Shades Of Sheol:

Shades of Sheol Philip S. Johnston,2002-08-14 Philip S Johnston examines Israelite views on death and afterlife as reflected in the Hebrew Bible and in material remains and sets them in their cultural literary and theological contexts

Soul-Searching Luke Jeffrey Janssen,2019-08-06 There are well over one hundred different views of the nature of human existence though the Bible may rule out many of these there still remains a large number that are all compatible with Scripture The Bible never explicitly defines the nature of the soul or spirit which is actually quite puzzling or even ironic given that one major aim of Scripture is spiritual development and ultimate questions about the soul In fact Judeo Christian thinking on those questions has been evolving over the course of four thousand years This book documents that evolution as a man named Abram left Babylon four thousand years ago journeying through the lands and the philosophies of civilizations preceding him by many more thousands of years while he and his descendants both physical and spiritual unpacked their understanding of our inner being the human soul and the afterlife That journey is followed to the present day and examines how a critically thinking Christian can embrace a theology of the human soul that is fully compatible with modern scientific findings including explanations for consciousness mind and soul *Reading the Psalms Theologically* David M. The Source of Hope John S. Hammett,2025-08-01 In The Source of Hope John Hammett crafts a detailed and accessible introduction to the discipline of eschatology **The Last Things** George E. Ladd,2004-01-09 In recent years scriptural

prophecies about the end times have become the subject of an increasing number of books. Many of these however are popularized accounts containing little thoughtful biblical scholarship. Yet the serious studies available are often too difficult for the average reader to understand. George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson. Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered. One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments. Professor Ladd holds the latter position basing his doctrine of the last things on the conviction that our final word is to be found in New Testament reinterpretation of Old Testament prophecy. Only as the prophecies are seen in the light of God's revelation through Christ can we clearly comprehend what they mean in relation to the end times.

Precious Enemy Toby Jennings, 2017-04-17 King Solomon asserted love is as strong as death. Song of Solomon 8:6. Solomon the wisest of all Israel's kings recognized that while every human would eventually succumb to death, death is not ultimate in power. The God whose essence is love designed and created both human life and death as instruments for the display of his own splendor and purposes. Neither human life nor death then can deviate from God's ultimate purpose and good for the creature made in his own image. Biblically death serves as the perfect foil to mark both the immeasurable value of human life and at the same time the relatively limited value of it. Rather than either worshipping or desecrating this finite gift of human life we can value it rightly and also worship the God who in his literally infinite wisdom gives and takes away life in accord with his good and gracious purposes.

Toward a History of Jewish Thought Zachary Alan Starr, 2020-03-09 The work is a history of Jewish beliefs regarding the concept of the soul, the idea of resurrection and the nature of the afterlife. The work describes these beliefs, accounts for the origin of these beliefs, discusses the ways in which these beliefs have evolved and explains why the many changes in belief have occurred. Views about the soul, resurrection and the afterlife are related to other Jewish views and to broad movements in Jewish thought and Jewish intellectual history is placed within the context of the history of Western thought in general. That history begins with the biblical period and extends to the present time.

Silencing Satan Sharon Beekmann, Peter G. Bolt, 2012-02-01 *Silencing Satan: A Handbook of Biblical Demonology* is about the nature and strategies of Satan and the demons and their defeat through the life, death and resurrection of our Lord and Savior Jesus Christ. The book is for Christians in ministry whether seminarians, pastors, Bible teachers, Christian counselors or lay leaders. It is for all who desire an informed faith relevant to supernatural evil and the Gospel of Jesus Christ. Each chapter reflects extensive research and is succinctly written to enable believers to quickly grasp biblical truths that expose the lies and half truths propagated by popular culture within and outside the church. The authors teach that when face to face with supernatural evil in its various guises, apparitions, voices, sensations, false doctrine and immoral temptations, believers resist the devil and reflexively turn to Jesus and Scripture. They fight by living a radical life of faith expressed through love and obedience to Christ. As they do, God

