Separatism Democracy And Disintegration

Francis Pike

Separatism Democracy And Disintegration:

Separatism Metta Spencer, 1998 As we approach the millennium the world is experiencing civil wars exclusively half of which are being waged over the issue of secession This book offers a comparative view of nine historic separatist movements some of which have achieved the break up of an empire or a state and others that to date have not Separatist struggles occur in waves that tend to coincide with upsurges of democratization Several chapters explore this connection making comparisons with economic and geopolitical causes The authors analyze the long term effects of secession after partition ethnic strife typically continues for generations minorities decline in status and democracy and human rights are derogated The break up of one state often leads to further fragmentation as in the disintegration of the Ottoman Austro Hungarian and Russian empires where years later separatism unfolded in the successor states of Yugoslavia Czechoslovakia Palestine Chechnya and Tatarstan The authors attribute much of today's separatism to the demagoguery of politicians losing legitimacy in post communist states for whom nationalism is a convenient populist ideology A broader explanation however points to the failure of modern democracies to develop constitutional mechanisms reconciling the expression of particularistic identities with the universalism of citizenship The book reviews proposals toward that end

Territorial Separatism in Global Politics Damien Kingsbury, Costas Laoutides, 2015-03-05 This volume examines the various aspects of territorial separatism focusing on how and why separatist movements arise Featuring essays by leading scholars from different disciplinary perspectives the book aims to situate the question of separatism within the broader socio political context of the international system arguing that a set of historical events as well as local regional and global dynamics have converged to provide the catalysts that often trigger separatist conflicts In addition the book marks progress towards a new conceptual framework for the study of territorial separatism by linking the survival of communities in international politics with the effective control of territory and the consequent creation of new polities Separatist conflicts challenge conventional wisdom concerning conflict resolution within the context of international relations by unpacking a number of questions with regard to conflict transformation Through the use of case studies including Cyprus the Rakhine state in Myanmar the Shia separatism in Iraq the Uighurs in China and the case of East Timor the volume addresses key issues including the role of democracy international law intervention post conflict peacebuilding and the creation of new political entities The book will be of much interest to students of Intra State Conflict Conflict Resolution International Law Security Studies and International Relations

Dissolution Edward W. Walker, 2003 In December 1991 the Soviet Union passed into history as a legal entity breaking apart into 15 successor states This clear and convincing book explains why It emphasizes the critical role of Soviet ethno federalism as well as the normative claims and legitimizing myths of Soviet nationality policy Institutional constraints and legitimizing myths Walker argues empowered the anti union opposition even in republics where it had limited popular support He also shows how they helped bring about an outcome the full dissolution of the USSR that surprisingly few

desired The Wars Within Robin M. Williams, 2018-05-31 In *The Wars Within* Robin M Williams Jr brings together decades of thought about ethnic conflicts in an effort to better understand their dynamics and to lessen their disastrous consequences Williams presents a worldwide perspective conscious that many studies of ethnicity focus primarily on the United States The stakes of struggles can involve both material resources such as oil diamonds and gold and sociocultural goods such as group status and cultural distinctiveness Ethnic conflict Williams finds can be portrayed as a set of dynamic processes that may escalate from restrained confrontations over limited issues to devastating ethnic warfare and genocide Throughout Williams attends to present day realities and continually reminds readers that ethnic conflict has human significance and lasting effects His analysis implies that the military and political behavior of the United States profoundly affects whether faraway places attempt ethnic cooperation or shatter into deadly conflict *The Wars Within* ends on a note of mild hope as Williams provides an overview of ways to prevent moderate or resolve severe intrastate violence **Putin** Richard Sakwa, 2007-11-13

The new edition of this extremely well received political biography of Vladimir Putin builds on the strengths of the first edition to provide the most detailed and nuanced account of the man his politics and his profound influence on Russian politics foreign policy and society New to this edition analysis of Putin s second term as President more biographical information in the light of recent research detailed discussion of changes to the policy process and the lites around Putin developments in state society relations including the conflicts with oligarchs such as Khodorkovsky review of changes affecting the party system and electoral legislation including the development of federalism in Russia details on economic performance under Putin including more discussion of the energy sector and pipeline politics Russia s relationship with NATO after the big bang enlargement EU Russian relations after enlargement and Russia s relations with other post Soviet states the conclusion brings us up to date with debates over the question of democracy in Russia today and the nature of Putin s leadership and his place in the world Putin is essential reading for all scholars and students of Russian politics

