Fostering Comprehension by Reading Books to Kindergarten Children Jana M. Mason, 1988 **Triumph of a Time Lord** Matt Hills, 2010-01-30 Before Saturday March 26th 2005 Doctor Who had been off the air as a regular new TV series for more than fifteen years until a production team led by Russell T Davies reimagined the programme so successfully so triumphantly that it's become an instant Christmas tradition a BAFTA winner an international superbrand and a number one rated show It's even been credited with reinventing family TV This is the first full length book to explore the new Who phenomenon through to the casting of Matt Smith as the new Doctor It explores Doctor Who through contemporary debates in TV Studies about quality TV and how can we define TV series as both cult and mainstream Further the book challenges assumptions in focusing on the importance of breath taking dramatic moments along with narrative structures and in

analysing the significance of Murray Gold's music as well as the series' visual representations. Matt Hills is a lifelong Who fan and he also considers the role of fandom in the show's return. He investigates too the multi-generic identity, the monster-led format and the time-travelling brand of BBC Wales' Doctor Who. In the twenty-first century, TV is changing, but the last of the Time Lords has been more than ready; he's been fantastic.
