Separatism And Womens Community:

Separatism and Women's Community Dana R. Shugar, 1995-01-01 This is the kind of book I've been looking for Bonnie Zimmerman author of *The Safe Sea of Women Lesbian Fiction* 1969 1989 The energy spent on all sides of debates about women's separatism demonstrates the vitality of separatism as an important issue Excited by the prospect that changes in their personal lives could reverberate through the nation many women have organized rural communes and urban business collectives putting ideas into practice *Separatism and Women's Community* reviews debates in separatist theory historical narratives by members of separatist collectives and utopian novels that envision how collectives might be formed Shugar compares the ideas and proposals of theorists including Robin Morgan Shulamith Firestone Joyce Cheney Joan Nestle Ti Grace Atkinson and the Radicalesbians with the experience of women from collectives as diverse as Cell 16 the Combahee River Collective the Gutter Dyke Collective the Seattle Collective the Bloodroot Collective and the Lavender Woman Collective of Chicago Despite the attempts to connect action and thought many women were ill prepared for the problems they found in collective life Women who theorized that oppression based on difference was a man made phenomenon were confronted by other women who challenged their racism classism or homophobia The community had to respond to these confrontations in ways that would strengthen rather than destroy their tentative connections with other women Dana R Shugar is an assistant professor of English and women's studies at the University of Rhode Island [Reader's Guide to Women's Studies](#) Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors *Sapphists and Sexologists; Histories of Sexualities* Mary McAuliffe, Sonja Tiernan, 2009-03-26 *Sapphists and Sexologists Histories of Sexualities* Volume II contributes to the ever evolving debates on lesbian lives and histories This volume includes a mixture of engaging essays from established and young scholars and opens with a succinct incisive and often comical take on lesbian lives relationships and cats by internationally esteemed scholar Sally R Munt Unique essays include the personal reflections on writing historical fiction by the celebrated author Emma Donoghue and an exclusive conversational record from Joan Nestle on her life loves and activism The scope of this collection is truly international a collaborative work of scholars from many different disciplines universities and countries The central theme of the book continues from the first volume *Tribades Tommies and Transgressives Histories of Sexualities* in its questioning of established histories of sexualities methodologies and theoretical practices *Disreputable Women* Christina Jessica Carney, 2025 *Disreputable Women* is a deeply transdisciplinary study of how black women use sex work and place making to claim economic bodily and sexual autonomy in a militarized city that is intent on displacing and caging them Christina Jessica

Carney distills the production of these disreputable women during two major twentieth century urban development processes in downtown San Diego where municipal police public health officials and even activists designated street involved sex workers and the places they congregated as blight Carney documents how some black women reconceptualized the public and private spheres by using residential hotels and multiuse commercial spaces for housing and work controlling their erotic economies and their sexual cultural lives She marks how discrete and explicit intellectual economic and political practices by black women complicate a dominant understanding of red light areas and black sex workers as undesirable contaminants to be cleaned out Instead her intuitive framework of disreputability offers a more ethical and workable approach to imagining the built environment and its inhabitants developing a rich and robust grammar for understanding black women s lives amid scenes of militarization and gendered anti blackness

Media Narratives in Popular Music Chris Anderton, Martin James, 2021-12-16 The historical significance of music makers music scenes and music genres has long been mediated through academic and popular press publications such as magazines films and television documentaries Media

Narratives in Popular Music examines these various publications and questions how and why they are constructed. It considers the typically linear narratives that are based on simplifications, exaggerations, and omissions and the histories they construct, an approach that leads to totalizing official histories that reduce otherwise messy narratives to one-dimensional interpretations of a heroic and celebratory nature. This book questions the basis on which these mediated histories are constructed, highlights other hidden histories that have otherwise been neglected, and explores a range of topics including consumerism, the production pressure behind documentaries, punk fanzines, Rolling Stones covers, and more. Lesbian Discourses Veronika Koller, 2008-02-19. The study represents the first book-length treatment of lesbian text and discourse, focusing on the changing notions of lesbian community as expressed in non-fictional texts published in the UK and the US between 1970 and 2004. **Feminist Revolution in Literacy** Junko Onosaka, 2013-10-14. This book examines the history of women's bookstores in the US from the 1970s to the 1990s. It establishes that women's bookstores played an important role in feminism by enabling the dissemination of women's voices and thereby helping to sustain and enrich the women's movement. They improved women's literacy, their abilities to read, write, publish, and distribute women's voices and visions, and helped women to instigate a feminist revolution in literacy. **Queer Frontiers** Joseph Allen Boone, 2000. Twenty-three scholars, artists, and critics forecast the impact of queer theory on the future of sexuality. Arguing that queer theory is poised to transform society's perception of gender itself, this anthology locates itself at the forefront of various debates both inside and outside the academy. Candida Royalle and the Sexual Revolution Jane Kamensky, 2024-03-12. Finalist for the 2024 National Book Critics Circle Award for Biography. Assiduously researched, elegantly written. Margaret Talbot, *The New Yorker*. Acclaimed historian Jane Kamensky chronicles an indelible twentieth-century American life and offers an entirely new understanding of the so-called sexual revolution. Whether in front of the camera or behind it, Candice Vadala understood herself as both an artist and an entrepreneur. As Candida Royalle, 1950-2015, underground actress, porn star, producer of adult movies, and staunch feminist, she made a business of pleasure. She helped crystalize the broader hedonistic turn in American life in the second half of the twentieth century, a period when the rules of sex were rewritten when the white-hot sex wars cleaved feminism and realigned American politics when Big Freud, Big Drugs, and Big Porn all came into looming focus when the sex industry of the 1970s and 80s radically upended conventional understandings of law, technology, culture, love, and human desire. The sexual revolution was Royalle's war, even when other avowed feminists exited the field or became her opponents, and pornography emerged as the arena in which she would wage it. With the founding of her adult film company, Femme Productions, in 1984, Royalle became an owner of the means of pornographic production, infusing her sets with the ideals of labor feminism. On screen and off, she was by turns exuberant and thoughtful, self-possessed and gleefully shameless. A trailblazer who lived along the cultural fault lines of her generation, she danced at Woodstock, marched for women's liberation, survived the AIDS crisis, and became a talk-show regular, interviewed by Phil Donahue, Dr. Ruth, Westheimer, Morton

Downey Jr Jane Pauley and many others As a performer director producer and writer she moved the needle of her industry But she never transcended the politics of pleasure With full access to Royale s remarkable archive historian Jane Kamensky has spent years examining the intersection of Royale s life with the clashes that have defined her era and ours Deeply informed by these never before studied materials Kamensky explodes the conventions of biography with its assumptions about who makes history and how Written with cinematic verve Candida Royale and the Sexual Revolution evokes Royale s times in their broadest contours as Kamensky traces the rise of an improbable heroine who broke the mold and was herself broken in turn

New Lesbian Criticism Sally Munt,1992 This volume explores whether there can be a specific lesbian aesthetic juxtaposed against reading as a woman or as a heterosexual Contributors both explore the uses of recent theories such as post structuralism and offer a lesbian critique of such methodologies Close readings of contemporary lesbian fiction and popular culture focus on works such as Zami Oranges Are Not the Only Fruit The Wanderground and Desert of the Heart as well as on lesbian pornography Together the essays point to lesbian culture s ability to create new meanings for itself and to foreground the intertextuality of lesbian identities Contributors Sonya Andemahr Lisa Henderson Hilary Hinds Katie King Reina Lewis Sally Munt Gillian Spraggs Angela Weir Anna Wilson Elizabeth Wilson and Bonnie Zimmerman
