Sermons From Duke Chapel Voices From A Great Towering Church:

Sermons from Duke Chapel William H. Willimon, 2005-03-02 Offers 57 diverse sermons preached in Duke Chapel by such notable figures as Billy Graham Paul Tillich and Barbara Brown Taylor and a fascinating analysis of the acoustic and visual challenges of preaching and listening at Duke Chapel **Decolonizing Preaching** Sarah Travis, 2014-11-13 Colonialism and imperialism continue to impact the personal and social identities of North American preachers and listeners In Decolonizing Preaching Sarah Travis argues that sermons have a role in shaping the identity and ethics of listeners by helping them formulate responses to empire and colonization Travis employs postcolonial theories to provide important insights for the practice of preaching today She also turns to the social doctrine of the Trinity to offer a vision of the divine human community that effectively deconstructs colonizing discourse This book offers preachers and other practical theologians a gentle introduction to colonial history postcolonial theories and Social Trinitarian theology while equipping them with tools to decolonize preaching and strategies for preventing resisting and responding to colonizing discourse Travis effectively casts a vision of a perichoretic space in which preacher and listener encounter the living God in Trinity and are transformed reconciled and sent out to others in the church and beyond Leading with the Sermon William H. Willimon, 2020-02-04 In this addition to the new Working Preacher Books series prolific author William H Willimon makes the compelling case that two key pastoral tasks preaching and leadership complement correct strengthen and inform one another Preaching is the distinctive function of pastoral leaders Leadership of the church particularly during a challenging time of transition in mainline Protestantism has become a pressing concern for pastors This book shows how the practices skills and intentions of Christian preaching can be helpful to the leadership of a congregation It will also show how leadership is an appropriate expectation for sermons In preaching pastoral leaders can help a congregation face its problems and coordinate its God given resources to address those problems Sermons can be an opportunity to articulate motivate and orchestrate God's people in doing God's work in the church and in the world Leading with the Sermon includes chapters on why pastors must be leaders why preaching is such an essential task in telling the truth about the gospel how preaching makes better leaders and how better leaders make better preachers Listeners Dare Bishop William H. Willimon, 2022-04-19 Discipleship and witness are not self sustainable Preaching equips God's people for the work of serving and building up the body of Christ Eph 4 11 The gospel is news that passes from the lips of one who has heard to the ears of one who has not yet heard then God willing it burrows in the soul energizing the hands in daring response to a word received Preaching is instigated by an astounding claim Good news God has spoken to us The Christian life is what you get when ordinary folk respond I have heard The book a companion to Preachers Dare is for anyone who listens to sermons which includes preachers since there s no way to preach without gaining skills as a listener Listening is a human skill but as God s word is proclaimed the hearer experiences a vocal mix of preacher listener and God Praise for Listeners Dare Books about

preaching how to research write and deliver sermons are legion But books about how sermons are heard internalized and acted upon by ordinary Christians in the pews are rare Willimon addresses this elusive yet critically important task with his usual wit acumen and pastor s heart A few hours pondering this thought filled work will pay handsome dividends come Sunday Grant Wacker Gilbert T Rowe Distinguished Professor of Christian History Duke Divinity School Durham NC There is no shortage of resources out there for how to prepare and preach a sermon and yet faith comes from hearing In turning our attention to the homiletical process of listening Willimon has given clergy and laity alike a true gift Together we get to listen for God s daring Word a word that in our hearing brings about holy obedience persistent hope and daring discipleship Karoline M Lewis Marbury E Anderson Chair of Biblical Preaching Professor of Biblical Preaching Luther Seminary Program Director Festival of Homiletics Listening to a sermon is a spiritual discipline that is the simple profound insight that underpins this rich offering from Will Willimon Lauren F Winner Associate Professor Duke Divinity School Durham NC
