original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I've had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I'm led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn't include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you

I Am Not a Victim, I'm a Ministry Gift Evangelist Linda J. Waiters, 2006-01-03 This book a testimony of the author's life experiences permitted by God is simply God's predestined release of just one of many tools specifically designed to awaken His Church from its state of apostasy As the author unveils Satan's strategic plan to abort her God ordained destiny to preach the fundamentals of apostasy which not only worked against her but continue to work against the true Church of today are also revealed Evangelist Waiters meticulously contrasts the activation of spiritual gifts such as dreams of Hell in

her childhood versus satanical attacks like molestation racial struggles voodoo betrayals addictions promiscuity and abortion designed to destroy her even before she received Christ and recognized the call on her life God delivered her from the jaws of death several times After receiving Christ and being gloriously baptized in the Holy Ghost she records experiences in church which promoted Satan s plan of destruction more so than God s plan of redemption She shares events which ultimately led her back into cycles of destruction including internet dating Nevertheless her testimony serves as God s heart cry and warning to clergy worldwide against the mishandling of His children seeking Him as their refuge Eventually God s grace brings her to the realization that she is not the vessel of dishonor she resigned herself to be but that she was systematically being trained and qualified to sound an alarm to the Body of Christ Consequently this book exposes the workings of the spirit of Jezebel which operates hand in hand with apostasy Satanic snares and contracts are exposed along with explanations as to why Believers remain bound and ineffective through the discussion of false prophets greed tradition and idolatry The author concludes by extending hope to readers through the discussion of salvation and why we need Jesus Christ to save us
