

SEPARATING THE MEN FROM THE BOYS

THE FIRST HALF-CENTURY OF THE CAROLINA LEAGUE

JIM L. SUMNER

Separating The Men From The Boys The First Halfcentury Of The Carolina League

Robert F. Burk

Separating The Men From The Boys The First Halfcentury Of The Carolina League:

Separating the Men from the Boys Jim L. Sumner, **Separating the Men from the Boys** James Sumner, 1994 Tells the story of the Carolina League from its founding as a predominately North Carolina circuit during World War II Over its first 50 years it is recognized by fans and players alike as a fast track to the majors **Minor League Baseball** Frank Hoffmann, Rebecca S Kraus, Martin J Manning, 2012-10-12 Examine the big league benefits of minor league baseball The Minor League Baseball Community Building Through Hometown Sports examines the role played by minor league baseball in hundreds of cities and towns across the United States Written from the unique perspective of a sociologist who also happens to be an avid baseball fan the book looks at the contributions minor league teams make to the quality of life in their communities creating focal points for spirit and cohesiveness while providing opportunities for interaction and entertainment The book links theory and experience to present a sociology of baseball that explains the symbiotic relationship which brings people together for a common purpose to root root root for the home team From the author Minor league baseball is played across the country in more than 100 very different communities These communities seem to share a special bond with their teams As with all sports teams there is a symbiotic relationship between the team and the city or town that it represents In the case of major league professional sports the relationship is often fueled by economic outcomes On the minor league level the relationship appears to go beyond mere money and prestige Minor league teams occupy a special place in our hearts We are more forgiving when they lose and extremely proud of them when they win Minor League Baseball Community Building Through Hometown Sports is a detailed look at the connection between town and team including economic benefits development strategies community growth intangible benefits ballpark camaraderie hometown pride fan attachment and attendance demographic variables stadium accessibility home court advantage case studies of two Maryland minor league franchises the Class AA Bowie Baysox and the Class A Hagerstown Suns Minor League Baseball Community Building Through Hometown Sports also includes an introduction to the organizational structure of the minor leagues a history of each current league and charts and tables on attendance figures and franchise relocations This book is essential reading for sociologists sport sociologists historians academics and or practitioners in the fields of community sociology and psychology and of course baseball fans **The Curt Flood Story** Stuart L. Weiss, 2007-06-01 Curt Flood former star center fielder for the St Louis Cardinals is a hero to many for selflessly sacrificing his career to challenge the legality of baseball's reserve system Although he lost his case before the Supreme Court he has become for many a martyr in the eventually successful battle for free agency Sportswriters and fans alike have helped to paint a picture of Flood as a larger than life figure a portrait that unhappily cannot stand closer inspection This book reveals the real Curt Flood more man than myth Flood stirred up a hornet's nest by refusing to be traded from the Cardinals to the Philadelphia Phillies after the 1969 season arguing that Major League Baseball's reserve system reduced him to the status of bondage Flood decided to resist a system

in which his contract could be traded without his consent and in which he was not at liberty to negotiate his services in an open market Stuart Weiss examines the man behind the decision exploring the span of Flood's life and shedding light on his relationships with those who helped shape his determination to sue baseball and providing a new perspective on the lawsuit that found its way to the U S Supreme Court Although a superb player Flood was known to be temperamental and sensitive in suing Major League Baseball he transformed his grievances against the Cardinals front office into an attack on how the business of big league ball was conducted Weiss shows that Flood was far from the stereotypical dumb jock but was rather a proud multifaceted black man in a business run by white moguls By illuminating Flood's private side rarely seen by the public he reveals how Flood misled a gullible press on a regular basis and how his 1971 memoir *The Way It Is* didn't tell it the way it really was Drawing on previously untapped sources Weiss examines more fully and deeply than other writers the complexities of Flood's decision to pursue his lawsuit and demonstrates that the picture of Flood as a martyr for free agency is a myth He suggests why of all the players traded or sold through the years it was Flood who brought this challenge Weiss also explains how Flood's battle against the reserve system cannot be understood in isolation from the personal experiences that precipitated it such as his youth in a dysfunctional home his troubled first marriage his financial problems and his unwavering commitment to the Cardinals *The Curt Flood Story* is a realistic account of an eloquent man who presented a warm even vulnerable face to the public as well as to friends while hiding his inner furies It shows that Flood was neither a hero nor a martyr but a victim of unique circumstances and his own life

The Middle Atlantic League, 1925-1952 William E. Akin, 2015-08-13 The small and midsized cities of western Pennsylvania Ohio and West Virginia reached their peaks of population and prosperity in the second quarter of the 20th century The baseball teams from these towns formed the Middle Atlantic League the strongest circuit in the low minors and the one with the most alumni to advance to the majors This thorough history chronicles the MAL through three distinct phases from its 1925 inaugural season to its dissolution in 1952 During the first several seasons most clubs hung one step from financial disaster despite support from local communities Then the league flourished during the Great Depression as president Elmer Daily magically found investors and night baseball boosted working class attendance Now enjoying a modicum of financial stability and an infusion of young talent the clubs became talent farms for major league teams Both the league and its cities went into decline as the country underwent seismic cultural and economic shifts following World War II

