

Look Of The Old West

Emerson Hough

Look Of The Old West:

The Look of the Old West William Foster-Harris,2007-04-17 This volume containing hundreds of illustrations brings to life the American of the mid to late 1800s Contained inside are line drawings and description of weaponry of the time military and civilian clothing styles steamboats and other forms of transportation equestrian styles household items and much more

The Old West in Fact and Film Jeremy Agnew,2012-11-08 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots The World of the American West Gordon Morris

Bakken,2016-12-12 Addressing everything from the details of everyday life to recreation and warfare this two volume work examines the social political intellectual and material culture of the American Old West from the California Gold Rush of 1849 to the end of the 19th century What was life really like for ordinary people in the Old West What did they eat wear and think How did they raise their children How did they interact with government What did they do for fun This encyclopedia provides readers with an engaging and detailed portrayal of the Old West through the examination of social cultural and material history Supported by the most current research the multivolume set explores various aspects of social history family politics religion economics and recreation to illuminate aspects of a society s emotional life interactions opinions views beliefs intimate relationships and connections between the individual and the greater world Readers will be exposed to both objective reality and subjective views of a particular culture as a result they can create a cohesive accurate impression of life in the Old West during the second half of the 1800s Dictionary of the American West Win Blevins,2008-08-01 Did you

ever need to spell dogie as in get along little or need to know what a sakey is This is the book that can tell you how to spell pronounce and define over 5 000 terms relative to the American West Want to know what a breachy cow is Turn to page 43 to learn that it s an adjective used to describe a cow that has a tendency to find her way through fences where she isn t supposed to be Describes some teenagers we know Spend hours perusing the dictionary at random or read straight through to give you a flavor of the West from its beginnings to contemporary days Laced with photographs and maps the Dictionary of the American West will make you sound like an expert on all things Western even if you don t know your dingus from a dinner plate Compiled of words brought into English from Native Americans emigrants Mormons Hispanics migrant workers loggers and fur trappers the dictionary opens up history and culture in an enchanting way From Aarigaa to zopilote the Dictionary of the American West is a valuable book a treasure for any literate American s library Tony Hillerman Western Classics, Historical Novels & Tales of the Old West by B. M. Bower (Illustrated) B. M. Bower,2024-01-16 In Western Classics

Historical Novels Tales of the Old West B M Bower crafts a vivid tapestry of life on the American frontier deftly blending historical authenticity with imaginative storytelling Through a series of meticulously illustrated tales readers are transported to a time when rugged landscapes and pioneering spirits shaped the ethos of a nation Bower s literary style is characterized by rich descriptions and an abiding sense of place echoing the tradition of Western literary classics while engaging in the genre s unique oral storytelling heritage Each narrative is infused with the spirit of adventure camaraderie and the harsh realities faced by early settlers making this collection both a historical document and a tribute to the resilience of the human spirit B M Bower a pioneer female author in a predominantly male genre drew upon her deep seated love for the American West and her own experiences growing up in a frontier community Her works are not only reflections of her keen observation but also an endeavor to elevate the voices of women both in their struggles and triumphs in the West Bower s commitment to authenticity and her passion for storytelling illuminate the complexities of frontier life inviting readers to witness history through a nuanced lens This collection is a must read for enthusiasts of American literature history and folklore as it offers profound insights into the cultural fabric of the Old West Those seeking adventure and a deeper understanding of this iconic period will find Bower s tales both enlightening and richly entertaining capturing the essence of a time when courage and determination paved the way for future generations

Cold War Rivalry and the Perception of the American West P. Goral,2014-03-07 This book demonstrates how the two adversaries of the Cold War West Germany and East Germany endeavored to create two distinct and unique German identities In their endeavor to claim legitimacy the German cinematic representation of the American West became an important cultural weapon of mass dissemination during the Cold War

