Shadows Over My Berlin:

Shadows Over My Berlin Heidi Scriba Vance, Janet Barton Speer, 1996 *The Afterlives of Weimar Berlin* Jill Suzanne Smith, 2024 Explores the recent proliferation of literary and filmic representations of Weimar Berlin in German culture probing the connections between historical and contemporary texts their contexts and their creators often German Jews and women More than a century after its founding there can be little doubt that Weimar is back The recent proliferation of references to and portrayals of the Weimar Republic Germany's first democracy born out of the aftermath of the First World War and characterized by economic and political crisis is not surprising given our crisis filled present That said the Weimar era has been a consistent focus of scholarly work in both the German speaking and the Anglo American academic worlds since the 1970s and yet depictions of this period in German literature and visual culture were few and far between until the beginning of the 21st century This book traces this renewed fascination with Weimar specifically its capital Berlin in contemporary German language culture providing both wide angle and close up views While discussions of the time period in mainstream media and historiography tend to focus on Weimar as a warning against the dangers of economic and political instability the novels and visual works produced by contemporary German writers and filmmakers in the last 15 years revive and reshape the cultural legacy of Weimar Berlin *The Afterlives of Weimar Berlin* explores the creative interplay between contemporary and historical texts their contexts and their creators tracing a cultural legacy that has the work of German Jews and women as its foundation **The Value of Names and Other Plays** Jeffrey Sweet, 2008-05-14 In this collection of plays the playwright confronts both personal politics and the impact of historical change The title work first mounted in 1982 is a comedy drama about the aftermath of the blacklist whose continued relevance makes it a frequently produced play today The family drama *Porch* suggests larger social changes through the interaction of a small town shopkeeper and his defiant daughter The lauded *American Enterprise* set in the Chicago of the robber barons is a song filled true story about a millionaire whose stubborn idealism leads to disaster *Stay till morning* is a rueful comedy about sex and accommodation in the Florida Keys The three plays that grew out of his fascination with the effects of World War II *Berlin 45* Court martial at Fort Devens and *The action against Sol Schumann* dramatize the ways in which that conflict transformed private fates Each script is accompanied by an introduction from the playwright as well as performance notes **Child Survivors in the Shadows** Lilo L. Cohn-Sharon, 2013 The first part of the book was published as *A Shadow over My Life* Jerusalem Gefen 1994 Pt 2 of the book p 59 115 contains poems by the author *Sisters of Providence* Allen Paul Speer, Janet Barton Speer, 2000 The lives and writings of these two sisters Jennie and Ann Speer provide us a window on a world that for a long time was rarely seen and only recently has been exposed The life of neither sister is an altogether happy one The writings of both Jennie in particular are full of a kind of yearning of sadness of possibilities not realized One feels both a vast sympathy and strong admiration for these sisters who dwelled in obscurity and wanted to be heard Now with the publication of their

writings unread for nearly a century and a half past they are no longer silenced Branding Berlin Katrina Sark, 2023-07-21 This book is a cultural history of post Wall urban social political and cultural transformations in Berlin Branding Berlin From Division to the Cultural Capital of Europe presents a cultural analysis of Berlin's cultural production including literature film memoirs and non fiction works art media urban branding campaigns and cultural diversity initiatives put forth by the Berlin Senate and allows readers to understand the various changes that transformed the formerly divided city of voids into a hip cultural capital The book examines Berlin's branding urban economic development and its search for a post Wall identity by focusing on manifestations of nostalgic longing in documentary films and other cultural products Building on the sociological research of urban branding and linking it with an interpretive analysis of cultural products generated in Berlin during that time the author examines the intersections and tensions between the nostalgic views of the past and the branded images of Berlin's present and future This insightful and innovative work will interest scholars and students of cultural and media studies branding and advertising urban communication film studies visual culture tourism and cultural memory **Out of the Night** Jan Valtin, 2004 A gripping memoir of political intrigue in Germany between the wars *The Moment* Douglas Kennedy, 2011-11-15 Thomas Nesbitt is a divorced writer in the midst of a rueful middle age Living a very private life in Maine in touch only with his daughter and still trying to recover from the end of a long marriage his solitude is disrupted one wintry morning by the arrival of a box that is postmarked Berlin Conversations with Christopher Isherwood Christopher Isherwood, 2001 To many readers Christopher Isherwood means Berlin The author of Goodbye to Berlin 1939 the British Isherwood found fame through the adaptation of that work into the stage play and film I Am a Camera and then into the stage musical and film Cabaret Throughout his career he was a keen observer always seemingly in the right place at the right time Whether in Berlin in the 1930s or in Los Angeles in the 1960s and 1970s Isherwood 1904-86 reflected on his life and his world and wrote perceptive commentary on contemporary European and American history and culture His ties to California made him more American than British I have spent half my life in the United States he said Los Angeles is a great place for feeling at home because everybody's from someplace else Isherwood can be credited for helping make L A an acceptable setting for serious fiction paving the way for John Rechy Joan Didion Paul Monette and Bernard Cooper among others The interviews in this volume two of which have never before been published stretch over a period of forty years They address a wide range of topics including the importance of diary keeping to his life and work the interplay between fiction and autobiography his turning from Christianity to Hinduism his circle of friends including W H Auden Aldous Huxley and E M Forster several important places in his life Berlin England and California and his homosexual identity These interviews are substantive smart and insightful allowing the author to discuss his approach to writing of both fiction and nonfiction More and more he explains writing is appearing to me as a kind of self analysis a finding out of something about myself and about the past and about what life is like as far as I'm concerned who I am who these people are what it's all about This emphasis