The Soviet Union Tania Raffass, 2012 The Soviet Union is often characterised as nominally a federation but really an empire liable to break up when individual federal units which were allegedly really subordinate colonial units sought independence This book questions this interpretation revisiting the theory of federation and discussing actual examples of federations such as the United States arguing that many federal unions including the United States are really centralised polities It also discusses the nature of empires nations and how they relate to nation states and empires and the right of secession highlighting the importance of the fact that this was written in to the Soviet constitution It examines the attitude of successive Soviet leaders towards nationalities and the changing attitudes of nationalists towards the Soviet Union Overall it demonstrates that the Soviet attitude to nationalities and federal units was complicated wrestling in a similar way to many other states with difficult questions of how ethno cultural justice can best be delivered in a political unit which is bigger than the national state *The Self-determination of Peoples* Wolfgang F. Danspeckgruber, 2002 Focusing especially on the era

since the Cold War political scientists other scholars and government officials examine both empirically and conceptually the causes and impacts of people striving for self determination and autonomy They consider the legal political administrative ethnic cultural economic and strategic dimensions and try to consider examples from all major regions Annotation c Book News Inc Portland OR booknews com

Sovereignty and Diversity Miodrag Jovanović, Kristin Henrard, 2008 Disputes about sovereignty mainly arise in those cases where fundamental rights are infringed or democratic participation denied on account of the citizens membership in certain ethno cultural minority groups Moreover the fact that serious challenges to sovereignty can be detected even in ethno culturally diverse polities which by all standards qualify as fairly just liberal democracies can only mean that the complex relationship between sovereignty and the diversity challenge is in need of serious consideration and analysis By observing sovereignty and diversity through the lens of a broader liberal democratic doctrine this book sets out plausible strategies to cope with the problems that evolve from this issue *Sovereignty and Diversity* is divided into three parts In Part I various normative theories of secession are evaluated both in relation to philosophy and to political science Furthermore the value and possible role of the *uti possidetis* principle is discussed Part II addresses the value of various other methods to accommodate population diversity as means to solve disputes over sovereignty namely multiculturalism federalism and decentralization as well as minority rights Finally Part III groups together three case studies the first two dealing with the secession and partition theme while the last one shows the potential of other less controversial means to address tensions about sovereignty This volume is a collection of updated papers presented at the University of Belgrade in July 2005 at the international conference *Legal and Political Solution to Disputes over Sovereignty From Kosovo to Quebec*

Constitutionalizing Secession in Federalized States Miodrag A. Jovanović, 2007 This book is a thorough and professional study about secession Starting from the perspective of contemporary political philosophy the book explores the relevance of this issue for the theory and practice of federalism as well as its status under current public international law and concludes with a comparative constitutional analysis of the subject matter In the final chapter it provides a constitutionalized procedure of secession based on fundamental liberal democratic values The book argues that a liberal democratic response to the secession controversy might consist of the constitutionalization of a right to secession While a number of recent works in political theory point to the fact that under certain circumstances the moral right of a group to secession should be recognized only a few of them are ready to defend the institutionalization of that right through the instruments of constitutional law This topical and thought provoking book is a welcome contribution to the ongoing debate on secession and will be of interest to academics in a variety of disciplines such as law history politics international relations philosophy and applied ethics and to politicians and constitution drafters

Encyclopedia of Violence, Peace, and Conflict, 2008-09-05 The 2nd edition of *Encyclopedia of Violence Peace and Conflict* provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly

regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world

Restoring Justice after

Large-scale Violent Conflicts Ivo Aertsen, Jana Arsovska, Holger-C Rohne, Marta Valiñas, Kris Vanspauwen, 2013-05-13 This book provides a comparative analysis of the potential of restorative justice approaches to dealing with mass victimization in the context of large scale violent conflicts focusing on case studies from Kosovo Israel Palestine and Congo incorporating contributions from leading authorities in these areas One of the main objectives of the book is to examine if how and to what extent restorative justice is applicable in various different cultural social and historical contexts and what common themes can be identified within the different regions under analysis The book will also provide a critical analysis of the UN Basic Principles on the use of restorative justice programmes in criminal matters as applied to the context of large scale violence

