Demanding of the best in us while comprehending the pain and problems So full of common sense Lawrence LeShan The Waking Dream Ray Grasse,2013-08-15 The telephone rings It is a grammar school friend you have not heard from in 30 years but just now while going through a box of old photographs you came across his picture Is this coincidence or do such events have deeper significance This engaging and penetrating book opens readers to the world of meaningful coincidences Weaving ancient insights with contemporary teachings on sacred psychology astrology and subtle energy Grasse shows readers how to understand the deeper meaning of the symbols and synchronicities of their everyday lives **Toward a Transpersonal Ecology** Warwick Fox,1995-08-17 *Contemplative Healing* Francis Geddes,2011-02 Jesus introduced healing into the Judaism of his day and for the Church s first three hundred years healing was an important spiritual practice In *Contemplative Healing* author Francis Geddes describes healing prayer s importance and recommends congregations renew this ancient Christian practice Geddes presents an overview of Christian healing for the church and beyond It addresses society s need for loving connection with one another and the source of our being within a broad Christian context *Contemplative Healing* demonstrates the following essential points Everyone can be a healer Science and healing need not be at odds Jesus introduced healing as a transforming spiritual practice Healing is grounded in love *Contemplative Healing* communicates how the loving spirit of God and Christ function in a community by alleviating pain and bringing wholeness Praise for CONTEMPLATIVE HEALING This book s treatment of healing as a spiritual and Christian practice is important for Christians and the church in our time It creates a framework for seeing healing within the practice of Jesus and early Christianity attends to the relationship between healing and contemporary medical science and describes how to introduce the practice of healing into local congregations MARCUS J BORG AUTHOR THE HEART OF CHRISTIANITY Great Awakenings Frank Hoffmann,Marshall Fishwick,Beulah B Ramirez,2013-11-12 As religious fervor grows Dr Fishwick a recipient of the Ray and Pat Browne Award for Lifetime Achievement from The American Culture Association takes a sweeping look at religion in the United States the country with the highest church attendance in the Western world Popular religion can take many shapes and forms It can wax and wane but it cannot be eliminated or ignored That is what prompted him to write *Great Awakenings* Popular Religion and Popular Culture He ponders how religion affects American life and popular culture and why religion has become a major force in contemporary politics How has the Electronic Revolution furthered the religious right What does popular religion tell us about popular culture And about our faith He identifies and explores five great religious revivals or Great Awakenings the Atlantic Seaboard Awakening the Urban Awakening the Modernist Awakening the Celebrity Preacher Awakening the Electronic Awakening Fishwick explores the current events preceding and during each awakening its leaders followers and critics *Great Awakenings* gives a new understanding of the

American religious past and leaves us with an anticipation for the next great awakening     Drawing Down the Moon Margot Adler, 2006-10-03 The essential text and classic study of Neo Paganism Since its original publication Drawing Down the Moon continues to be the only detailed history of the burgeoning but still widely misunderstood Neo Pagan subculture Margot Adler attended ritual gatherings and interviewed a diverse colorful gallery of people across the United States people who find inspiration in ancient deities nature myth even science fiction In this edition featuring an updated resource guide of newsletters journals books groups and festivals Margot Adler takes a fascinating and honest look at the religious experiences beliefs and lifestyles of modern America s Pagan groups     **Human Dignity and World Order** Glen T. Martin, 2024-04-05 We must establish our world order on the principles of human dignity if we want a credible future for humanity This book shows how and why this is so It investigates the meaning of human dignity in relation to current scholarly work as well as in terms of the depths of our subjective lives from which the concept of dignity arises It contrasts the concept of dignity with our current world system engulfed in endless wars immense inequality systems of economic injustice and on going environmental destruction It shows the relationship between dignity human rights and global moral principles and lays out ten fundamental principles for a planetary ethics The book contrasts the holistic paradigm uncovered by 20th century science with the fragmented paradigm that persists at the heart of the present world system showing how and why a conversion to holism and dignity is both necessary and possible Human Dignity and World Order shows that we have not yet fully understood our human existential situation as temporal beings oriented toward the future who possess the largely untapped power of a liberating utopian imagination Through examining our fundamental human condition it unveils our vast potential for self transcendence and transformation leading toward a redeemed and credible human future in which we flourish on the Earth within a planetary civilization of freedom justice peace and sustainable prosperity This book also presents the Constitution for the Federation of Earth as a paradigm or model for practical action toward a credible human future Altogether the book constitutes a watershed in human self understanding opening possibilities for the future hitherto ignored or misunderstood Every thoughtful person concerned for our common human future needs to read this book     **Lucid Waking** Georg Feuerstein, 1997-08 Shows how to bring an intense awareness to the business of living meeting the challenges of existence sanely creatively and philosophically     *The Other Deeper You* Alvin R. Mahrer, 2007-03-01 The *Other Deeper You* continues in the revolutionary Quixotic spirit of Dr Alvin Mahrer s previous works on experiential psychotherapy For the visionary the scholar the academic the serious reader picture a whole new inner deeper world containing a whole new you an other deeper you This concept itself is revolutionary but the book goes further by providing a step by step guide for coming face to face with the other deeper you     **The Only Tradition** William W. Quinn, 1997-01-01 Examines the first principles of the perennial philosophy or ancient wisdom tradition as expressed in the writings of its great exponents Rene Guenon and Ananda K Coomaraswamy and offers a critique of the West from the standpoint of traditional

principles     *Phenomenology* Dermot Moran, Lester E. Embree, 2004 This set reprints the essential scholarship published in the field It includes a general introduction by the editors as well as individual volume introductions exploring and contextualising the main themes of the comprehensively covered tradition This is a key point of reference for anyone researching the phenomenological tradition     **EntreMundos/AmongWorlds** A. Keating, 2016-01-26 A multidisciplinary investigation of the concepts impact and writings of contemporary cultural theorist and creative writer Gloria Anzaldúa Her work has challenged and expanded previous views in American Studies composition studies cultural studies ethnic studies feminism literary studies critical pedagogy and queer theory     **Jewish Philosophy and Western Culture** Victor J. Seidler, 2007-11-28 This is one of the first textbooks to try to set the entire discipline of Jewish philosophy in its proper cultural and historical contexts In so doing it introduces the vibrant Jewish philosophical tradition to students while also making a significant contribution to inter religious dialogue Victor J Seidler argues that the dominant Platonic tradition in the West has led to a form of cultural ethics which asserts false superiority in its relationships with others He offers a critical reappraisal of the philosophical underpinnings of this western Christian culture which for so long has viewed Judaism with hostility Examining the work of seminal Jewish thinkers such as Philo Buber Mendelsohn Herman Cohen Leo Baeck Levinas Rosenzweig and others the author argues for a code of ethics which prioritises particular and personal moral responsibility rather than the impersonal and universal emphases of the Greek tradition His provocative and original overview of Jewish philosophy uncovers a vital and neglected tradition of thought which works against the likelihood of a Holocaust recurring
