

Sentimental Soldier

Jason Wilson

Sentimental Soldier:

Japan's Carnival War Benjamin Uchiyama, 2019-03-14 This cultural history of the Japanese home front during the Asia Pacific War challenges ideas of the period as one of unrelenting repression Uchiyama demonstrates that carnival war coexisted with the demands of total war to promote consumerist desire alongside sacrifice and fantasy alongside nightmare **Soldiers of Song** Jason Wilson, 2012-11-06 The seeds of irreverent humour that inspired helping mobilize the war effort the likes of Wayne and Shuster and Monty Python were sown in the trenches of the First World War and The Dumbells concert parties made up of fighting soldiers were central to this process Soldiers of Song tells their story Lucky soldiers who could sing a song perform a skit or pass as a lady were taken from the line and put onstage for the benefit of their soldier audiences The intent was to bolster morale and thereby help soldiers survive the war The Dumbells popularity was not limited to troop shows along the trenches The group also managed a run in London's West End and became the first ever Canadian production to score a hit on Broadway Touring Canada for some twelve years after the war the Dumbells became a household name and made more than twenty five audio recordings If nationhood was won on the crest of Vimy Ridge it was the Dumbells who provided the country with its earliest soundtrack Pioneers of sketch comedy the Dumbells are as important to the history of Canadian theatre as they are to the cultural history of early twentieth century Canada Civil War Alice Fahs, 2010-03-15 In this groundbreaking work of cultural history Alice Fahs explores a little known and fascinating side of the Civil War the outpouring of popular literature inspired by the conflict From 1861 to 1865 authors and publishers in both the North and the South produced a remarkable variety of war related compositions including poems songs children's stories romances novels histories and even humorous pieces Fahs mines these rich but long neglected resources to recover the diversity of the war s political and social meanings Instead of narrowly portraying the Civil War as a clash between two great white armies popular literature offered a wide range of representations of the conflict and helped shape new modes of imagining the relationships of diverse individuals to the nation Works that explored the war s devastating impact on white women s lives for example proclaimed the importance of their experiences on the home front while popular writings that celebrated black manhood and heroism in the wake of emancipation helped readers begin to envision new roles for blacks in American life Recovering a lost world of popular literature The Imagined Civil War adds immeasurably to our understanding of American life and letters at a pivotal point in our history The War for the Common Soldier Peter S. Carmichael, 2018-11-02 How did Civil War soldiers endure the brutal and unpredictable existence of army life during the conflict This question is at the heart of Peter S Carmichael's sweeping new study of men at war Based on close examination of the letters and records left behind by individual soldiers from both the North and the South Carmichael explores the totality of the Civil War experience the marching the fighting the boredom the idealism the exhaustion the punishments and the frustrations of being away from families who often faced their own dire circumstances Carmichael

