personify his journey from rags to riches from literally nothing to becoming everything He wanted to write his autobiography when he fulfilled the aim of his life He could see the life backward from the highest point of his life As an autobiographer Nelson Mandela became iconic figure in public life He felt to share his life story because there was tremendous curiosity amongst all the readers around the world about his experiences and sacrifices The very act of writing a life down constitutes an attempt on the part of the writer to justify one's life The every act of autobiography is the judgment of the writer to feel that life is worth being written down Onley 1972 57 According to Marcus the critic on this genre adds autobiography thus should rather belong to the people of lofty reputation or people who have something of historical importance to say Marcus 1984 31 32 Nelson Mandela in his acknowledgement clearly says that I began writing it autobiography clandestinely in 1974 during my imprisonment on Robben Island Apparently Mahatma Gandhi finished his autobiography in his imprisonment time Solitude seems a necessary requirement for political personalities to write as writing needs time and concentration Want of time is the main constraint in the life of political figures Another similar example is the case of Martin Luther King Jr He attempted to write his autobiography Stride towards freedom but could not complete it in his short span of life simply because of want of time Martin Luther King Jr's wife completed the dream of her husband by compiling his autobiography Nelson Mandela admits since my release my schedule has been crowded with numerous duties and responsibilities which have left me little free time for writing acknowledgement      **Nelson Mandela** Reggie Finlayson, 1999-01-01 Describes the childhood political activities imprisonment family and presidency of Nelson Mandela      *Nelson Mandela* Peter Limb, 2008-02-28 Everyone should know the life story of Nelson Mandela one of the greatest leaders of all time the first black president of South Africa the most famous African and a major world statesman His inspiring life receives a fresh retelling in this new biography written especially for students and general readers This volume is an enjoyable authoritative and balanced way to not only understand a great man but also to understand a critical time in world history and race relations Mandela's quest for racial justice for black South Africans as a leader of the African National Congress led to twenty seven years of imprisonment South African Apartheid consumed the attention of the world coming to a head in the 1980s With intense international pressure on the Apartheid government Mandela was finally freed in 1990 Through the landmark presidency of South Africa and post Nobel Peace Prize years up until today he has continued as a peacemaker and agent for change Chapter 1 covers his birth into a strong Xhosa family and clan with cultural historical and geographical context and the next chapter follows his elite education path taking into consideration the forces and people who helped shape the future leader Chapter 3 discusses his law practice African National Congress work and his first wife Chapters 4 6 continue with his growing political involvement and family Chapter 7 and 8 deal with the long imprisonment and then freedom The final chapters discuss his presidency and Nobel Peace Prize and life today A timeline photo essay and selected bibliography complement the narrative
