## **Look Away From Dixie:**

**Notes on My Recent Abduction by A. Lincoln** V. A. Herbert, 2008 This is a fictional account of what Lincoln had to endure after having been kidnapped by John Wilkes Booth and his gang on March 31 1864 The novel is based on the historical truth that John Wilkes Booth had recruited several people to kidnap Lincoln and end the war **The Jolly Miller Songster** Northwestern Miller (Firm), 1905 **Minutes U.C.V.** United Confederate Veterans, 1899 *Poems Children Love* Penrhyn Wingfield Coussens, 1908 **Invisible No More** Robert Greene II, Tyler D. Parry, 2021-12-30 Since its founding in 1801 African Americans have played an integral if too often overlooked role in the history of the University of South Carolina Invisible No More seeks to recover that historical legacy and reveal the many ways that African Americans have shaped the development of the university The essays in this volume span the full sweep of the university's history from the era of slavery to Reconstruction Civil Rights to Black Power and Black Lives Matter This collection represents the most comprehensive examination of the long history and complex relationship between African Americans and the university Like the broader history of South Carolina the history of African Americans at the University of South Carolina is about more than their mere existence at the institution It is about how they molded the university into something greater than the sum of its parts Throughout the university's history Black students faculty and staff have pressured for greater equity and inclusion At various times they did so with the support of white allies other times in the face of massive resistance oftentimes there were both Between 1868 and 1877 the brief but extraordinary period of Reconstruction the University of South Carolina became the only state supported university in the former Confederacy to open its doors to students of all races This first desegregation which offered a glimpse of what was possible was dismantled and followed by nearly a century during which African American students were once again excluded from the campus In 1963 the second desegregation ended that long era of exclusion but was just the beginning of a new period of activism one that continues today Though African Americans have become increasingly visible on campus the goal of equity and inclusion a greater acceptance of African American students and a true appreciation of their experiences and contributions remains incomplete Invisible No More represents another contribution to this long struggle A foreword is provided by Valinda W Littlefield associate professor of history and African American studies at the University of South Carolina Henrie Monteith Treadwell research professor of community health and preventative medicine at Morehouse School of Medicine and one of the three African American students who desegregated the university in 1963 provides an afterword **History of the Twentieth Tennessee Regiment Volunteer Infantry, C.S.A.** William Josiah McMurray, 1904 *Munsey's Magazine*, 1895 *Heroes in Gray* Samuel Wells Sherrill, 1909 **Relief Society Song Book** Relief Society (Church of Jesus Christ of Latter-day Saints). General Board, 1919 **Library of Southern Literature** Edwin Anderson Alderman, Joel Chandler Harris, Charles W. Kent, Charles Alphonso Smith, Lucian Lamar Knight, John Calvin Metcalf, 1910 **American Literature (Student)** James Stobaugh, 2012-12-13 The rich

curriculum's content is infused with critical thinking skills and an easy to use teacher's guide outlines student objectives with each chapter providing the answers to the assignments and weekly exercises The final lesson of the week includes both the exam covering insights on the week's chapter as well as essays developed through the course of that week's study chosen by the educator and student to personalize the coursework for the individual learner **I AM WOMAN, HEAR ME ROAR**

Sidney St. James, 2020-08-18 Our story has its quiet beginning at a convention in Seneca Falls New York in 1848 Susan B Anthony attended and it was here her legacy began This convention launched the suffrage movement This novel is based on actual events in history although it is written as creative fiction There are two parts to this Victorian Romance Women's Rights and State's Rights It gets underway after the convention in the summer of 1860 with four young women known throughout the reading as the four musketeers who are all single and graduate from the Hampton Women's College in Virginia It follows their courtship with handsome men from all walks of life Colonel Richard Dick Jackson Reverend Russell James Keiner Brett Meyer and an Italian opera star Carlos Orsi The lead character in the novel is Dianne Jenkins who is portrayed as man hater but is she really The rights usually enjoyed by women were often taken away when she married As a matter of fact a woman gave up so many civil and property rights upon walking across that threshold that she was said to be entering a state of civil death One such woman who would not stand for this inequality was Dianne Jenkins She loves Reverend Russell Keiner with all her heart but hates him with all her mind Her moving speech as Magna Cum Laude at Hampton's College describes her feeling toward inequality while not pulling any punches Married women were not allowed to make contracts devise their last will and testament or take part in other legal transactions Women once married were not in control of the wages they earned In our story Dianne Jenkins is an outspoken woman She disliked the fact that women were expected once they married to do the maintenance of the family from sewing a pair of socks to doing the laundry to cooking the meals and of course bearing as many children as she could until it killed her Because the laws were written by men a married woman was supposed to remain home and take care of the cooking cleaning and getting pregnant every time she hung her husband's pants on the clothes line As the first of this two volume novel unfolds we find our four women standing beside their fathers while our country splits and they fight for the glory of the Star Spangled Banner in State's Rights Or do they take up arms with the Confederacy At the same time one of our women fights not to be controlled by a man she so dearly loves The problem is that she loves him and desires him with her heart but something from her past keeps her mind from letting him into her heart Some quotes from women during this story The best protection any woman can have is courage Elizabeth Cady Stanton I distrust those people who know so well what God wants them to do because I notice it always coincides with their own desires Susan B Anthony There shall never be another season of silence until women have the same rights men have on this green earth Susan B Anthony I never doubted that equal rights were the right direction Most reforms most problems are complicated But to me there's nothing complicated about ordinary equality Alice Paul
