

A SEPARATE GOD

The Origins and Teachings
of Gnosticism

*"The definitive statement that Gnosticism
emerged from within Christianity."*

— Birger A. Pearson

SIMONE PÉTREMENT

Separate God The Origins And Teachings Of Gnosticism

Geoffrey Stephen Smith

Separate God The Origins And Teachings Of Gnosticism:

A Separate God Simone Pétrement,1990 **A Separate God** Simone Pétrement,1993 *The Irrevocable Call of God* Richard H. Bell,2005 Richard Bell examines the impact of Paul s life changing experience before Damascus on his theological understanding of Israel The book considers the development of Paul s view concerning the election and salvation of Israel paying special attention to 1 Thessalonians Galatians and Romans The author examines Paul s critique of Israel s religion in the light of traditional protestant approaches and the new perspective The work concludes by considering some contemporary issues relating to Israel in the light of Paul s theology **BOOK JACKET** *The Heresy of Orthodoxy (Foreword by I. Howard Marshall)* Andreas J. Köstenberger,Michael J. Kruger,2010-06-09 Beginning with Walter Bauer in 1934 the denial of clear orthodoxy in early Christianity has shaped and largely defined modern New Testament criticism recently given new life through the work of spokesmen like Bart Ehrman Spreading from academia into mainstream media the suggestion that diversity of doctrine in the early church led to many competing orthodoxies is indicative of today s postmodern relativism Authors Köstenberger and Kruger engage Ehrman and others in this polemic against a dogged adherence to popular ideals of diversity Köstenberger and Kruger s accessible and careful scholarship not only counters the Bauer Thesis using its own terms but also engages overlooked evidence from the New Testament Their conclusions are drawn from analysis of the evidence of unity in the New Testament the formation and closing of the canon and the methodology and integrity of the recording and distribution of religious texts within the early church **The Complete Idiot's Guide to the Gnostic Gospels** J. Michael Matkin,2005 The founding of the early Christian Church had as much to do with politics and intrigue as it did with theology and religion This history and the documents uncovered at the Nag Hammadi site in Egypt have formed the basis of some of the most interesting and mysterious questions today Was Mary Magdalene a disciple of Jesus What role did Jesus mother Mary play What does the Gospel of Thomas tells us Enter The Complete Idiot s Guide to the Gnostic Gospels Expert author J Michael Matkin has provided easy and understandable overviews to all these major works and more With chapters discussing each of the major and minor documents found at Nag Hammadi the book also includes an overview of Gnosticism and its most influential people Readers get an easy understandable view of the early Church these relatively new documents and their meaning to modern religion and philosophy today *Gnostic Revisions of Genesis Stories And Early Jesus Traditions* Gerard P. Luttikhuizen,2006 The book examines the critical use of biblical and early Christian traditions in such Christian Gnostic texts as the Apocryphon of John The Nature of the Archons The Apocalypse of Adam The Testimony of Truth The Apocalypse of Peter The Letter of Peter to Philip and the apocryphal Acts of John **A Companion to Second-Century Christian 'Heretics'** Antti Marjanen,Petri Luomanen,2008 The book deals with thinkers and movements that were embraced by many second century religious seekers but which are now largely forgotten or known only as heretics Basilides Sethianism Valentinus school Marcion Tatian Bardaisan Montanists Cerinthus Ebionites Nazarenes

Jewish Christianity of the Pseudo Clementines and Elchasites *Beyond Gnosticism* Ismo Dunderberg, 2008 Valentinus 100
160 C E was an influential Gnostic opposed to the practices that would later become part of the Christian orthodoxy This text covers Valentinus s interpretation of the biblical creation myth in which he affirms mankind s original immortality and places a special emphasis on the frank speech afforded to Adam by God **Cosmology and Fate in Gnosticism and Graeco-Roman Antiquity** Nicola F. Denzey, 2013-04-09 In *Cosmology and Fate in Gnosticism and Graeco Roman Antiquity* Nicola Denzey Lewis dismisses Hans Jonas mischaracterization of second century Gnosticism as a philosophically oriented religious movement built on the perception of the cosmos as negative or enslaving A focused study on the concept of astrological fate in Gnostic writings including the Apocryphon of John the recently discovered Gospel of Judas Trimorphic Protennoia and the Pistis Sophia this book reexamines their language of enslavement to fate Gk heimarmene from its origins in Greek Stoicism its deployment by the apostle Paul to its later use by a variety of second century intellectuals both Christian and non Christian Denzey Lewis thus offers an informed and revisionist conceptual map of the ancient cosmos its influence and all those who claimed to be free of its potentially pernicious effects *The Gnostics and Their Archetypes* Diego Kurilo, Gnosis derived from the ancient Greek gnosis meaning knowledge or also known as gnosticism a Latinized form of gnosis is a scientific religious term that encompasses various teachings and religious groups that flourished in the late 19th century 1st century and had their peak between the 2nd and 3rd centuries AD acting as precursors of later currents We could think that within these movements of connoisseurs many Christianities of a Gnostic nature perished since Christianity was born as a broad set of spiritual movements based on the life of Jesus of Nazareth The Christianity proposed by Paul of Tarsus triumphed and the Gnostic movements fell into disgrace and were considered heretical Orthodoxy and Heresy in Early Christian Contexts Paul A. Hartog, 2015-01-30 Eighty years ago Walter Bauer promulgated a bold and provocative thesis about early Christianity He argued that many forms of Christianity started the race but one competitor pushed aside the others until this powerful orthodox version won the day The victors re wrote history marginalizing all other perspectives and silencing their voices even though the alternatives possessed equal right to the title of normative Christianity Bauer s influence still casts a long shadow on early Christian scholarship Were heretical movements the original forms of Christianity Did the heretics outnumber the orthodox Did orthodox heresiologists accurately portray their opponents And more fundamentally how can one make any objective distinction between heresy and orthodoxy Is such labeling merely the product of socially situated power Did numerous valid forms of Christianity exist without any validating norms of Christianity This collection of essays each written by a relevant authority tackles such questions with scholarly acumen and careful attention to historical cultural geographical and socio rhetorical detail Although recognizing the importance of Bauer s critical insights innovative methodologies and fruitful suggestions the contributors expose numerous claims of the Bauer thesis in both original and recent manifestations that fall short of the historical evidence With contributions from Rodney

