1880-[95]: 1891-1895 British Museum. Department of Printed Books, 1897 *Christmas Sermons: Seven Sermon Outlines on the Familiar Passages of the Christmas Season.* Edd Breeden, 2015-12-03 After forty years of preaching during the Advent season the story of Christmas never ceases to amaze me God in His great love came to earth to share with His creation the depth of His compassion and care for us But at the same time coming up with a new way to talk about that love year after year has been an ongoing task filled with frustration and joy The sermons in this book revolve around seven passages in the Bible although the amount of material here will give a preacher far more than seven sermons Each sermon outline has a

basic three or four points but each of those points have a multitude of ideas under each point The plan is for you to pick and choose the support items you believe will help you make your point for that Sunday and draw the application that you believe God desires the people in your congregation to hear These sermons were originally written for Christmas Eve providing a rotating set of sermons for that annual service They were added to each time I preached them and over the years came to the form and content they have at present They can be used in that manner or used during the advent season A few of the sermons have almost enough content to be used for four Sundays in the month long season of Advent The sermons offer large amounts of content numerous applications and a variety of different ideas about the various aspects of the Christmas Story Other sermons I have used and have stood the test of time will be available shortly in volume two of the Christmas Sermons Have a blessed time as you minister to your congregation at this and future Christmas Seasons *The Missionary Review*, 1902 The American Catalog, 1885 **Preaching with Power** Michael Duduit, 2006-07-01 For twenty years Preaching magazine has observed encouraged and reported on the state of Christian proclamation Among the most important and popular features of the publication are the personal interviews with outstanding preachers and influencers of preaching Preaching with Power combines the best of the most recent interviews to build a resource that imparts valuable insight from many gifted communicators Editor Michael Duduit has skillfully combined interviews with such luminaries as Bryan Chapell T D Jakes Haddon Robinson Rick Warren and more Each tells his own story in his own words speaking about his passion to preach God's truth Better than any volume currently available this collection captures the rich diversity and power of preaching in America **The Monthly Literary Advertiser**, 1834 Unleashing the Word Adam Hamilton, 2011-12-01 Imagine announcing a new series of sermons and seeing worship attendance increase by 1 000 people on the first Sunday of the new series Or consider a pastor developing sermon plans two to three years out What kind of pastor sits in a bar with a notepad just looking for ideas for sermons Or has as his aim to preach the best prepared best researched sermons his congregation has ever heard All of these and more explain part of the reason the United Methodist Church of the Resurrection has grown from four people to over 10 000 in just thirteen years In Unleashing the Word Adam Hamilton helps pastors and church leaders consider the purpose planning and execution of excellent preaching He offers detailed descriptions of the sermon planning writing and preaching process behind one of the fastest growing churches in the United States He includes numerous personal anecdotes and enough sermon ideas to keep the average pastor busy for years Finally after you have read how sermons are planned and prepared at the Church of the Resurrection you can watch the included DVD which features four full length sermons and other resources to help you apply what you've read in the book If you only buy one book on preaching this year this is the book you must buy
