Shaker Recipes and Formulas for Cooks and Homemakers William Lawrence Lassiter, 1959 [Shaker Recipes for Cooks and Homemakers](#) William Lawrence Lassiter, **Simplicity and Excellence** Deirdre A. Scaggs, Evalina Kremer Settle, 2024-05-07 Born at the turn of the twentieth century in Cynthiana Kentucky Elizabeth Cromwell Kremer was a woman who strove for excellence in all things Ever resistant to the constraints of social conventions at a time when roughly 20 percent of the US workforce was female Kremer worked her way up the ranks of the service industry From the home economics classrooms of the University of Kentucky to the fine dining restaurants of Louisville and New York City Kremer's tenacity unconventionality and dedication helped her build a legacy that celebrated the simplicity of good traditional Kentucky country cooking In 1967 after taking a twenty seven year hiatus from work to raise her family Kremer reentered the business world at the age of sixty five to open a restaurant for Kentucky's newly restored Shaker Village at Pleasant Hill Under her guidance what began as a small sandwich shop flourished into the iconic Trustees Table restaurant at Shaker Village which continues to attract guests from all over the world In **Simplicity and Excellence** Elizabeth Kremer from Beaten Biscuits to Shaker Lemon Pie authors Deirdre A Scaggs and Evalina Settle compile the first ever biography of this incredible woman Each of Kremer's classic recipes is bookended by charming and inspiring stories of her life drawn from oral history passed down by Kremer's family and friends as well as archival materials A gastronomic history like no other **Simplicity and Excellence** effortlessly paints a portrait of one of the most influential forces behind the preservation of Kentucky's culture through its cuisine **Made from Scratch** Jean Zimmerman, 2012-11-13 A stunning celebration and reappraisal of the importance of women's work **Made from Scratch** addresses the tug that many Americans feel between our professional and private lives In this stunning celebration and reappraisal of the importance of women's work acclaimed journalist Jean Zimmerman poignantly addresses the tug that many Americans of the twenty first century feel between our professional and private lives With sharp wit and intelligence she offers evidence that in the current domestic vacuum we still long for a richer home life a paradox visible in the Martha Stewart phenomenon in the continuing popularity of women's service magazines such as *Better Homes and Gardens* *Family Circle* and *Ladies Home Journal* whose combined circulation of over 17 million is nearly twice the combined circulation of *Time* *Newsweek* and *U S News World Report* and the booming business of restorations where onlookers get a hands on view of domestic life as it flourished in past centuries This book is about the ways home traditions passed from one generation to the next baking a birthday cake from scratch cherishing family heirlooms or discovering the satisfaction of piecing a quilt sustain our souls especially in our ever more processed synthetic world where we buy homemade goods and fail to see the irony in that **Made from Scratch** tells the story of the unsung heroines of the hearth investigating the history of female domesticity and charting its cultural changes over centuries Zimmerman traces the lives of her own family's homemakers from her tiny but indomitable grandmother who managed a

farm strangled chickens with her bare hands and sewed all the family clothing to her mother who rejected her country upbringing yet kept a fastidious suburban home where the gender divide stayed firmly in place to her own experiences as a wife and mother weaned on the Women's Movement of the 1970s with its emphatic view that housework was a dirty word and that the domestic sphere was to be fled rather than cherished In this book Zimmerman questions the unexamined trade off we have made in a shockingly brief time span as we've progressed from home raised chickens to frozen TV dinners to McNuggets from the food court at the mall What is lost when we no longer engage as individuals and as a community in the ancient rituals of food craft and shelter
