Sergeant Rutledge:

The 50 Most Influential Black Films Torriano Berry, Venice T. Berry, 2001 A plentifully illustrated guide to the most popular and socially significant movies made for by and about African Americans from 1900 to today Also includes incisive interviews with Hollywood greats such as Ossie Davis and Ivan Dixon **How the West Was Sung** Kathryn M. Kalinak, 2007-09-17 James Stewart once said For John Ford there was no need for dialogue The music said it all This lively accessible study is the first comprehensive analysis of Ford s use of music in his iconic westerns Encompassing a variety of critical approaches and incorporating original archival research Kathryn Kalinak explores the director s oft noted predilection for American folk song hymnody and period music What she finds is that Ford used music as more than a stylistic gesture In fascinating discussions of Ford s westerns from silent era features such as Straight Shooting and The Iron Horse to classics of the sound era such as My Darling Clementine and The Searchers Kalinak describes how the director exploited music and especially song in defining the geographical and ideological space of the American West John Ford's Westerns William Darby, 2015-08-01 John Ford s early Westerns reflect an optimistic view of society and individual capacity as his thematic vision evolved he became more resigned to the limitations of humanity His thematic evolution was evident in other films but was best shown in his Westerns with their stark depictions of the human condition Ford s sound Westerns and his major silent films are compared in this work revealing how his creative genius changed over time A complete filmography of Ford s Westerns is also provided **Black Rodeo** Mia Mask, 2023-02-28 African American westerns have a rich cinematic history and visual culture Mia Mask examines the African American western hero within the larger context of film history by considering how Black westerns evolved and approached wide ranging goals Woody Strode s 1950s transformation from football star to actor was the harbinger of hard edged western heroes later played by Jim Brown and Fred Williamson Sidney Poitier s Buck and the Preacher provided a narrative helmed by a groundbreaking African American director and offered unconventionally rich roles for women Mask moves from these discussions to consider blaxploitation westerns and an analysis of Jeff Kanew s hard to find 1972 documentary about an all Black rodeo The book addresses how these movies set the stage for modern day westploitation films like Django Unchained A first of its kind survey Black Rodeo illuminates the figure of the Black cowboy while examining the intersection of African American film history and the western **Ethnicity, Sport, Identity** J. A. Mangan, Andrew Ritchie, 2004 This text deals with discrimination directed at those excluded from full participation in sport and the consequent struggle through sport for inclusion recognition and respect It deals also with sport as a source of cohesion between individuals and groups from persecuted ethnic minorities *Picturing Indians* Liza Black, 2022-12-20 Liza Black critically examines the inner workings of post World War II American films and production studios which cast American Indian extras and actors as Native people forcing them to come face to face with mainstream representations of Indianness *Militant Visions* Elizabeth Reich, 2016-08 *Militant Visions* examines how from the 1940s to

the 1970s the cinematic figure of the black soldier helped change the ways American moviegoers saw black men for the first time presenting African Americans as vital and integrated members of the nation In the process Elizabeth Reich reveals how the image of the proud and powerful African American serviceman was crafted by an unexpected alliance of government propagandists civil rights activists and black filmmakers Contextualizing the figure in a genealogy of black radicalism and internationalism Reich shows the evolving images of black soldiers to be inherently transnational ones shaped by the displacements of diaspora Third World revolutionary philosophy and a legacy of black artistry and performance Offering a nuanced reading of a figure that was simultaneously conservative and radical Reich considers how the cinematic black soldier lent a human face to ongoing debates about racial integration black internationalism and American militarism *Militant Visions* thus not only presents a new history of how American cinema represented race but also demonstrates how film images helped to make history shaping the progress of the civil rights movement itself

[The Westerns and War Films of John Ford](#) Sue Matheson, 2016-02-18 Responsible for some of the greatest films of the 20th century *The Grapes of Wrath* *How Green Was My Valley* and *The Quiet Man* among others John Ford was best known for motion pictures that defined the American West and the face of wartime military A Hollywood celebrity Ford lived his life against the background that Twentieth Century Fox fashioned for him As he did the facts of his life merged with and became inseparable from his multifaceted legend fostered by Hollywood's studio culture and his own imagination In *The Westerns and War Films of John Ford* Sue Matheson offers an engaging look at one of America's greatest directors and the two genres of films that solidified his reputation Drawing on previously unreleased material this volume explores the man the filmmaker the veteran and the legend and the ways in which all of those roles shaped Ford's view of America national character and his creative output Among the films discussed here in depth are Ford's early productions such as *The Iron Horse* and *Drums along the Mohawk* his military films such as *Submarine Patrol* *The Battle of Midway* and *They Were Expendable* and his Westerns including *Fort Apache* *She Wore a Yellow Ribbon* *The Searchers* and *Cheyenne Autumn* Ford imbued many of his creations with a point of view that represented his ideals and the films discussed here illustrate their director's distinct vision of American life on the frontier and in service of the country That vision Ford's idealization of the American Character would in turn shape the worldview of several generations *The Westerns and War Films of John Ford* will appeal to critics and scholars but also to any fan of this iconic filmmaker's work