All American Bill Crawford, 2008-04-21 *All American* is riveting and grand that rare pairing of exquisite writing and unassailable research Crawford delivers you to an age when iconic titans like Jim Thorpe and Pop Warner marched across the planet and he is the perfect guide to their enormous triumphs and tragedies This is epic American history at its page turning finest Bill Minutaglio author of *City on Fire* and *First Son* George W Bush and the Bush Family Dynasty He was the greatest football running back of his era leading his Carlisle Indian Industrial School team to victory over all the great college powerhouses King Gustav of Sweden called him the

greatest athlete in the world after he won gold medals for the decathlon and pentathlon at the 1912 Olympic Games Yet Jim Thorpe was also at the center of the greatest sports scandal of the twentieth century a scandal that took away his Olympic medals and banned him forever from intercollegiate sports Now in this revealing new biography Bill Crawford captures Jim Thorpe s remarkable rise and fall From his youth on Oklahoma s Sac and Fox Indian reservation to his astounding feats on the gridiron from his Olympic triumphs to his complex relationship with coach Pop Warner who mentored exploited and ultimately betrayed him All American brings you up close and personal with the greatest athlete of the twentieth century

A Well-Paid Slave Brad Snyder,2007-09-25 A captivating look at how center fielder Curt Flood s refusal to accept a trade changed Major League Baseball forever After the 1969 season the St Louis Cardinals traded their star center fielder Curt Flood to the Philadelphia Phillies setting off a chain of events that would change professional sports forever At the time there were no free agents no no trade clauses When a player was traded he had to report to his new team or retire Unwilling to leave St Louis and influenced by the civil rights movement Flood chose to sue Major League Baseball for his freedom His case reached the Supreme Court where Flood ultimately lost But by challenging the system he created an atmosphere in which just three years later free agency became a reality Flood s decision cost him his career but as this dramatic chronicle makes clear his influence on sports history puts him in a league with Jackie Robinson and Muhammad Ali The Washington Post

Fiery Fast-Baller Wint Capel,2001-06-24 Johnny Allen didn t particularly want to but as a young man he resumed attending Sunday school This made him eligible to play outfield in a church baseball league It was the right thing to do In a few years he was pitching in the major leagues The book Fiery Fast Baller traces how this superb self trained athlete made his own way from an upbringing in a North Carolina orphanage to the pinnacle of big time baseball He was the game s top rookie after joining the New York Yankees in 1932 and set pitching records while with the Cleveland Indians in 1937 and 1938 His career paralleled that of Babe Ruth a good friend of his The book could not help wondering why Allen never has been admitted to the National Baseball Hall of Fame Maybe it s because as someone driven to win time and again he fought and argued with managers umpires club owners and other players He made himself memorable as Jawin Jawn one of baseball s most colorful characters

Tales from the Dugout Tim Hagerty,2023-03-28 Tales from the Dugout collects the zaniest Minor League stories Given its long history it is no surprise that the game has encountered some bizarre things over the years This humorous and outlandish collection of stories is sourced from newspaper archives and the Baseball Hall of Fame Library in Cooperstown New York and includes a foreword by former MLB All Star Billy Butler Whether you re a baseball fanatic or just a fan of sports history this book captures the spirit of the game

Much More Than a Game Robert F. Burk,2003-01-14 To most Americans baseball is just a sport but to those who own baseball teams and those who play on them our national pastime is much more than a game In this book Robert Burk traces the turbulent labor history of American baseball since 1921 His comprehensive readable account details the many battles between owners and players that

irrevocably altered the business of baseball During what Burk calls baseball's paternalistic era from 1921 to the early 1960s the sport's management rigidly maintained a system of racial segregation established a network of southern based farm teams that served as a captive source of cheap replacement labor and crushed any attempts by players to create collective bargaining institutions In the 1960s however the paternal order crumbled eroded in part by the civil rights movement and the competition of television As a consequence in the inflationary era that followed both players and umpires established effective unions that successfully pressed for higher pay pensions and greater occupational mobility and then fought increasingly bitter struggles to hold on to these hard won gains