The Chronicles of the Old West - 4 Historical Books Exploring the Wild Past of the American West (Illustrated) Emerson Hough,2017-05-01 The Way to the West tells the story of the opening of the west including the accounts of three early Americans Daniel Boone Davy Crockett and Kit Carson The Story of the Cowboy is a historical book about the cowboy in the American West close to the end of 19th century The Story of the Outlaw is a study of the western desperado with historical narratives of famous outlaws the stories of noted border wars vigilante movements and armed conflicts on the frontier including the profiles of Billy the Kid and Pat Garrett The Passing of the Frontier explains the part of the frontier in history and what Lewis and Clark came up against when they passed it on their great expedition across the continent Emerson Hough 1857 1923 was an American author best known for writing western stories adventure tales and historical novels His best known works include western novels The Mississippi Bubble and The Covered Wagon The Young Alaskans series of adventure novels and historical works The Way to the West and The Story of the Cowboy

Lincoln Looks West Richard W. Etulain,2010-03-05 This first ever volume to comprehensively explore President Abraham Lincoln s ties to the American West brings together a variety of scholars and experts who offer a fascinating look at the sixteenth president s lasting legacy in the territory beyond the Mississippi River Editor Richard W Etulain s extensive introductory essay treats these western

connections from Lincoln's early reactions to Texas, Oregon, and the Mexican War in the 1840s through the 1850s and during his presidency, providing a framework for the nine essays that follow. Each of these essays offers compelling insight into the many facets of Lincoln's often complex interactions with the American West. Included in this collection are a provocative examination of Lincoln's opposition to the Mexican War, a discussion of the president's antislavery politics as applied to the new arena of the West, new perspectives on Lincoln's views regarding the Thirteenth Amendment and his reluctance regarding the admission of Nevada to the Union, a fresh look at the impact of the Radical Republicans on Lincoln's patronage and appointments in the West, and discussion of Lincoln's favorable treatment of New Mexico and Arizona, primarily Southern and Democratic areas, in an effort to garner their loyalty to the Union. Also analyzed is the Tribe of Abraham, Lincoln's less than competent appointments in Washington Territory made on the basis of political friendship, and the ways in which Lincoln's political friends in the Western Territories influenced his western policies. Other essays look at Lincoln's dealings with the Mormons of Utah, who supported the president in exchange for his tolerance, and American Indians whose relations with the government suffered as the president's attention was consumed by the crisis of the Civil War. In addition to these illuminating discussions, Etulain includes a detailed bibliographical essay complete with examinations of previous interpretations and topics needing further research, as well as an extensive list of resources for more information on Lincoln's ties west of the Mississippi. Loaded with a wealth of information and fresh historical perspectives, *Lincoln Looks West* explores yet another intriguing dimension to this dynamic leader and to the history of the American West.

New Women in the Old West, Winifred Gallagher, 2022-07-19. A riveting and previously untold history of the American West as seen by the pioneering women who advocated for their rights amidst challenges of migration and settlement and transformed the country in the process. Between 1840 and 1910, hundreds of thousands of men and women traveled deep into the underdeveloped American West, lured by adventure, opportunity, and the spirit of Manifest Destiny. These settlers soon realized that survival in a new society required women to compromise eastern sensibilities and take on some of their husbands' responsibilities. At a time when women had very few legal or economic, much less political rights, these women soon proved just as essential as men to westward expansion. During the mid-nineteenth century, the traditional domestic model of womanhood shifted to include public service, with the women of the West becoming town mothers who established schools, churches, and philanthropies while also coproviding for their families. They claimed their own homesteads and graduated from new free coeducational colleges that provided career alternatives to marriage. In 1869, the men of the Wyoming Territory gave women the right to vote, partly to persuade more of them to move west, but with this victory in hand, western suffragists fought relentlessly until the rest of the region followed suit. By 1914, western women became the first American women to vote, a right still denied to women in every eastern state. In *New Women in the Old West*