Kurds Under Threat Deniz Gumustekin, 2021-08-30 Previous researches examine how transnational ethnic ties impact the relationship between host states and diaspora and why states and ethnic minorities in the diaspora may occasionally support violent rebel organizations in the homeland However these previous studies do not really consider the relationships among co ethnic organizations without a homeland government This book tackles the following important questions How and when do co ethnic Kurdish organizations provide open support for each other during conflict peace cycle events Moreover do external threats impact the relationship among co ethnic organizations The aim of this research is to identify the causal factors that influence the transnational networks between Kurdish organizations Research findings reveal that political rationality and external threats seem to be stronger predictors of political behavior than ethnic ties in the Kurdish case This study helps

scholars and policy makers to evaluate the impact of transnational networks between co ethnic Kurdish organizations in cases of civil war which may play a crucial role in the escalation and de escalation of international conflicts In addition this research helps to understand the role of co ethnic organizations in building sustainable peace in areas of conflict

Empires at War Francis Pike,2011-02-28 Asia with four billion people almost two thirds of the world s population a huge landmass and the fastest growing economies has in the past decade transformed the geopolitical global balance Empires at War gives a dramatic narrative account of how this Modern Asia came into being Taking the bombing of Hiroshima on 6th August 1945 as its starting point Francis Pike chronicles the modern fortunes of fourteen Asian countries The iconic figures of post World War II Asia Mao Gandhi Nehru Ho Chi Minh Kim Il Sung General MacArthur and Lord Mountbatten figure prominently but so also do a great many lesser known but pivotal figures Francis Pike weaves the dramatic events and episodes of the region the great battles between American and Soviet backed forces in Korea and Vietnam but also episodes such as Indian Partition Japan s Lost Decade Indonesia s Year of Living Dangerously and Cambodia s Killing Fields into a coherent whole which forms the essential guide to the history of modern Asia French North America in the Shadows of Conquest

Ryan André Brasseaux,2020-12-29 French North America in the Shadows of Conquest is an interdisciplinary postcolonial and continental history of Francophone North America across the long twentieth century revealing hidden histories that so deeply shaped the course of North America Modern French North America was born from the process of coming to terms with the idea of conquest after the fall of New France The memory of conquest still haunts those 20 million Francophones who call North America home The book re examines the contours of North American history by emphasizing alliances between Acadians Cajuns and Qu b cois and French Canadians in their attempt to present a unified challenge against the threat of assimilation linguistic extinction and Anglophone hegemony It explores cultural trauma narratives and the social networks Francophones constructed and shows how North American history looks radically different from their perspective This book presents a missing chapter in the annals of linguistic and ethnic differences on a continent defined in part by its histories of dispossession It will be of interest to scholars and students of American and Canadian history particularly those interested in French North America as well as ethnic and cultural studies comparative history the American South and migration

Media as Politics in South Asia Sahana Udupa,Stephen McDowell,2017-07-14 The dramatic expansion of the media and communications sector since the 1990s has brought South Asia on the global scene as a major center for media production and consumption This book is the first overview of media expansion and its political ramifications in South Asia during these years of economic reforms From the puzzling liberalization of media under military dictatorship in Pakistan to the brutal killings of journalists in Sri Lanka and the growing influence of social media in riots and political protests in India Nepal and Bangladesh the chapters analyse some of the most important developments in the media fields of contemporary South Asia Attentive to colonial histories as well as connections within and beyond South Asia in the

age of globalization the chapters combine theoretically grounded studies with original empirical research to unravel the dynamics of media as politics The chapters are organized around the three frames of participation control and friction They bring to the fore the double edged nature of publicity and containment inherent in media thereby advancing postcolonial perspectives on the massive media transformation underway in South Asia and the global South more broadly For the first time bringing together the cultural regulatory and social aspects of media expansion in a single perspective this interdisciplinary book fills the need for overview and analytical studies on South Asian media

