

SERGEANT YORK AND HIS PEOPLE

BY SAM K. COWAN

The story is a remarkable, but as
told by the making of an American
Thousand Year War, which is
the story of the World War's great
achievement, a remarkable story, for it is
the story of a man who has been
known to the world for his heroism and
his love of his country and his people.
The story is a remarkable one, for it is
the story of a man who has been
known to the world for his heroism and
his love of his country and his people.

But the story which the world has
known is the story of a man who has
been known to the world for his heroism
and his love of his country and his people.
The story is a remarkable one, for it is
the story of a man who has been
known to the world for his heroism and
his love of his country and his people.

But the story which the world has
known is the story of a man who has
been known to the world for his heroism
and his love of his country and his people.
The story is a remarkable one, for it is
the story of a man who has been
known to the world for his heroism and
his love of his country and his people.

But the story which the world has
known is the story of a man who has
been known to the world for his heroism
and his love of his country and his people.
The story is a remarkable one, for it is
the story of a man who has been
known to the world for his heroism and
his love of his country and his people.

But the story which the world has
known is the story of a man who has
been known to the world for his heroism
and his love of his country and his people.
The story is a remarkable one, for it is
the story of a man who has been
known to the world for his heroism and
his love of his country and his people.