focuses not on what soldiers thought but rather how they thought In doing so he reveals how to the shock of most men well established notions of duty or disobedience morality or immorality loyalty or disloyalty and bravery or cowardice were blurred by war Digging deeply into his soldiers writing Carmichael resists the idea that there was a common soldier but looks into their own words to find common threads in soldiers experiences and ways of understanding what was happening around them In the end he argues that a pragmatic philosophy of soldiering emerged guiding members of the rank and file as they struggled to live with the contradictory elements of their violent and volatile world Soldiering in the Civil War as Carmichael argues was never a state of being but a process of becoming **The Soldier's Girl** Sharon Maas, 2018-11-02 France 1944 and the streets are filled with swastikas The story of a brave English girl behind enemy lines a German soldier and a terrible sacrifice English nurse Sibyl Lake is young but skilled and confident Resolving to do everything she can to help her country she begins to spy to support the French Resistance She arrives in Colmar a French town surrounded by vineyards and swarming with German soldiers but her fear is dampened by the joy of being reunited with her childhood sweetheart Jacques is now a French Resistance fighter risking his life to free his friends and family from German occupation Sibyl s arrival has not gone unnoticed by Commander Wolfgang von Haagan the commandant of the Colmar region She realises letting him get closer is her best chance of learning enemy secrets Yet despite her best intentions Sibyl soon finds betrayal does not come easy to her Commander von Haagen is a soldier who yearns for poetry music something beyond the war and Sibyl begins to enjoy the company of the man she's spying on Determined to do what is right for her country Sibyl knows what she must do But will it put both the men she loves into terrible danger A beautifully written heart wrenching and unforgettable tale of love and loss in a time of war Perfect for fans of The Letter by Kathryn Hughes and The Nightingale by Kristin Hannah What readers are saying about The Soldier's Girl The Soldier's Girl is a gripping and heart wrenching read that I couldn't tear myself away from A moving and at times touching read that will stay with me for some time By the Letter Book Reviews This book brought tears to my eyes and every chapter was a new twist to the story I could not stop reading this book and I know everyone is sure to love it The Lovely Library The Soldier's Girl is a captivating historical fiction novel I was wholly engrossed until the very end Write Escape I loved this book a wonderful and heartbreaking tale which drew me in it has strong characters and a beautiful story Goodreads Reviewer 5 stars A fantastic book I also loved reading about the Alsace Region Makes you think what would you do in her shoes Goodreads Reviewer 5 stars I really enjoyed this book and all of the characters What an exciting book with many twists and turns This book kept me on the edge of my seat and it was hard to put down Goodreads Reviewer 5 stars Really enjoyed this book Great characters very well written and it was fascinating and informative with the Resistance theme Highly recommend Netgalley Reviewer 5 stars What readers are saying about Sharon Maas Wow Such a powerful story so brilliantly narrated in such a way that you feel part of it all and are left bereft when it is finished I LOVED this story so much So poignant and touching and heartbreaking All the descriptions are so visceral and

beautiful I loved this book I lived it 5 stars Renita D Silva A powerful and emotional story truly heartbreaking The writing was so beautifully descriptive and at times I felt as though I was right there in India Wonderful truly stunning I can highly recommend this book Goodreads Reviewer This has everything great characters strong settings serious issues Put all these together with a fantastic writing style and this easily makes my top 10 books of 2016 list 5 stars Lexi Reads Simply perfect from the first few pages I was drawn in and hooked I was blown away by how much I was affected by the story a fantastic emotional evocative read I urge you to pick up this book you won t be disappointed Dash Fan Book Reviews 5 stars I absolutely loved everything about this book beautifully and evocatively written this is a definite can t put it down read 5 stars Goodreads Review A beautiful mesmerising work of fiction I was completely transported Krafti Reader A powerful story with so much depth your ears might pop I absolutely loved this book I was completely absorbed by this stunning story I was there in India living everything Another exceptional read from Sharon Maas 5 Purple Book Stand WOW I think Winnie is the biggest hero ever This truly was a masterpiece Reading Renee I loved loved loved this An easy 5 stars One of my top reads of this year wonderful Goodreads Reviewer 5 stars The Military Memoir and Romantic Literary Culture, 17801835 Neil Ramsey, 2016-12-05 Examining the memoirs and autobiographies of British soldiers during the Romantic period Neil Ramsey explores the effect of these as cultural forms mediating warfare to the reading public during and immediately after the French Revolutionary and Napoleonic wars Forming a distinct and commercially successful genre that in turn inspired the military and nautical novels that flourished in the 1830s military memoirs profoundly shaped nineteenth century British culture's understanding of war as Romantic adventure establishing images of the nation's middle class soldier heroes that would be of enduring significance through the nineteenth and twentieth centuries As Ramsey shows the military memoir achieved widespread acclaim and commercial success among the reading public of the late Romantic era Ramsey assesses their influence in relation to Romantic culture s wider understanding of war writing autobiography and authorship and to the shifting relationships between the individual the soldier and the nation The memoirs Ramsey argues participated in a sentimental response to the period s wars by transforming earlier impersonal traditions of military memoirs into stories of the soldier's personal suffering While the focus on suffering established in part a lasting strand of anti war writing in memoirs by private soldiers such stories also helped to foster a sympathetic bond between the soldier and the civilian that played an important role in developing ideas of a national war and functioned as a central component in a national commemoration of war War Stories Philip Dwyer, 2016-11-01 Although war memoirs constitute a rich varied literary form they are often dismissed by historians as unreliable This collection of essays is one of the first to explore the modern war memoir revealing the genre's surprising capacity for breadth and sophistication while remaining sensitive to the challenges it poses for scholars Covering conflicts from the Napoleonic era to today the studies gathered here consider how memoirs have been used to transmit particular views of war even as they have emerged within specific social and political contexts