Decker Carl Smith William Varner Rex Butler Bryan Litfin Brian Shelton David Alexander Edward Smither Glen Thompson

The Earliest Christologies James L. Papandrea, 2016-03-24 In this clear and concise introduction to second century christologies James Papandrea sets out five of the principal images of Christ that dominated the postapostolic age Between varieties of adoptionism and brands of gnosticism Papandrea helps us see how Logos Christology was forged as the beginning of the church's orthodox confession

Guilt by Association Geoffrey Stephen Smith, 2015 Few literary innovations have exercised as much influence upon Christian attitudes toward internal diversity as has the practice of organizing the names and alleged misdeeds of rival teachers into heresy catalogues For two millennia followers of Jesus have employed the heresy catalogue as a powerful weapon in internal struggles for legitimacy authority and supremacy Despite its enduring popularity and influence within the Christian tradition the heresy catalogue remains an underappreciated polemical genre among historians of early Christianity *Guilt by Association* explores the creation publication and circulation of heresy catalogues by second and early third century Christians Polemicists made use of these religious blacklists which include the names of heretical teachers along with summaries of their unsavory doctrines and nefarious misdeeds in order to discredit opponents and advocate their expulsion from the authentic Christianity community The heresy catalogue proved to be especially effective because it not only recast rival teachers as menacing adversaries but also reinforced such characterizations by organizing otherwise unaffiliated teachers into coherent intellectual social and scholastic communities that are established and sustained by demonic powers Geoffrey Smith focuses especially on the earliest Christian heresy catalogues including those found within the works of Justin Irenaeus and Hegesippus to shed new light upon the complex process through which early Christianity took shape

Paradise Reconsidered in Gnostic Mythmaking Tuomas Rasimus, 2009-10-31 This book offers a new understanding of Sethianism and the origins of Gnosticism by examining the mythology in and social reality behind a group of texts to which certain leaders of the early church occasionally attached the label Ophite In the unique Ophite mythology which rewrites the Genesis paradise story and is attested for example in Irenaeus *Adversus haereses* 1.30 The Apocryphon of John and On the Origin of the World the snake's advice to eat of the tree of knowledge is considered positive the creator and his angels are turned into demonic beasts and the true Godhead is presented as an androgynous heavenly projection of Adam and Eve It is argued that Hans Martin Schenke's influential model of the Sethian system only reveals part of a larger whole to which the Ophite material belongs as an important and organic component

The Monstrosity of Christ Slavoj Žižek, John Milbank, 2011-02-25 A militant Marxist atheist and a Radical Orthodox Christian theologian square off on everything from the meaning of theology and Christ to the war machine of corporate mafia What matters is not so much that Žižek is endorsing a demythologized disenchanted Christianity without transcendence as that he is offering in the end despite what he sometimes claims a heterodox version of Christian belief John Milbank To put it even more bluntly my claim is that it is Milbank who is effectively guilty of heterodoxy ultimately of a