himself redeems the evil that Satan intends for his vainglory God is building his church and the gates of hades will not prevail against her Matt 16 18 **Ultimate Guide to Heaven and Hell** E. Ray Clendenen,2024-04-15 What happens after we die The Ultimate Guide to Heaven and Hell is a summary guide to the afterlife that seeks to provide answers based on biblical teaching Throughout readers will encounter questions like What is heaven and how can I be sure I will get there Is it different from the new heavens and the new earth Will my body be there or just my spirit soul What is hell and how can I be sure to avoid it CHAPTERS INCLUDE Is it Just Hype How Can I Know Geography of Heaven and Earth Heaven the Celestial Fire Heaven Avoiding the Fire Is Heaven Our Home The New Creation The Necessity and Power of Jesus s Resurrection How Can I Know Jesus Was Raised What Is a Person Intermediate State Old Testament Evidence Intermediate State New Testament Evidence What Do We Know about Hades Did Christ Descend to Hades Gehenna the Lake of Fire Tartarus and the Abyss Death and Dying Human mortality can be quite paralyzing to some people but the truth remains our individual bodily lives will one day come to an end What happens after The Bible has much to say in response to that question and ultimately provides hope on this topic as we look to Jesus the one who has conquered death Reincarnation, Oblivion or Heaven? Bobby Bose,2016-07-31 What is death Why do we die and what happens after we die Over the centuries philosophers and theologians of the world s religions have offered answers to the dilemma of death yet this subject is rarely given the detailed attention it deserves in the contemporary Christian church As Christians how does our view of death impact the communication of the gospel in today s pluralistic societies In this study Dr Bobby Bose not only develops a solid biblical theology of death he also reviews the teachings of contemporary and historical Christian theologians around the world and examines the state after death beliefs of Hindus Muslims and Secular Humanists The author shows that state after death was a central component of conversation in the early church and is also a major component of God s mission to rescue humanity As the East converges with the West it is vital that Christians develop a missiological approach to state after death that will encourage positive engagement with people of other faiths and beliefs "He Descended to the Dead" Matthew Y. Emerson,2019-12-24 The descent of Jesus Christ to the dead has been a fundamental tenet of the Christian faith as indicated by its inclusion in both the Apostles and Athanasian Creeds But it has also been the subject of suspicion and scrutiny especially from evangelicals Led by the mystery and wonder of Holy Saturday Matthew Emerson offers an exploration of the biblical historical theological and practical implications of the descent *The Biblical World* William Rainey Harper,Ernest DeWitt Burton,Shailer Mathews,1910 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 *Urban Legends of the Old Testament* David A. Croteau,Gary Yates,2019-12-01 Urban Legends of the Old Testament surveys forty of the most commonly misinterpreted passages in the Old Testament **The Old Testament in Its World** Robert Gordon,Johannes de Moor,2021-11-29 Discoveries in sites revealing the ancient cultures of the Near East and Greece have contributed much to a better understanding of the Old Testament As new finds constantly add new information this

precious evidence has to be re evaluated time and again In this volume members of the Society for Old Testament Study in the United Kingdom and Ireland as well as members of the Oudtestamentisch Werkgezelschap in the Netherlands and Belgium join forces to undertake this demanding task Egyptian Sumerian Babylonian Assyrian Neo Hittite Aramaic and Greek texts are inspected in order to establish whether or not they are relevant to the understanding of the Hebrew Bible *The Last Enemy to Be Destroyed* Ralph K. Hawkins, 2024-11-11 Sooner or later we are all faced with death and are left asking whether death has the last word The Bible does not pretend that death is not a problem but instead views it as an enemy that has invaded God s world and torments humankind The Bible teaches that Jesus Christ has triumphed over death but there is debate about when that triumph will be realized The apostle Paul says that death will be the last enemy to be destroyed 1 Cor 15 26 and the author of the letter to the Hebrews says that ironically it was by his death that Jesus broke the power of death Heb 2 14 *The Last Enemy to Be Destroyed* will take readers on a guided tour of the progressive revelation from the garden of Eden where the fall occurred and death first entered the world to the last days when the general resurrection will occur and death will finally be defeated once and for all It will encourage anyone who has either lost a loved one or received a frightening diagnosis themselves Readers will be assured that there will come a day when the last enemy death will be defeated and we will be redeemed *Ezekiel (Understanding the Bible Commentary Series)* Steven Tuell, 2012-07-01 The *Understanding the Bible Commentary Series* helps any reader navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the easily understandable truth found in this commentary series *McMaster Journal of Theology and Ministry: Volume 20, 2018-2019* David J. Fuller, 2020-05-07 The *McMaster Journal of Theology and Ministry* is an electronic and print journal that seeks to provide pastors educators and interested lay persons with the fruits of theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College s previous print publications the *Theological Bulletin* *Theodolite* and the *McMaster Journal of Theology* *Revelation 21-22 in Light of Jewish and Greco-Roman Utopianism* Eric J. Gilchrest, 2013-05-01 In *Revelation 21-22 in Light of Jewish and Greco Roman Utopianism* Eric J Gilchrest offers a creative and compelling reading of Revelation 21-22 as understood through the lens of ancient utopianism The work is in two parts beginning with a detailed portrait of ancient utopianism based on Greco Roman and Jewish traditions The portrait sketches the topography of the utopian landscape which includes a thorough account of various traditions using fourteen utopian topoi or motifs The author then moves to a description of Revelation s new Jerusalem in light of these two utopian traditions With sensitivity to how this text

would have been read by each utopian perspective the author constructs a unique reading of a classic passage that highlights the variety of ways the text originally may have been heard **Between Death and Resurrection** Stephen

Here Comes the Dreamer Shaul Bar, 2023-07-21 The Joseph story starts when he was seventeen years old and ends with his death at one hundred and ten These years included near death experiences hatred among brothers jealousy a bizarre world of dreams temptation imprisonment and his rise to power as grand vizier of Egypt All of these events led to a change once an arrogant young man with grandiose dreams now he became a down to earth man with a sense of humility and a basic sentiment of religion There was no more hatred among brothers but love which led to their eventual reconciliation Joseph's life as portrayed in the book of Genesis was the starting point of many legends and commentaries found in the Talmud Midrashim and medieval commentaries His behavior was an exemplary prototype of a righteous man it served as a model for how a person should conduct himself