Winifred Gallagher brings to life the riveting history of the little known women the White Black and Asian settlers and the Native Americans and Hispanics they displaced who played monumental roles in one of America s most transformative periods Drawing on an extraordinary collection of research Gallagher weaves together the striking legacy of the persistent individuals who not only created homes on weather wracked prairies but also played a vital unrecognized role in the women s rights movement and forever redefined the American woman *Branding the American West* Marian Wardle,Sarah E. Boehme,2016-02-17 Artists and filmmakers in the early twentieth century reshaped our vision of the American West In particular the Taos Society of Artists and the California based artist Maynard Dixon departed from the legendary depiction of the Wild West and fostered new images or brands for western art This volume illustrated with more than 150 images examines select paintings and films to demonstrate how these artists both enhanced and contradicted earlier representations of the West Prior to this period American art tended to portray the West as a wild frontier with untamed lands and peoples Renowned artists such as Henry Farny and Frederic Remington set their work in the past invoking an environment immersed in conflict and violence This trademark perspective began to change however when artists enamored with the Southwest stamped a new imprint on their paintings The contributors to this volume illuminate the complex ways in which early twentieth century artists as well as filmmakers evoked a southwestern environment not just suspended in time but also permanent rather than transient Yet as the authors also reveal these artists were not entirely immune to the siren call of the vanishing West and their portrayal of peaceful yet exotic Native Americans was an expansion rather than a dismissal of earlier tropes Both brands cast a romantic spell on the West and both have been seared into public consciousness *Branding the American West* is published in association with the Brigham Young University Museum of Art Provo Utah and the Stark Museum of Art Orange Texas **American Cowboy** ,2002-05 Published for devotees of the cowboy and the West *American Cowboy* covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage *American Cowboy* immerses readers in the cowboy life and the magic that is the great American West **Gold Rushes and Mining Camps of the Early American West** Vardis Fisher,Opal Laurel Holmes,Opal Laurel Fisher,1968 Distributed by the University of Nebraska Press for Caxton Press Vardis Fisher and Opal Laurel Holmes bring together the stories of all of the remarkable men and women and all of the violent contrasts that made up one of the most enthralling chapters in American history Fisher a respected scholar and versatile creative writer devoted three years to the writing of this book *Preserving Western History* Andrew Gulliford,2005-08-15 The first collection of essays on public history in the American West **The American West** ,1990 *You Don't Need a Passport to Move to New Mexico* Debora L. Carr,2009-05 *You Don t Need a Passport to Move to New Mexico* By Debora L Carr When an east coast Jersey girl moves west to her new home on the range in Albuquerque it does not take long to figure out that they do

things differently in New Mexico She finds she has moved from a state that has perpetually been the butt of comedian s jokes to a state that is generally not even recognized as such by a large portion of the US population A compilation of firmly tongue in cheek vignettes regarding life in New Mexico as viewed through the eyes of an oftentimes bewildered transplanted Easterner the reader is invited on a rollicking ride through a state filled with weird wonders from moss rocks to the mummy truck and populated with a cast of colorful characters such as Tat2 Tammy the Masked Man of Central Avenue and Jesus on a Harley to name but a few Born out of the humorous newsletters Debora wrote and sent to friends and family members back east the book relates tales of crazy drivers odd customs and strange roadway sights amid a landscape straight out of a Roadrunner cartoon All are part of the Land of Enchantment that is known as New Mexico About the Author Debora Carr was born and raised in the central New Jersey area graduating from Rutgers University with a BA in Art Education in 1980 and became a successful professional graphic artist and packaging designer She chose to accompany her parents when they decided to relocate to and retire in Albuquerque New Mexico in 2003 where she continued her chosen profession of graphic artist working as a one person art department for a small print shop She continued to keep in touch with friends and family members back east by means of periodic humorous newsletters which she called her Albu Quirky Journals in which she detailed her perspective on life in New Mexico These collected essays were developed from those early newsletters and are written in a tongue in cheek style emulating those written by two of her favorite authors James Thurber and Mark Twain She has a penchant for collecting stories and photos of all things weird odd and unusual and is delighted to find that her new home state of New Mexico is overflowing with them