Beyond the Civil War Hospital Kirsten Twelbeck, 2018-07-15 Beyond the Civil War Hospital understands Reconstruction as a period of emotional turmoil that precipitated a struggle for form in cultural production By treating selected texts from that era as multifaceted contributions to Reconstruction s mental adaptation process Leslie Butler Kirsten Twelbeck diagnoses individual conflicts between the heart and the brain only partly compensated for by a shared concern for national healing By tracing each text s unique adaptation of the healing trope she identifies surprising disagreement over racial equality women's rights and citizenship The book pairs female and male white authors from the antislavery North and brings together a broad range of genres Racial, Ethnic, and Homophobic Violence Michel Prum, Bénédicte Deschamps, Marie-Claude Barbier, 2012-10-12 With contributions by internationally recognized specialists this book a perfect complement to courses in criminology and hate crime provides a key resource for understanding how racism and homophobia work to produce violence Hate motivated violence is now deemed a serious national problem in most Western societies With contributions by British Australian American Canadian Irish Italian and French researchers this book addresses a wide spectrum of types of violence including genocide urban riots inter ethnic fighting and forms of hate crime targeting gay and lesbian people Contributors to this volume also consider the political groups responsible for outbursts of hatred their modes of operation and the institutional aspects of hate crime Opening up an interdisciplinary perspective on the ways in which certain groups or individuals are transformed into expiatory victims this compelling book is an essential read for all postgraduate law students and researchers interested in hate crime and society A History of American Civil War Literature Coleman Hutchison, 2015-12-01 This book is the first omnibus history of the literature of the American Civil War the deadliest conflict in US history A History of American Civil War Literature examines the way in which the war has been remembered and rewritten over time in prose poems and other narratives This history incorporates new directions in Civil War historiography and cultural studies while giving equal attention to writings from both northern and southern states It redresses the traditional neglect of southern literary cultures by moving between the North and the South thus finding a balance between Union and Confederate texts Written by leading scholars in the field this book works to redefine the boundaries of American Civil War literature while posing a fundamental question why does this 150 year old conflict continue to capture the American imagination Suffering and Sentiment in Romantic Military Art Philip Shaw, 2017-07-05 In a moving intervention into Romantic era depictions of the dead and wounded Philip Shaw's timely study directs our gaze to the neglected figure of the common soldier How suffering and sentiment were portrayed in a variety of visual and verbal media is Shaw s particular concern as he examines a wide range of print and visual media from paintings to sketches to political prose and anti war poetry and from writings on culture and aesthetics to graphic satires and early photographs Whilst classical portraiture and history painting certainly conspired with official ideologies to deflect attention from the true costs of war other works of art literary as well as visual proffered representations that countered the view that suffering on and off the