regression to paganism in my atheism I am more Christian than Milbank Slavoj i ek In this corner philosopher Slavoj i ek a militant atheist who represents the critical materialist stance against religion s illusions in the other corner Radical Orthodox theologian John Milbank an influential and provocative thinker who argues that theology is the only foundation upon which knowledge politics and ethics can stand In *The Monstrosity of Christ* i ek and Milbank go head to head for three rounds employing an impressive arsenal of moves to advance their positions and press their respective advantages By the closing bell they have not only proven themselves worthy adversaries they have shown that faith and reason are not simply and intractably opposed i ek has long been interested in the emancipatory potential offered by Christian theology And Milbank seeing global capitalism as the new century s greatest ethical challenge has pushed his own ontology in more political and materialist directions Their debate in *The Monstrosity of Christ* concerns the future of religion secularity and political hope in light of a monstrous event God becoming human For the first time since i ek s turn toward theology we have a true debate between an atheist and a theologian about the very meaning of theology Christ the Church the Holy Ghost Universality and the foundations of logic The result goes far beyond the popularized atheist theist point counterpoint of recent books by Christopher Hitchens Richard Dawkins and others i ek begins and Milbank answers countering dialectics with paradox The debate centers on the nature of and relation between paradox and parallax between analogy and dialectics between transcendent glory and liberation Slavoj i ek is a philosopher and cultural critic He has published over thirty books including *Looking Awry* *The Puppet and the Dwarf* and *The Parallax View* these three published by the MIT Press John Milbank is an influential Christian theologian and the author of *Theology and Social Theory Beyond Secular Reason* and other books Creston Davis who conceived of this encounter studied under both i ek and Milbank **They Went Out from Us** Daniel R. Streett, 2011-01-27 By means of careful historical work and exegesis Streett argues that the secession mentioned in 1 John did not have to do with a later complex Christological issue such as docetism Cerinthianism or a devaluation of the historical life death of Jesus but rather concerned the foundational belief in the Messiahship of Jesus a tenet the secessionists had renounced in order to return to the Jewish synagogue He critiques the common maximalistic mirror reading approach to the letter as misguided and contends that the letter is primarily pastoral meant to comfort and reassure the community rather than to argue against the secessionists Streett s main contributions are his detailed examination of the ancient historical evidence especially the Patristic evidence for the Johannine opponents and his in depth and innovative exegesis of the key opponent passages 1 Jn 2 18 27 4 1 6 5 6 12 2 Jn 4 11 *Valentinianism: New Studies*, 2019-10-07 Since Antiquity the movement associated with Valentinus has been regarded as the most typical and the most representative exponent of Gnosticism Recent research has led to a new appraisal of Valentinianism as a distinct form of early Christianity that deserves to be understood in its own right Valentinianism served as a catalyst for the development of mainstream Christian doctrine exegesis and ritual Its connections to contemporary forms of Platonism are being progressively uncovered The present

volume edited by Christoph Marksches and Einar Thomassen shows the current state of research on Valentinianism offering contributions by leading experts about the history of the movement contested aspects of Valentinian doctrine and the use and interpretation of the New Testament by the Valentinians Valentinian Christianity ,2020-07-21 Valentinus an Egyptian Christian who traveled to Rome to teach his unique brand of theology and his followers the Valentinians formed one of the largest and most influential sects of Christianity in the second and third centuries But by the fourth century their writings had all but disappeared suddenly and mysteriously from the historical record as the newly consolidated imperial Christian Church condemned as heretical all forms of what has come to be known as Gnosticism Only in 1945 were their extensive original works finally rediscovered and the resurrected Gnostic Gospels soon rooted themselves in both the scholarly and popular imagination Valentinian Christianity Texts and Translations brings together for the first time all the extant texts composed by Valentinus and his followers With accessible introductions and fresh translations based on new transcriptions of the original Greek and Coptic manuscripts on facing pages Geoffrey S Smith provides an illuminating balanced overview of Valentinian Christianity and its formative place in Christian history *Deliver Us from Evil* Richard H. Bell,2007 My initial goal was to write a book on the defeat of Satan in New Testament theology covering all the witnesses of the New Testament using a title such as falling like lightning But it became evident that although the defeat of Satan is central to the exorcisms of the synoptic gospels many authors of the New Testament simply do not speak explicitly about a defeat of Satan For example Paul Ephesians and Colossians if they explicitly speak of the devil or allude to him speak instead of nbeing redeemed from the dominion of Satan I therefore moved more in the direction of considering how the human being is redeemed from the effects of Satan Preface *Rewritten Bible after Fifty Years: Texts, Terms, or Techniques?* József Zsengellér,2014-05-12 *Rewritten Bible After Fifty Years* presents the papers of a conference on the meanings and usages of the term *Rewritten Bible* introduced by Geza Vermes in 1961 Leading scholars of the topic discuss their new insights and ideas comparing with Vermes initiative whose participation on this conference was unfortunately the last chance for a life dialogue with him on this topic Apart from the terminological discussions and comparisons several case studies widen the scope of the notion of *Rewritten Bible* Scripture and rewriting as a genre and technique

This Engaging Realm of Kindle Books: A Thorough Guide Unveiling the Benefits of E-book Books: A World of Convenience and Flexibility E-book books, with their inherent mobility and ease of access, have liberated readers from the constraints of physical books. Gone are the days of lugging bulky novels or carefully searching for particular titles in bookstores. Separate God The Origins And Teachings Of Gnosticism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Separate God The Origins And Teachings Of Gnosticism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Separate God The Origins And Teachings Of Gnosticism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Separate God The Origins And Teachings Of Gnosticism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your

fingertips.

FAQs About Separate God The Origins And Teachings Of Gnosticism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Separate God The Origins And Teachings Of Gnosticism is one of the best book in our library for free trial. We provide copy of Separate God The Origins And Teachings Of Gnosticism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Separate God The Origins And Teachings Of Gnosticism. Where to download Separate God The Origins And Teachings Of Gnosticism online for free? Are you looking for Separate God The Origins And Teachings Of Gnosticism PDF? This is definitely going to save you time and cash in something you should think about.