[Ranching and the American West: A History in Documents](#) Susan Nance,2021-09-17 The transformation of the American West is one of the key topics in the study of both US history and global environmental history The role of ranching in the West is also central to the growing field of animal history This volume covers the periods between the early Indigenous acquisition of horses in the eighteenth century to the introduction of Hispanic horsemanship techniques and market cattle in the Old West and finally to the work of twentieth and twenty first century ranching families sustaining their ways of life The documents in this volume reveal not simply the human past but also the distinct histories of cattle horses and the land Readers will explore intersecting themes of capitalism and beef environmental change rural labor and gender and racial politics as debated by westerners themselves as well as the meaning and power of the cowboy myth in American life The introduction incorporates recent scholarship and provides a fresh look at this key topic in American history while informative headnotes and rich annotations help orient the reader within the historical sources

[ZANE GREY Ultimate Collection: Historical Novels, Western Classics, Adventure Tales & Baseball Stories \(60+ Titles in One Volume\)](#) Zane Grey,2024-01-09 The ZANE GREY Ultimate Collection presents an unparalleled compilation of over sixty works showcasing the literary prowess of an iconic figure in American literature This anthology encompasses a diverse range of genres including historical novels Western classics adventure tales and even baseball stories

thus reflecting Grey's versatility and rich storytelling craft. His vivid prose and immersive narrative style transport readers to the untamed landscapes of the American West while also drawing them into the intricacies of human experience, morality, and exploration. Each piece is steeped in a deep understanding of the American spirit and the cultural contexts of their times, making this collection a quintessential resource for both casual readers and scholars alike. Zane Grey (1872-1939) was not only a prolific writer but also a passionate outdoorsman whose adventures in American wilderness informed much of his fiction. His experiences as a dentist combined with his fascination for the rugged life of cowboys and the allure of historical narratives deeply shaped his narrative voice. Grey's commitment to authenticity in his storytelling is evident throughout his works, and his life experiences uniquely position him to explore themes of adventure, love, conflict, and reconciliation within the American landscape. I highly recommend the ZANE GREY Ultimate Collection to readers who seek an expansive and profound understanding of early 20th-century American literature. This extensive anthology not only serves as an introduction to Grey's significant contributions but also provides an engaging journey through the complexities of American identity and adventure. In this collection, both long-time fans and new readers will find themselves captivated by the enduring spirit and storytelling genius of Zane Grey.

Gambling Games of the Old West G. R. Williamson, 2021-01-11. Most of the gamblers of the Old West got their start and reputations by working the circuit of the Mississippi River boats, the railhead cattle towns of Kansas, or the boomtowns that popped up around gold or silver mining. The gunfighter Ben Thompson got his start by running the Bull's Head Saloon with partner Phil Coe in Ellsworth, Kansas. Ben's friend Bat Masterson also started his career in the cattle towns of Texas and Kansas. In general, these legendary gamblers were known as legitimate or that they played a fair game without cheating. Truth be told, all of them knew the methods employed by the sharps to clean the pockets of the other players at the table. They had to know these tricks in order to spot a cheater at their table. Did they ever use any of these advantages to increase their odds? Probably so, but the public's perception of these men was that they ran a square game. *Hip Pocket: History of the Old West Series*. This compact book that gives concise accounts of odd or little-known facets of the American West. Historically accurate but told in an easy-to-read format with just a twist of humor. Informative yet entertaining. The *Hip Pocket History* series provides little nuggets without having to wade through a 400-page book of dry academic ostentatiousness.

A Sense of the American West James E. Sherow, 1998-10. An anthology of diverse approaches and issues in the environmental history of the American West.

A Companion to the Literature and Culture of the American West Nicolas S. Witschi, 2011-05-04. *A Companion to the Literature and Culture of the American West* presents a series of essays that explore the historic and contemporary cultural expressions rooted in America's western states. Offers a comprehensive approach to the wide range of cultural expressions originating in the west. Focuses on the intersections, complexities, and challenges found within and between the different historical and cultural groups that define the west's various distinctive regions. Addresses traditionally familiar icons and ideas about the west, such as cowboys, wide open spaces,

and violence and their intersections with urbanization and other regional complexities Features essays written by many of the leading scholars in western American cultural studies
