Untamed Catharsis Desirea Aesthete,2018-05-10 One of my dreams as always been to become a famous author because people would read my stuff and maybe the world would get better There's an evolution to my poetry too from when I was younger and through my life and relationships my words have changed so much Poetry is like a clay sculpture You write something that sounds decent but then you can add more to it and change things a little and come up with something better and then you put your poem in the kiln and it sticks And that's just like life This book is literally my life and opinions brought forward via intense self reflection lessons in the fundamentals of poetry and the pursuit towards a world that is brave enough to feel deeply again and plenty of frustrated purposeful prose My poetry is explicit I cannot change that because I don't believe poetry should be censored Thus I recommend it not be for the faint of heart or faint of minds