Military Intervention and Secession in South Asia Anne N. Dos Santos, 2007-10-30 From Chechnya in Russia to Kashmir in India to the Basque region in Spain secessionist movements remain a serious threat to international security Despite the importance of this issue the causes that bring about external military intervention in a secessionist war have not until now been adequately addressed In this book Dos Santos identifies the conditions that make international military intervention in a secessionist war more or less likely South Asia being fraught with secessionist movements Bangladesh Sri Lanka Kashmir and Punjab provides an ideal laboratory for the examination of this compelling issue Dos Santos argues that a shift in the balance of power between a secessionist group and its central government will lead to a preventive war on the secessionists by the central government In turn a preventive war of this nature may lead to an alliance between the secessionist group and an external power The stronger the alliance the greater the chances of an international military intervention Understanding the conditions under which secessionist movements expand become secessionist wars and invite international military intervention on behalf of the secessionists has strong policy implications It can go a long way toward guiding policymakers who may want to mitigate or avoid these conditions in their states Dos Santos views both states and secessionist groups as primary actors and she examines both the distribution of power among states and the balance of power between central government and groups within states

Conflict Management and Resolution in South Sudan Nelson Alusala, Emmaculate Asige Liaga, Martin Revai Rupiya, 2023-08-08 This book analyses the main events and turning points in the building of pre and post independent South Sudan It covers the historical perspectives of the country its key political mediation and negotiation processes peace and security socio economic development and gender as well as conflict and reconstruction Many African states are products of compromised peace settlements and power sharing agreements following violent and protracted conflicts between colonial occupying powers armed groups and nation states This is the same route that Africa s youngest nation South Sudan traversed before attaining independence in July 2011 This edited volume is an innovative collection that serves as a complete reading on South Sudan from the pre independent to post independent realities of the political military and inter ethnic conflicts and the negotiations to resolve them It is a step by step account of the major events that mark the history as well as the contemporary occurrences in South Sudan The book offers guidance on how to sustainably end armed conflict in Africa by tackling four broad themes that include the historical analysis of the conflict political issues peace and security and

gender justice and contemporary dynamics The book presents a gendered approach to arguments while also reflecting gender equity in terms of the book authorship Academics researchers and specialists in the field of conflict management and resolution as well as security studies will find this book useful Contested States in World Politics D.

Geldenhuys,2009-04-22 This book investigates a phenomenon in world politics that is largely overlooked by scholars namely entities lacking international recognition of their status as independent states It includes case studies on the Eurasian Quartet Kosovo Somaliland Palestine Northern Cyprus Western Sahara and Taiwan **Dangerous Strait** Nancy Bernkopf Tucker,2005 Dangerous Strait provides fresh perspectives on the complex political economic and strategic issues of the Taiwan Strait Essays examine a variety of topics which include the movement for independence and its place in Taiwanese domestic politics the underlying weaknesses of democracy in Taiwan and the significance of China and Taiwan s economic interdependence In the area of security contributors provide incisive critiques of Taiwan s incomplete military modernization the strains in U S Taiwan relations and their differing interpretations of China s intentions and the misguided inclination to abandon Washington s traditional policy of strategic ambiguity **Creating New States** Aleksandar Pavkovic,Peter Radan,2016-05-13 Secession is the creation of a new independent state out of an existing state This key volume examines the political social and legal processes of the practice of secession Following an analysis of secessionist movements and their role in attempts at secession eight case studies are explored to illustrate peaceful violent sequential and recursive secessions This is followed by a look at the theoretical approaches and a discussion that focuses on the economic causes Normative theories of secession are discussed as well as the status of secession in legal theory and practice The book systematizes our present knowledge of secessions in an accessible way to readers not familiar with the phenomenon and its consequences It is ideal as a supplementary text to courses on contemporary political and social movements applied ethics and political philosophy international relations and international law state sovereignty and state formation

Separatism Democracy And Disintegration Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Separatism Democracy And Disintegration PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Separatism Democracy And Disintegration PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Separatism Democracy And Disintegration free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Separatism Democracy And Disintegration Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Separatism Democracy And Disintegration is one of the best book in our library for free trial. We provide copy of Separatism Democracy And Disintegration in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Separatism Democracy And Disintegration. Where to download Separatism Democracy And Disintegration online for free?

Are you looking for Separatism Democracy And Disintegration PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Separatism Democracy And Disintegration. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Separatism Democracy And Disintegration are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Separatism Democracy And Disintegration. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Separatism Democracy And Disintegration To get started finding Separatism Democracy And Disintegration, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Separatism Democracy And Disintegration So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Separatism Democracy And Disintegration. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Separatism Democracy And Disintegration, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Separatism Democracy And Disintegration is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Separatism Democracy And Disintegration is universally compatible with any devices to read.
