrations and Mobilities and Gender at the Margins With each chapter providing an overview of the key intellectual developments on the issue under discussion as well as empirical examples to examine how the Asian case sheds light on these debates this collection will be an invaluable reference for scholars of gender and Asia *Transnational Migration and Home in Older Age* Katie Walsh,Lena Näre,2016-03-10 This book examines the transformations in home lives arising in later life and resulting from global migrations It provides insight into the ways in which contemporary demographic processes of aging and migration shape the meaning experience and making of home for those in older age Chapters explore how home is negotiated in relation to possibilities for return to the homeland family networks aging and health care cultures and belonging The book deliberately crosses emerging sub fields in transnationalism studies by offering case studies on aging labour migrants retirement migrants and return migrants as well as older people affected by the movement of others including family members and migrant care workers The diversity of people s experiences of home in later life is fully explored and the impact of social class gender and nationality as well as the corporeal dimensions of older age are all in evidence Moving People and Knowledge Louise Ackers,Bryony Gill,2009-01-01 The book can be seen as a welcomed contribution to this field of study it raises some important questions and problems of scientific mobility H gni Kals Hansen Papers in Regional Science This is a very timely book looking at East West migration which has recently become a hot political issue in various West European countries It does an excellent job in laying out the intricacies of mobility that affect different groups particularly knowledge migrants The book successfully shows that knowledge migrants follow different motivational routes than other groups of migrants in their choice of mobility between institutes and nations It makes a valuable contribution to a growing body of research that seeks to change established thinking and rhetoric about migration and to shift it from a dualistic thinking of migration in terms of economic vs non economic migrants What this book shows is that the professional identity of people often supersedes their nationalities in relation to why and where they move Sami Mahroum NESTA UK Based on excellent empirical research on migrating scientists from Poland and Bulgaria to the UK and Germany this book follows an innovative

agenda which is crucial to the world today the movement of people and the movement of knowledge It achieves this by a creative blend of analysing personal stories embedded in their professional and family networks on the one hand and macro scale discussions of brain drain brain gain and national and European policy implications on the other Russell King University of Sussex UK This book makes a timely contribution to understanding the circulation of scientific knowledge via international mobility It skillfully combines an analysis of structural and institutional changes with a focus on individual circumstances life courses and motivations The outcome is a compelling account of the role of international migration in the transfer of knowledge across borders and in shaping the careers of individual scientists This places people and human mobility at the heart of the debate about how the knowledge economy is produced and reproduced Allan Williams London Metropolitan University UK Moving People and Knowledge provides a fresh examination of the processes of highly skilled science migration Focusing on intra European mobility and in particular on the new dynamics of East West migration the authors investigate the movement of Polish and Bulgarian researchers to and from the UK and Germany Key questions include who is moving how long for and why In addressing the motivations and experiences of mobile scientists and their families insights into professional and personal motivations are provided demonstrating how relationships networks and infrastructures shape decision making This book provides a useful perspective on the implications of increasing researcher mobility for both sending and receiving regions and the individuals concerned which is necessary for the construction of future policies on sustainable scientific development This empirical account provides a nuanced analysis of the duration and flow of scientific mobility showing the prevalence of repeat and shuttle moves in science careers It will be of particular interest to researchers in European social policy migration studies and EU law as well as policymakers in the field of highly skilled migration especially those working on the free movement of persons provisions and the European Research Area and European Area of Higher Education

Working futures? Roulstone, Alan, Barnes, Colin, 2005-11-16 Working futures looks at the current effectiveness and future scope for enabling policy in the field of disability and employment By addressing the current strengths and weaknesses of disability and employment policy the book asks Is the dichotomy of work for those who can and support for those who cannot appropriate to the lives of disabled people Does current and recent policy reduce or reinforce barriers to paid employment What lessons from other welfare regimes can we draw on to further disabled people s working futures The book is original in bringing together a wide range of policy insights to bear on the question of disabled people s working futures It includes analyses of recent policy initiatives as diverse as the Disability Discrimination Act 1995 Draft Disability Bill the benefits system New Deal for Disabled People job retention policy comparative disability policy the role of the voluntary sector and new policies for a new workplace Contributions from academics NGOs the OECD and the disabled peoples movement bring multiple theoretical professional and user perspectives to the debates at the heart of the book

Retirement Migration Caroline Oliver, 2012-08-06 The book is the first ethnographic study of international retirement

migration and offers a sometimes surprising picture of the potentials seductions and limitations of the lifestyles People envision retirement as freedom from responsibilities through shedding the restrictive shackles of their former selves in a time of life dedicated to fun friendship healthy activity and individual fulfillment However as Oliver documents a number of contradictions underpin the pursuits of such a lifestyle She shows how retirees must balance time use to achieve both freedoms and busy social schedules their activities their relationships and their cultural identities to balance both the security of nationality with the discovery of the new Retirement Migration gives a critical insight into the new ways aging identities are experienced by a growing number of older people in Western societies today

**Transnational Aging** Vincent Horn,Cornelia Schwappe,2015-09-16 This book focuses on the diverse interrelationships between aging and transnationality It argues that the lives of older people are increasingly entangled in transnational contexts on the social as well as the cultural economic and political levels Within these contexts older people both actively contribute to and are affected by border crossing processes In addition while some may voluntarily opt for adding a transnational dimension to their lives others may have less choice in the matter Transnational aging therefore provides a critical lens on how older people shape organize and cope with life in contexts that are no longer bound to the frame of a single nation state Accordingly the book emphasizes the agency of older people as well as the personal and structural constraints of their situations The chapters in this book reveal these aspects by approaching transnational aging from different methodological angles such as ethnographic research comparative studies quantitative data and policy and discourse analysis Geographically the chapters cover a wide range of countries in Africa Asia Europe North and South America such as Namibia Thailand Russia Germany the United States and Ecuador

**Community Care** Robin Means,Sally Richards,Randall Smith,2008-01-11 This new edition has been updated to reflect recent shifts in community and social care whilst still providing the authoritative account of its historical development Particular attention is paid to partnerships between health and social care the regulation of social care direct payments and individual budgets and user carer empowerment

**Processes of Immigration in Rural Europe** Stefan Kordel Igor Jelen,Tobias Weidinger,2019-01-18 Contemporary immigration processes such as forced migration and labour induced mobility as well as lifestyle and leisure oriented movements increasingly affect areas in Europe that are considered as peripheral or rural This edited collection sheds light on the diversity of in migration its specific implications for development and strategies for coping Contributions from various sub disciplines of the social sciences including human and cultural geography sociology and spatial planning with different regional foci encourage theoretical discussions enhancing empirical knowledge and providing stimuli for practitioners involved in migration and development issues The structure of the volume therefore follows four main themes 1 conceptual reflections on immigration to peripheral rural areas and development prospects 2 patterns and types of immigration processes drawing on various case studies from all over Europe 3 realms of integration namely housing economy and social life 4 immigration management with a special emphasis on regional

and local strategies undertaken by policy makers the private sector and civil society      **The Politics Of European Union**  
**Health Policies** Greer, Scott, 2009-06-01 The book examines the ways that the successful health lobbies and member states  
work identifies weaknesses and emphasizes the challenge to health policymakers
