Debt-Free U Zac Bissonnette, 2010-08-31 This book can save you more than 100 000 These days most people assume you need to pay a boatload of money for a quality college education As a result students and their parents are willing to go into years of debt and potentially sabotage their entire financial futures just to get a fancy name on their diploma But Zac Bissonnette is walking proof that this assumption is not only false but dangerous a class con game designed to rip you off and doom your student to a post graduation life of near poverty From his unique double perspective he's a personal finance expert at Daily Finance AND a current senior at the University of Massachusetts Zac figured out how to get an outstanding education at a public college without bankrupting his parents or taking on massive loans Armed with his personal knowledge the latest data and smart analysis Zac takes on the sacred cows of the higher education establishment He reveals why a lot of the conventional wisdom about choosing and financing college is not only wrong but hazardous to you and your child's financial future You'll discover for instance that Student loans are NOT a necessary evil Ordinary middle class families can and must find ways to avoid them even without scholarships College rankings are useless designed to sell magazines and generate hype If you trust one of the major guides when picking a college you face a potential financial disaster The elite graduate

programs accept lots of people with non elite bachelors degrees So do America s most selective employers The name on a diploma ultimately won t help your child have a more successful career or earn more money Zac can prove every one of those bold assertions and more No matter what your current financial situation he has a simple message for parents RELAX Your kid will be able to get a champagne education on a beer budget Tackling College Admissions Cheryl Paradis,Faren R. Siminoff,2008-05-13 Every year millions of parents shepherd their teens through the arduous college admissions process They are bombarded with too much information and with destructive and pervasive college admissions myths Tackling College Admissions Sanity Strategy Success by Cheryl Paradis and Faren R Siminoff provides just what the college admissions doctor needs sanity perspective and common sense The racecourse to college admissions is littered with obstacles some anticipated some unexpected However with knowledge and a little humor virtually all teens can cross the finish line into that good fit college Paradis and Siminoff offer a simple two part approach to college admissions Part I shows parents how to become effective coaches through employing self and teen assessment and discarding the college myths Part II takes parents through the ins and outs of the college admissions process alerting them to potential hurdles and teaching them effective easy to implement strategies to overcome these **In! College Admissions and Beyond: The Experts' Proven Strategy for Success** Lillian Luterman,Jennifer Bloom,2011-07-05 An award winning step by step guide to college admissions that helps students through every aspect of the application process and gives them a proven approach to make their application stand out from the rest Two expert college admissions consultants a mother daughter team share their step by step proven strategy for creating an application that stands out and gets you IN College admissions has never been more stressful Not only is admission ruthlessly competitive with more and more qualified students applying each year but the application process has become more confusing than ever before Most parents and students feel anxious overwhelmed and confused by the choices and trade offs In is based on the authors 20 years of experience working privately on boarding college and graduate school admissions with students from all over the world While there is no shortage of college admissions guidebooks on the market In offers students and their parents a crucial element that none of the others do a clear step by step strategy that helps students not only compete academically with other qualified applicants but also develop a defining interest in incremental attainable steps that distinguishes them from their peers and gives them an edge with college admissions officers This strategy is summed up in a four word phrase be alike but spike This means that the applicant must perform on par with other students applying to similar colleges while also working to stand out from the pack like a spike on a graph in one area Ironically it s often the well rounded student an ideal many applicants strive for who gets rejected In shows students how to create that distinction by identifying and layering their passion showcasing their interest in many different ways and circumstances Enlivened with instructive case studies as well as entertaining New Yorker cartoons this book carefully guides students through the application process showing them how to rise to the top of an

applicant pool of thousands And unlike most books about getting in In s lessons do not end at college acceptance Rather than viewing college admissions as a hurdle to be quickly and painlessly cleared mother daughter team Luterman and Bloom present it as an opportunity for students to mature expand their horizons and discover what makes them tick Not only does this book get you in it gives teenagers the tools and confidence they ll need for future success Be Alike How to optimize your GPA standardized tests extracurricular activities and more Spike How to develop a unique area of distinction that makes you stand out from your peers How to create a winning college application including personal essays activity chart letters of recommendation and more How to choose the right college for YOU and how to prepare to attend and afford your top choice school