battlefield is noble or heroic Shaw uncovers a history of changing attitudes towards suffering from mid eighteenth century ambivalence to late eighteenth and early nineteenth century concepts of moral sentiment Thus Shaw's story is one of how images of death and wounding facilitated and gueried these shifts in the perception of war qualifying as well as consolidating ideas of individual and national unanimity Informed by readings of the letters and journals of serving soldiers surgeons notebooks and sketches and the writings of peace and war agitators Shaw's study shows how an attention to the depiction of suffering and the development of liberal sentiment enables a reconfiguring of historical and theoretical notions of the body as a site of pain and as a locus of violent national imaginings **Edgar Wallace - Ultimate Collection: Crime Novels, Detective Stories, Historical Works & Memoirs** Edgar Wallace, 2023-12-29 Edgar Wallace Ultimate Collection Crime Novels Detective Stories Historical Works Memoirs is an indispensable compendium that showcases the prolific range of Wallace's literary prowess This collection encapsulates the essence of early 20th century crime fiction weaving intricate plots with richly drawn characters Wallace's signature blend of gripping suspense and sharp dialogue not only entertains but also reflects the social mores and anxieties of his time offering a nuanced exploration of morality justice and the human condition within the context of his varied narratives from detective thrillers to memoirs steeped in personal reflection Edgar Wallace 1875 1932 was a British author whose adventurous life and diverse experiences greatly influenced his writing Known for his roles as a journalist war correspondent and playwright Wallace immersed himself in the tumultuous events of his era This rich tapestry of life experiences lent authenticity to his portrayals of crime and detective work positioning him as a pioneer of the genre and contributing significantly to its development influencing iconic figures like Agatha Christie and Arthur Conan Doyle This ultimate collection is a must read for anyone intrigued by the foundations of crime literature Enthusiasts of detective stories and historical narratives alike will find themselves captivated by Wallace's inventive storytelling and vivid imagination making it a valuable addition to any literary collection The Complete Works of Edgar Wallace Edgar Wallace, 2015-07-20 This carefully crafted ebook The Complete Works of Edgar Wallace is formatted for your eReader with a functional and detailed table of contents Contents Edgar Wallace Each Way Biography Screenplay King Kong African Novels Sanders of the River The People of the River The River of Stars Bosambo of the River Bones The Keepers of the King's Peace Lieutenant Bones Bones in London Sandi the Kingmaker Bones of the River Sanders Again Sanders P C Lee Series Four Just Men Series The Four Just Men The Council of Justice The Just Men of Cordova The Law of the Four Just Men The Three Just Men Again the Three Just Men The Earl of Nowhere Series Mr J G Reeder Series Room 13 The Mind of Mr J G Reeder Terror Keep Red Aces The Guv nor and Other Short Stories Detective Sgt Elk Series The Nine Bears Silinski Master Criminal The Fellowship of the Frog The Joker The Twister The India Rubber Men White Face Educated Evans Series Educated Evans More Educated Evans Good Evans Smithy Series Smithy Army Reform Opinions of Private Smith Smithy Aboard Smithy and the Hun Nobby or Smithy s Friend Nobby Smithy Nobby Co True Crime Stories The Secret of the Moat Farm The Murder on

Civil War America Maggi M. Morehouse, Zoe Trodd, 2013-02-11 As war raged on the battlefields of the Civil War men and women all over the nation continued their daily routines They celebrated holidays ran households wrote letters read newspapers joined unions attended plays and graduated from high school and college Civil War America reveals how Americans both Northern and Southern lived during the Civil War the ways they worked expressed themselves artistically organized their family lives treated illness and worshipped Written by specialists the chapters in this book cover the war s impact on the economy the role of the federal government labor welfare and reform efforts the Indian nations universities healthcare and medicine news coverage photography and a host of other topics that flesh out the lives of ordinary Americans who just happened to be living through the biggest conflict in American history Along with the original material presented in the book chapters the website accompanying the book is a treasure trove of primary sources both textual and visual keyed for each chapter topic Civil War America and its companion website uncover seismic shifts in the cultural and social landscape of the United States providing the perfect addition to any course on the Civil War Sentimentalism in Nineteenth-Century America Mary G. De Jong, 2013-06-07 Sentimentalism emerged in eighteenth century Europe as a moral philosophy founded on the belief that individuals are able to form relationships and communities because they can by an effort of the imagination understand one another s feelings American authors of both sexes who accepted these views cultivated readers sympathy with others in order to promote self improvement motivate action to relieve suffering reinforce social unity and build national identity Entwined with domesticity and imperialism and finding expression in literature and in public and private rituals sentimentalism became America's dominant ideology by the early nineteenth century Sentimental writings and practices had political uses some reformist and some repressive They played major roles in the formation of bourgeois consciousness The first new collection of scholarly essays on American sentimentalism since 1999 this volume brings together ten recent studies eight published here for the first time The Introduction assesses the current state of sentimentalism studies the Afterword reflects on sentimentalism as a liberal discourse central to contemporary political thought as well as literary studies Other contributors exploring topics characteristic of the field today examine nineteenth

