Water is scarce in the Lake Eyre Basin in the heart of Australia The region goes through natural cycles of boom and bust and the flooding of the basin rivers is accompanied by spectacular responses from wildlife and vegetation However the Lake Eyre Basin faces the threat of diversion of water from rivers and wetlands and development of floodplains for irrigation and mining Around the world such water resource developments have caused widespread degradation of rivers and loss of habitats Lake Eyre Basin Rivers outlines the environmental social and economic values of the rivers from a diverse range of perspectives including science tourism economy engineering policy Traditional Owners and pastoralists It describes the current state of the environment and the past and ongoing threats to the river systems drawing on stories from the Murray Darling Basin It also provides direction for ensuring that the rivers remain free flowing to service the environment and future generations This book is a valuable reference for environment and government agencies industries and policy makers concerned with the region and will be of interest to the communities of the Lake Eyre Basin **Traditionalism and Modernity** Dr. A.H.M Zehadul Karim, 2014-04-04 This book has outlined many aspects of traditionalism and modernity

although the topics here are divergent the consistent part of it is that all of the authors mostly come from the same disciplines of Sociology and Social Anthropology The main concern is to find out the socio cultural changes that have occurred due to modernization and development From that perspective the book is very useful to understand Sociology and Social Anthropology from diversities based on traditionalism and modernity It contains eleven articles contributed by a few renowned sociologists and social anthropologists from a number of countries around the world focusing on diversified issues on traditionalism and modernity The papers are written on the basis of each author s expertise in their respective field which are compiled to make them a suitable document in the field of Sociology and Social Anthropology The book seems to be very useful for the students seeking knowledge on traditionalism and modernity having based in Sociology and Social Anthropology The concepts of traditionalism and modernity are very important and are related issues in Sociology and Social Anthropology that many theoretical discussions have been carried out in these areas and several theoretical paradigms have been conceptualized in this regard which have been highlighted in the book in the form of descriptive analytic discussion
