**Separated Brethren** William Joseph Whalen, 1972      Separated Brethren William Joseph Whalen, 1958      *Ecumenical Theology in Worship, Doctrine, and Life* David S. Cunningham, Ralph Del Colle, Lucas Lamadrid, 2000-01-06 This book presents twenty essays written in honor of the noted theologian and ecumenist Geoffrey Wainwright Cushman Professor of Christian Theology at Duke University The editors have assembled a remarkable international roster of contributors and have organized the volume around three major themes in Wainwright's work worship liturgy and mission Contributors include Nicholas Lossky Eberhard Jungel Dietrich Ritschl and Gunther Gassman      We Gather Together Neil J. Young, 2016 Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to the present day *We Gather Together* recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years      **The Ecumenical Movement** Michael Kinnamon, Brian E. Cope, 1996-12-31 Included in this collection of documents from the twentieth century ecumenical movement are passages from texts produced by assemblies conferences and studies of the World Council of Churches and similar bodies covering three areas of historical concern within modern ecumenism faith and order life and work and mission and evangelism      **The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Six** James Leo Garrett Jr., 2022-09-26 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950 2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 6 contains Garrett's writings on Roman Catholicism writings that arise from his own careful study of and interactions with the Catholic Church Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garrett Jr 1950 2015* will inform and inspire readers regardless of their religious or denominational affiliations      My Journal of the Council Yves Congar, 2012-12-31 Yves Congar was a theological advisor to the preparatory commission for Vatican II and attended all sessions of the Council 1962 1965 as a theological expert His daily journal provides a window into the Council's workings and into the development of what would become a series of historical documents and declarations Theologian Yves Congar silenced and exiled in 1955 was in 1960 made a theological

**Lutheran and Catholic Reconciliation on Justification** John A. Radano, 2009-07-28 After centuries of estrangement between Lutherans and Catholics new ecclesial relationships began at Vatican II and continued to develop during the following decades In this broader context Lutheran and Catholic Reconciliation on Justification traces the evolution of the 1999 Joint Declaration on the Doctrine of Justification While describing the steps that led to the Declaration and showing the Lutheran initiatives indispensable for making those steps John Radano pays particular attention to the Holy See's contributions

**Healing His Wounded Church** John Black, 2004-08 Healing His Wounded Church exposes the roots of the problems in the Catholic Church and brings fresh thinking to bear for laying the axe to those roots It is plainspoken authentically Catholic and rich in content Having a vision of healing come from the spiritual journey of a common layman provides new and innovative thinking It serves a pressing need in today's Church Couples have been led into sinful practices in their marriages Two generations no longer know their Faith Few understand the spiritual life and how to pray This formation is presented with practical simplicity for clergy and lay apostles as well as for couples and families It leans heavily on John Paul II's Theology of The Body and teachings on family and spiritual life There are several deeply personal surprises included which are an inspiration According to the author Catholic Culture has run aground and must rise from the ashes of Pagan Modernism spawned in a camp of death The book

calls for fidelity to Christ and to the teachings of his Church Only the salve of Truth will Heal His Wounded Church setting us free from sin and error      **Christian Ethics, Volume 2** Karl-Heinz Peschke,2012-08-21 This edition is once again a new thoroughly revised version of Christian Ethics II In some portions the subject matter has been reorganized more organically and recent theological developments and documents of the magisterium have been integrated New themes have been added others further developed such as deepening the concept and content of mission as well as ecumenical participation Also questions in bioethics have been supplemented such as the duty to preserve life topics of prenatal medicine reproductive and therapeutic cloning genetic alteration and euthanasia Other issues raised concern the discrimination against women civil marriage of homosexuals compassion in prison care the right of asylum humanitarian interventions the fostering of peace after conflicts empowerment of the poor in development projects and the treatment of animals The author hopes that this new edition will be a contribution to the ongoing aggiornamento of moral theology and that it will continue to meet the expectations of its readers      *The American Ecclesiastical Review* Herman Joseph Heuser,1963      **The Unexpected**

**Christian Century** Scott W. Sunquist,2015-09-29 In 1900 many assumed the twentieth century would be a Christian century because Western Christian empires ruled most of the world What happened instead is that Christianity in the West declined dramatically the empires collapsed and Christianity's center moved to Africa Asia Latin America and the Pacific How did this happen so quickly Respected scholar and teacher Scott Sunquist surveys the most recent century of Christian history highlighting epochal changes in global Christianity He also suggests lessons we can learn from this remarkable global Christian reversal Ideal for an introduction to Christianity or a church history course this book includes a foreword by Mark Noll      **Searching for Christian Unity** Cardinal Walter Kasper,2007 A collection of talks given during a conference near Rome marking the 40th anniversary of the Decree on Ecumenism of the Second Vatican council Unitatis redintegratio

### **The Principles of Hindu Law**

Jogendra Chunder Ghose,1917      **Witness To The World** David J. Bosch,2006-10-01 A great deal of uncertainty exists in the church as to what mission really is The shifts in political power away from the traditionally Christian West the call for a moratorium and the other critical voices from the Third World churches and the increasing self assurance and missionary consciousness among adherents of non Christian religions all these have given rise to the question whether Christian mission work still makes sense and if it does what form it should take Is mission identical to evangelism in the sense of proclaiming eternal salvation Does it include social and political involvement and if so how Where does salvation take place only in the Church or in the individual or in society or in the world or in the non Christian religions The picture is one of change and complexity tension and urgency The answers we give to these questions must be consonant with the will of God and relevant to the situation in which we find ourselves