century authors treatments of education grief social inequalities intimate relationships and community This volume has several distinctive features It illustrates sentimentalism's appropriation of an array of literary forms advice literature personal narrative and essays on education and urban poverty as well as poetry and the novel objects memorial volumes and cultural practices communal singing benevolence It includes four essays on poetry less frequently studied than fiction It identifies internal contradictions that eventually fractured sentimentalism s viability as a belief system yet suggests that the protean sentimental mode accommodated itself to revisionary and ironized literary uses thus persisting long after twentieth century critics pronounced it a casualty of the Civil War This collection also offers fresh perspectives on three esteemed authors not usually classified as sentimentalists Sarah Piatt Walt Whitman and Henry James thus demonstrating that sentimental topics and techniques informed realism and modernism as they emerged Offering close readings of nineteenth century American texts and practices this book demonstrates both the limits of sentimentalism and its wide and lasting influence Princeton Alumni Weekly ,1907 The Cambridge History of American Poetry Alfred Bendixen, Stephen Burt, 2014-10-27 The Cambridge History of American Poetry offers a comprehensive exploration of the development of American poetic traditions from their beginnings until the end of the twentieth century Bringing together the insights of fifty distinguished scholars this literary history emphasizes the complex roles that poetry has played in American cultural and intellectual life detailing the variety of ways in which both public and private forms of poetry have met the needs of different communities at different times The Cambridge History of American Poetry recognizes the existence of multiple traditions and a dramatically fluid canon providing current perspectives on both major authors and a number of representative figures whose work embodies the diversity of America's democratic traditions This England Edgar Wallace, 2021-11-09 In This England Edgar Wallace presents a vivid panorama of England during the early twentieth century encapsulating its landscapes people and cultural spirit amidst a rapidly changing world Written in a captivating and accessible prose style the book blends elements of travel writing and social commentary Wallace's keen observations and engaging descriptions reflect not only the geographical diversity of the nation from bustling cities to serene countrysides but also the intricate social fabric that defines English identity This work emerges against the backdrop of a nation grappling with modernization and the lingering echoes of its imperial past giving readers a multi dimensional view of what it means to be English during this tumultuous period As a prolific author playwright and journalist Edgar Wallace's insights into English life are deeply informed by his diverse experiences Born in 1875 he encountered the underbelly of society and was shaped by events like the grim realities of World War I His journeys across England coupled with a tireless commitment to uncovering social truths inspired him to craft this richly textured narrative that both entertains and educates through its portrayal of everyday life For readers seeking a historical lens through which to explore the essence of English culture and society This England is an essential read Wallace's engaging narrative not only captivates the imagination but also fosters a deeper understanding of

the complexities and joys of the English experience making it a significant contribution to the literature of its time Age of Scandal T. H. White,2022-08-16 DigiCat Publishing presents to you this special edition of The Age of Scandal by T H. White DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

Eventually, you will extremely discover a further experience and finishing by spending more cash. yet when? accomplish you tolerate that you require to get those every needs past having significantly cash? Why dont you try to acquire something basic in the beginning?
