

Opportunities

- Assist with budgetary pressures
- Greater efficiency through the rationalisation of property portfolio & service delivery.
- Contributes to council objectives:
 - long-term transformation of communities
 - more confident /sustainable community organisations
 - opportunities for learning and capacity building
 - New local delivery partners/collaborations.

Long Term Budgetary Pressures And Policy Options

Christian Drosten

Long Term Budgetary Pressures And Policy Options:

Long-term Budgetary Pressures and Policy Options United States. Congressional Budget Office,1998 **Long-term Budgetary Pressures and Policy Options** United States. Congressional Budget Office,1998 **Long-Term Budgetary Pressures and Policy Options** Congressional budget office (u s congress) washington dc,1998 The large baby boom generation will begin to retire in about 10 years and as the demographic structure of the population changes federal revenues will grow more slowly and outlays for Social Security Medicare and Medicaid will rise Moreover because spending per enrollee in Medicare and Medicaid is expected to climb faster than the average wage the share of income spent on those programs will increase even without any change in demography Because of those pressures the Congressional Budget Office CBO projects that deficits will reemerge and grow in the years after 2008 unless current policies are changed The long term deficit problem could be resolved by many combinations of spending reductions and tax increases This report focuses on Social Security and Medicare because those programs are so large and so directly affected by the aging of the population The approaches discussed illustrate the types of steps that could be taken to slow the growth in spending on those programs The analysis shows how combinations of those options would reduce the size of the long term fiscal imbalance Although it will be difficult to limit spending on entitlements for the elderly in the face of the projected increase in the number of people eligible for them doing so will confer substantial gains on the economy Long-Term Budgetary Pressures and Policy Options Douglas Hamilton,Joseph Antos,1997-06-01 The 10 year time frame used to prepare budget projections is not sufficient to show the dramatic effects on the Federal budget of the projected long term demographic changes in the U S population This report takes into account the improvement in the near term budgetary outlook and other developments It also examines the potential long term budgetary impacts of enacting the various Social Security and Medicare options Contents the long term budget outlook slowing the growth in Social Security and Medicare and the long term budgetary impact of controlling the growth of Social Security and Medicare Charts and tables **Budget issues analysis of longterm fiscal outlook : report to congressional requesters** , *List of Publications* United States. Congressional Budget Office,2002 Comprehensive Budget Process Act of 1999 United States. Congress. House. Committee on Appropriations,1999 **Policies for an Aging Society** Stuart H. Altman,David Shactman,2002-07-26 Zeldes Columbia University Robert B Hudson Boston University Journal of Health Politics Policy and Law **Budget Options** ,2000 **Maintaining Budgetary Discipline** Sherry Snyder,1999-08 Compiles 250 specific policy options for reducing federal spending or increasing revenues in a wide variety of programs It is intended to help policymakers maintain budgetary discipline and accomplish related policy goals Part One includes more than 200 options for reducing spending organized by the functional categories of the budget Part Two presents more than 50 options for generating revenues The report concludes with an appendix listing the scorekeeping guidelines used to enforce the discretionary spending limits and pay as you go requirement of the Budget Enforcement Act of

1990 as amended Charts and tables **Handbook of Aging and the Social Sciences** Linda George, 2010-11-26 Handbook of Aging and the Social Sciences Seventh Edition provides extensive reviews and critical evaluations of research on the social aspects of aging It also makes available major references and identifies high priority topics for future research The book is organized into four parts Part 1 reviews developments in the field of age and the life course ALC studies and presents guidelines on conducting cohort analysis Part 2 covers the demographic aspects of aging longevity trends disability and aging and stratification and inequality research Part 3 includes chapters that examine socioeconomic position and racial ethnic disparities in health at older ages the role of social factors in the distribution antecedents and consequences of depression and aspects of private wealth transfers and the changing nature of family gift giving Part 4 deals with pension reform in Europe the political activities of older Americans the future of retirement security and gender differences in old age The Handbook is intended for researchers professional practitioners and students in the field of aging It can also serve as a basic reference tool for scholars professionals and others who are not presently engaged in research and practice directly focused on aging and the aged Contains all the main areas of social science gerontological research in one volume Begins with a section on theory and methods Edited by one of the fathers of gerontology Binstock and contributors represent top scholars in gerontology **Budget Options** United States. Congressional Budget Office, 1977 **Maintaining Budgetary Discipline** , 1999 True Security Michael J. Graetz, Jerry L. Mashaw, Professor Jerry L Mashaw, 1999-01-01 Social insurance in the United States including the Social Security Act of 1935 and the Medicare Medicaid and disability insurance programs that were added later may be the greatest triumph of American domestic policy But true security has not been achieved As Michael J Graetz and Jerry L Mashaw show in this pathbreaking book the nation s system of social insurance is riddled with gaps inefficiencies and inequities Even the most popular and successful programs Medicare and Social Security face serious financial challenges from the coming retirement of the baby boom generation and the aging of the population This book challenges the notion that American social insurance must remain inadequate unaffordable or both In sharp contrast to policymakers and analysts who debate only one income security program at a time Graetz and Mashaw examine social insurance whole to assess its crucial role in providing economic security in a dynamic market economy They recognize that notwithstanding a proper emphasis on individual freedom and responsibility Americans share a common fate that binds them together in a common enterprise The authors offer us a new vision of the social insurance contract and concrete proposals to make the nation s families more secure without increasing costs *Concurrent Resolution on the Budget* United States. Congress. Senate. Committee on the Budget, 1999 Straight Shooting on Social Security United States. Congress. Senate. Special Committee on Aging, 2002 **International Global Climate Change Negotiations** United States. Congress. House. Committee on Commerce. Subcommittee on Energy and Power, 1998 **Countdown to Kyoto, Parts I-III** United States. Congress. House. Committee on Science. Subcommittee on Energy and Environment, 1998

The Global Debt Bomb James L. Clayton, 2016-09-16 Within a historical perspective Clayton clearly explains the culture of debt its definition how it got to be such a major burden why we can't live without it and ways to manage it more efficiently He addresses the development of debt over the course of the 20th century in both the US and world economies This comprehensive multidisciplinary analysis covers all aspects of debt benefits and necessity the impact both good and bad on individuals corporations and governments and lessons to be learned from the past Clayton drawing on current research and extensive primary data in economics political science and history concludes that with our rapacious accumulation of debt and common place use of debt finance our society has set itself up for a significant financial decline **Concurrent Resolution on the Budget for Fiscal Year 1999** United States. Congress. Senate. Committee on the Budget, 1998
