## What is the Social Work Licensure Compact?

The Social Work Licensure Compact is an interstate occupational licensure compact. Interstate compacts are constitutionally authorized, legislatively enacted, legally binding agreements among states. This compact will enable regulated social workers with bachelor's, master's and clinical licenses to serve clients in every state that joins the compact, rather than going through the licensure process in every state where they want to practice. Like the compact for a driver's license, each Social Work Licensure Compact member state agrees to mutually recognize the licenses issued by every other member state.
