C.A. Rene,2024-02-26 When I think of our past I don t imagine it as a love story Brooke Eastham was beautiful rich and completely out of my league but I was okay with that I knew where I belonged and where my family ranked on the ladder of success I wasn t looking to disrupt the order but Cape Cod in the summer held an aura of magic and every clear image and boundary was blurred by teenage inhibitions When the fog cleared we would step back into our rightful places until the magnetic vibrations in our hearts could no longer be ignored and we would snap back together The seed of our relationship was planted in the sand along the beach and the roots grew out to the ocean only to be swallowed up by the currents before it had a chance to bloom Our fates were so intricately intertwined the threads of our futures closely weaving together to make a tapestry of beautiful colors telling a story of young love loss and ultimately forgiveness This isn t an epic love story It s a tragic burn of lust fueled summers and cold lonely winters A cautionary tale of the heart s current as it drags you under the crashing waves of infatuation only to let you sink to the bottom of despair **Fighting Castro** Kay Abella,2007 Havana

1960 Lino Fernandez a young Cuban doctor and his wife Emy decide to fight Castro rather than flee into exile They work together in the underground traveling across Cuba to muster support for the guerilla movement Then Lino continues alone as Emy waits for the birth of their third child Now a major leader in the resistance group MRR movement to Recuperate the Revolution is able to see Emy only sporadically sneaking back to Havana for a few hours for the birth of their daughter Lucia Lino makes a number of trips into the Escambray Mountains where guerilla troops are training He finally arranges a long awaited arms drop by the CIA but is captured by the militia and taken to Cuban Security Police G 2 headquarters It is February 1961 He is 26 years old Both Emy and Lino believe he will be executed but hope for a prison sentence instead

Whatever happens to Lino Emy believes that their children one month one year and two years old cannot grow up in Cuba indoctrinated in Communism and treated as pariahs the children of a traitor At the age of 22 she makes the agonizing decision to send her children away to Miami with her parents and stay in Cuba to help Lino survive in prison If nothing else she will be with him if he is executed Lino is placed in several prisons until after a hunger strike he organized he is sent to the maximum security Ile of Pines prison on an island off the south coast of Cuba Already known as a troublemaker he is placed in solitary in a cage cell naked humiliated on starvation rations and exposed to searing sun and hurricanes He manages to keep his sanity by communicating with other prisoners through the wire ceilings of their cells During this time he learns from a telegram that his children are safe in Miami and Emy has stayed in Cuba After 100 days he is put into a cell block with 1200 other prisoners There he discovers a deep connection to others who fought Castro many from a world he never knew before farmers peasants manual workers Lino emerges as a leader not only in fact but in the respect shown him by other prisoners At Lino's trial he uses the one time he is permitted to speak to describe his reasons for opposing Castro despite prejudicing his case To Emy's relief he is sentenced not to death but to 30 years in prison He is returned to Ile of Pines where he and the others are subjected to brutal random attacks beatings and killings by guards Lino and other leaders are determined to keep up the morale and health of the political prisoners by creating as normal an existence as possible They organize a clinic a library classes sports anything to maintain the feeling that the years are not being thrown away They also manage to stay in contact via radio with the outside world and smuggle letters in and out of prison Visits by families and the supplies they bring are sporadic but become a lifeline for the prisoners The years at Ile of Pines are a series of assaults on the prisoners morale and safety At one point Castro wires the prison with dynamite in order to get rid of the Resistance fighters in case of another invasion like Bay of Pigs Lino experiences the 1962 missile crisis via the prisoners clandestine radio Later he helps prisoners survive the forced labor and random killings imposed by Castro Eventually Ile of Pines is closed and Lino is transferred to La Cabana prison near Havana In Havana Emy struggles to create a bearable life spending much of her time searching for the food and supplies Lino needs in prison Although she finds some support in working at the Egyptian embassy Emy is twice arrested for minor infractions and tried for crimes against the revolution She moves from one friend's house to another subject to harassment and discrimination her only comfort coming from her friendships with other wives of dissidents and with foreigners The couple's relationship grows through the rare visits and through passionate love letters smuggled in and out of prison Allowed no direct contact with her children Emy can only imagine their lives through news from friends who visit Miami and rare letters from her parents At La Cabana prison conditions are even worse men are crammed into dark stone gallerias with no space to move and no light or fresh air Steadfastly refusing to accept even symbolically the legitimacy of Castro's regime Lino leads several attempts at revolt ending in a hunger strike in which he comes close to death After seventeen years in prison and work camps Lino is released in the middle of the night with no

warning or explanation He makes his way to Havana where he is reunited with Emy However they are still forbidden to leave Cuba They settle down to create whatever existence they can in Havana desperate to be with their children and subject to many limitations and harassments One year later during a short thaw in relations with the U S Castro unexpectedly allows former political prisoners to have exit visas although there is no transport available A group of ex prisoners families in Miami send a charter plane and Lino and Emy are finally reunited with their children in Miami

Waiting Marya Hornbacher, 2011-05-18 For those who don't believe in God or don't know whether they believe New York Times best selling author Marya Hornbacher offers an insightful moving approach to the concept of faith Many of us have been trained to think of spirituality as the sole provenance of religion and if we have come to feel that the religious are not the only ones with access to a spiritual life we may still be casting about for what precisely a spiritual life would be without a God a religion or a solid set of spiritual beliefs In *Waiting* Hornbacher uses the story of her own journey beginning with her recovery from alcoholism to offer a fresh approach to cultivating a spiritual life Relinquishing the concept of a universal Spirit that exists outside of us Hornbacher gives us the framework to explore the human spirit in each of us the very thing that sends us searching that connects us with one another the thing that comes knocking at the door of our emotionally and intellectually closed lives and asks to be let in When we let it in and only when we do she says we begin to be integrated people and can walk a spiritual path There will be many points along the way where we stop or we fumble or we get tangled up or turned around Those are the places where we wait *Waiting* you'll discover can become a kind of spiritual practice in itself requiring patience acceptance and stillness Sometimes we do it because we know we need to though we may not know why In short we do it on faith
