Asian Digital Libraries. Looking Back 10 Years and Forging New Frontiers Dion Hoe Lian Goh, Tru Hoang Cao, Ingeborg Sølberg, Edie Rasmussen, 2008-01-22 This book constitutes the refereed proceedings of the 10th International Conference on Asian Digital Libraries ICADL 2007 held in Hanoi Vietnam in December 2007 The 41 revised full papers 15 revised short papers and extended abstracts of 10 poster papers presented together with three keynote and three invited papers were carefully reviewed and selected from a total of 154 submissions The papers are organized in topical sections New York Libraries ,1915 **Seeds of Destruction** Gary Miller Proulx, 2015-04-10 Dr Jacob Miller a world renowned radiation oncologist whose cancer patients are dying suspiciously from their cancers after treatment that should have cured them suspects something sinister behind their deaths even murder He also suffers further turmoil when his romantic relationship ends and when flash backs occur to his own painful childhood as an orphan he is brought to the bleak edge Incredibly he battles back to discover that terrorists are behind his patients being sent to early graves and are also plotting to explode a dirty bomb in Boston When Millers girlfriend is kidnapped by the terrorists he recruits his friends and co workers to help him save her and stop the terrorist bombing If he fails his mission he will not only fail his patients but also the lives of countless thousands and his country **Trials of Artemis** Sue London, 2013-05-13 In 1805 three little girls decided to create a boys club because boys have more fun Their childhood was filled with sword fighting horse racing and archery Now in 1815 they are all grown up and expected to join Society Who will marry such independent and deadly misses Trials of Artemis Regency Hot Loving Lord Lucifer An independent bluestocking sneaks into a library to read rare Greek texts and ends up with a husband instead Jacqueline Jack Walters loves archery and Greek military history In her third season she has failed to inspire so much as one marriage proposal and is planning to settle into the quiet life of a spinster Gideon Wolfe Earl of Harrington has been avoiding marriage but a case of mistaken identity in the library has left him saddled with an argumentative and unwilling fianc e What readers are saying I enjoyed seeing the relationship play out between the two main characters especially since the author decided to make them both forthright and honest with each other being able to pick up on emotional cues instead of relying on misdirection and misinterpretation to lengthen the story as is usually the case in this genre Their characters and their relationship develop at an almost perfect pace as the book progresses with bumps along the newlywed road of course If you like a strong female this is the book for you **The Fair Maid of Perth** Walter Scott, 1894-01-01 Mass Media: Forces in Our Society Francis H. Voelker, Ludmila A. Voelker, 1972 *The Whenabouts of Burr: A Science Fiction Novel* Michael Kurland, 2015-12-03 Someone has taken the original document of the U S Constitution and substituted another The substitute is identical just as old and equally authentic except it has been signed by Aaron Burr It contradicts history but it is real and there for everyone to see Such a crime calls for out of this world detective work There must be alternate Americas and one of them must be an American union that Burr helped shape With a few impossible coins

the path is indicated and the search for THE WHENABOUTS OF BURR begins It s a hunt through all the alternate universe Americas that might have been with Alexander Hamilton to point the way and Aaron Burr to block it A classic science fiction novel combining future past and present in a super science history mystery Features a new introduction by Michael Kurland
