Look To The Mountains:

The Christian Work and the Evangelist ,1908 **New Reading Skilltext Series** ,1961 *New Theory of Beauty* Guy Sircello,2015-03-08 Ever since the eighteenth century when Kant opened the floodgates of subjectivism in aesthetics common men and philosophers alike have despaired of finding a basis for judgments about beauty This book provides a comprehensive theory that encompasses beauty in art and nature as well as intellectual utilitarian and moral beauty The author argues that the beauty of objects can be reduced to the beauty of properties of those objects which in turn can be understood in terms of properties of qualitative degree The theory developed first with respect to color is then extended to include all sensory and non sensory qualities The author shows how the theory explicates and resolves disagreements about what is beautiful and discusses its relevance to the traditional notions of harmony and sublimity His is an objectivist theory of beauty and it enables him in conclusion to demonstrate why we enjoy perceiving beauty Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Sunday at Home** ,1896 *Elementary Geography* D. EIMI: A Journey Through Soviet Russia E. E. Cummings, 2007-12-17 A reissue of E E Cummings's long unavailable yet pointed and moving story of a journey through Soviet Russia Unavailable for more than fifty years *EIMI* finally returns While sometimes termed a novel it is better described

as a novelistic travelogue the diary of a trip to Russia in the 1930s during the rise of the Stalinist government Despite some contempt for what he witnesses Cummings s narrator has an effective occasionally hilarious way of evoking feelings of accord and understanding As Ezra Pound wrote Cummings s Soviet Union is laid out there pellucidly on the page in all its Slavic unfinishedness in all of its Dostoievskian slobberyness Does any man wish to know about Russia EIMI A stylistic tour de force EIMI is a m lange of styles and tones the prose containing many abbreviations grammatical and syntactical shifts typographical devices compounds and word coinages This is Cummings s invigorating and unique voice at its finest and EIMI is without question one of his most substantial accomplishments Prairie and Rocky Mountain Adventures John C.