Humanism After Colonialism Claudia Alvares,2006 This book is the result of a doctoral thesis defended at Goldsmith s College University of London Acknowledgements Isherwood's Fiction Lisa M. Schwerdt,2016-01-03 An examination of the changing relationship between the writer and his protagonists exploring how Isherwood s fiction achieves artistic integration and literary significance only when it reflects his personal concerns through theme and technique as he experiments with new narrative strategies A Modern Minister Valentine Durrant,1878 The Cold War Stephen E. Ambrose,Caleb

Carr, Thomas Fleming, Victor Davis Hanson, 2006-11-07 Even fifteen years after the end of the Cold War it is still hard to grasp that we no longer live under its immense specter For nearly half a century from the end of World War II to the early 1990s all world events hung in the balance of a simmering dispute between two of the greatest military powers in history Hundreds of millions of people held their collective breath as the United States and the Soviet Union two national ideological entities waged proxy wars to determine spheres of influence and millions of others perished in places like Korea Vietnam and Angola where this cold war flared hot Such a consideration of the Cold War as a military event with sociopolitical and economic overtones is the crux of this stellar collection of twenty six essays compiled and edited by Robert Cowley the longtime editor of MHQ The Quarterly Journal of Military History Befitting such a complex and far ranging period the volume s contributing writers cover myriad angles John Prados in The War Scare of 1983 shows just how close we were to escalating a war of words into a nuclear holocaust Victor Davis Hanson offers The Right Man his pungent reassessment of the bellicose air power zealot Curtis LeMay as a man whose words were judged more critically than his actions The secret war also gets its due in George Feiffer s The Berlin Tunnel which details the charismatic C I A operative Big Bill Harvey s effort to tunnel under East Berlin and tap Soviet phone lines and the Soviets equally audacious reaction to the plan while The Truth About Overflights by R Cargill Hall sheds light on some of the Cold War s best kept secrets The often overlooked human cost of fighting the Cold War finds a clear voice in MIA by Marilyn Elkins the widow of a Navy airman who details the struggle to learn the truth about her husband Lt Frank C Elkins whose A 4 Skyhawk disappeared over Vietnam in 1966 In addition there are profiles of the war s front lines Dien Bien Phu the Cuban Missile Crisis the Bay of Pigs as well as of prominent military and civil leaders from both sides including Harry S Truman Nikita Khrushchev Dean Acheson Gen Douglas MacArthur Richard M Nixon Gen Vo Nguyen Giap and others Encompassing so many perspectives and events The Cold War succeeds at an impossible task illuminating and explaining the history of an undeclared shadow war that threatened the very existence of humankind

The Blue Angel - The Life and Films of Marlene Dietrich David Stuart Ryan, 2013-10-03 The story of Marlene Dietrich s life is the story of the 20th century Author David Stuart Ryan who wrote the bestselling biography John Lennon s Secret explores the amazing and circuitous route that took her to Hollywood and riches But to understand the essential Marlene it is necessary to go right back in time to the era of La Belle Epoque when a very feudal and settled order still existed in Europe The Blue Angel transports you to a glittering world that is all about to disappear in the maelstrom of world war What emerges from the conflict is a feverish gaiety that seeks to put behind it all the suffering that has taken place You are entering the Jazz Age and a Berlin that having suffered hyperinflation decides anything goes The Berliner Luft the Berlin air is what the locals call it This madcap atmosphere was to be recreated by a young journalist Billy Wilder when he made the journey to Hollywood Indeed the plot for his greatest film Some Like It Hot drew on his experiences in Berlin and Billy Wilder was one of the respondents to the author when he came to write Marlene s story Marlene s big break came when

she played a vampish nightclub singer of dubious morals not a million miles away from her own background trying to survive in a world turned upside down The Blue Angel took her to America and a carefully constructed film star image which embodies all the dazzling wealth and influence of Hollywood at its most powerful and hypnotic Yet the more you get into the life of Marlene Dietrich the greater the mystery becomes Who was she really Only now can the expert analysis of David Stuart Ryan reveal the true Marlene Dietrich the person behind the image the human being behind the facade Was she indeed the blue angel