Minor Leagues, Major Boom Jon C. Stott, 2016-04-18 In 1990 25.2 million people watched minor league baseball games In 2001 that number had increased to 38.8 million thanks in large part to the new minors In addition to the die hard fans families and business associates and church social and school groups come to eat crab cakes and sushi and drink lattes take in the between inning contests such as Race the Mascot see entertainers such as the Blues Brothers of Wisconsin and watch post game fireworks This book examines the concept of the new minors as it has developed over the past fifteen years Part One traces and analyzes the changes in the organization and operation of minor league franchises and the shifting relationship between the majors and the members of the National Association Part Two focuses on the people places and events of the 2003 season and playoffs Special attention is paid to the personnel of the minor league franchises the coaches and players the player development departments of the major league clubs and the relationships between them Part Three offers general observations about the future of the new minors The Edmonton Trappers of the Pacific Coast League the Rancho Cucamonga Quakes of the California League the Billings Mustangs of the Pioneer League the El Paso Diablos of the Texas League the Lansing Lugnuts of the Midwest League and the Mahoning Valley Scrappers of the New York Pennsylvania League are highlighted

A Game of Inches Peter Morris, 2006-03-23 Vol 1 concentrates on the game on the field vol 2 concerns itself with ballparks fans marketing statistics the building of teams and other related aspects of the business and institution

Cigarettes, Inc. Nan Enstad, 2018-12-10 Traditional narratives of capitalist change often rely on the myth of the willful entrepreneur from the global North who transforms the economy and delivers modernity for good or ill to the rest of the world With Cigarettes Inc Nan Enstad upends this story revealing the myriad cross cultural encounters that produced corporate life before World War II In this startling account of innovation and expansion Enstad uncovers a corporate network rooted in Jim Crow segregation that stretched between the United States and China and beyond Cigarettes Inc teems with a global cast from Egyptian American and Chinese entrepreneurs to a multiracial set of farmers merchants factory workers marketers and even baseball players jazz musicians and sex workers Through their stories Cigarettes Inc accounts for the cigarette's spectacular rise in popularity and in the process offers nothing less than a sweeping reinterpretation of corporate power itself

Cracks in the Outfield Wall Chris Holaday, 2024-04-05 The best known story of integration in baseball is Jackie Robinson who broke the major

league color line in 1947 after coming up through the minor leagues the previous year His story however differs from those of the many players who integrated the game in the Jim Crow South at all professional levels Chris Holaday offers readers the first book length history of baseball s integration in the Carolinas showing its slow and unsteady progress narrating the experience of players in a range of distinct communities detailing the influence of baseball executives at the local and major league levels and revealing that the changing structure of the professional baseball system allowed the major leagues to control integration at the state level Holaday illuminates many smaller stories along the way including desegregation in Little League and American Legion baseball the first Black players to play in the tiny foothills town of Granite Falls North Carolina and the pipeline of Afro Cuban players from Havana to the Carolina leagues By showing how race and the national pastime intersected at the local level Holaday offers readers new context to understand the long struggle of equality in the game

Brushing Back Jim Crow Bruce Adelson,1999 Adelson interviews dozens of athletes managers and sportswriters to chronicle the social plight of the presence of African American ballplayers in the minor leagues 20 illustrations **The Encyclopedia of Minor League Baseball** Lloyd Johnson,Miles Wolff,2024-12-26 When the pandemic hit in early 2020 baseball s minor leagues cancelled their seasons A few independent leagues tried abbreviated schedules but all Major League affiliates shut down for the first time in more than 120 years Since then Major League Baseball has taken over governance of the minors and leagues and teams have been eliminated In its fourth and final edition this book gives a complete accounting of the minor leagues as they were known from the late 19th century through 2019 **The North Carolina Historical Review** ,1995 *Professional Baseball in North Carolina* J. Chris Holaday,2015-09-11 Hundreds of major leaguers including the Hall of Fame s Hank Greenburg Johnny Mize Rod Carew Carl Yastrzemski and Joe Morgan got their starts in North Carolina where baseball has been a fixture in the state for nearly 100 years in Charlotte and Durham whose Bulls were in the 1988 film Bull Durham as well as Red Springs and Snow Hill Following an historical statewide overview year by year summaries and histories are provided for each of the 72 towns from Albemarle to Zebulon Notable players and club records are listed for each year and the causes for the rise and fall of baseball in the different towns are discussed Biographies of 20 prominent minor leaguers are included as is an appendix of nearly 2 000 major leaguers who played for a North Carolina team The state s Negro League and textile league histories are also related *Tennessee Librarian* ,1995 *Small Press* ,1994

Separating The Men From The Boys The First Halfcentury Of The Carolina League Introduction

In todays digital age, the availability of Separating The Men From The Boys The First Halfcentury Of The Carolina League books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Separating The Men From The Boys The First Halfcentury Of The Carolina League books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Separating The Men From The Boys The First Halfcentury Of The Carolina League books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Separating The Men From The Boys The First Halfcentury Of The Carolina League versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Separating The Men From The Boys The First Halfcentury Of The Carolina League books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient

and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Separating The Men From The Boys The First Halfcentury Of The Carolina League books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Separating The Men From The Boys The First Halfcentury Of The Carolina League books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Separating The Men From The Boys The First Halfcentury Of The Carolina League books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Separating The Men From The Boys The First Halfcentury Of The Carolina League books and manuals for download and embark on your journey of knowledge?
