Looking Back On Tomorrow:

Looking Back to Now Robert Palomares,2016-12-19 This is a story of two young friends who fought together in Vietnam One was wounded and the other helped save his life but in the process administered a dose of morphine which led to addiction and a downward spiral leading to the death of one due to overdose The protagonist Michael Duarte suffers from PTSD but doesn't know it All he knows is that he suffers from nightmares and headaches and guilt over the loss of his friend He can't maintain a relationship with anyone for very long leading to a string of relationships In a series of flashbacks Duarte looks back at his life *Without Looking Back* Tabitha Suzuma,2009-05-07 Twelve year old Parisian boy Louis Whittaker has a lot on his plate his parents are locked in a custody battle over him and his brother and sister Mum's always working late and Dad's rarely allowed to visit them Louis finds release in his dance classes and discovers he has a real talent for ballet But suddenly Dad whisks them away on a surprise holiday to England right in the middle of the school term Something isn't right Dad is acting strangely again could it be he has not fully recovered from his mental breakdown The rented farmhouse in the Lake District is nice but why is Dad furnishing it and why won't he let them call home Then Louis comes across a poster a missing person's poster And it has his face on it Looking Back on Tomorrow Mitch Engel,2024-04-18 In the months leading up to World War I a young Austrian officer from an aristocratic family falls deeply in love with a beautiful young woman from Serbia It is a match fraught with political peril due to mounting hostilities between the two countries Can their love survive the indignities of two world wars prison camps family tragedies and the separation of an iron curtain The answer is yes but not in the manner one might think Relive the sagas of two families separated by an ocean whose roots trace back to that star crossed love affair and relive a century of history from two highly unusual perspectives **All Tomorrow's Parties** William Gibson,2000-08-01 The ferociously talented Gibson delivers his signature mélange of technopop splendor and post industrial squalor Time in this New York Times bestseller that features his hero from Idoru Colin Laney sensitive to patterns of information like no one else on earth currently resides in a cardboard box in Tokyo His body shakes with fever dreams but his mind roams free as always and he knows something is about to happen Not in Tokyo he will not see this thing himself Something is about to happen in San Francisco The mists make it easy to hide if hiding is what you want and even at the best of times reality there seems to shift A gray man moves elegantly through the mists leaving bodies in his wake so that a tide of absences alerts Laney to his presence A boy named Silencio does not speak but flies through webs of cyber information in search of the one object that has seized his imagination And Rei Toi the Japanese Idoru continues her study of all things human She herself is not human not quite but she's working on it And in the mists of San Francisco at this rare moment in history who is to say what is or is not impossible *Toss* James Roberts Jr,2011-01-27 You would think waking up from a coma would be the best thing to ever happen to someone A love triangle changed John forever It left him with no trust in humanity A new sense of bitterness hate confusion scars and stitches This is all dramatic but even worse is after his hospital

stay is the fact that deep down he's not scared and unable to sleep which leads him to slowly lose his mind. He hears voices and begins to see things from sleep deprivation. The newly turned twisted loner soon finds that the only way he's able to sleep at all is from pills, drinking any extreme high or from the aftermath of an adrenaline rush. Finding this high soon takes over his life. His new path turns him into a person he never thought he would be. He's finally alive and acting out, trying everything that he never thought he never would have the nerve to try before, which includes being a sexual deviant, drugs, and even murder.

The Secrets of Blood and Bone Rebecca Alexander, 2015-09-01. In the stunning follow-up to *The Secrets of Life and Death*, Rebecca Alexander has created a gripping supernatural thriller that bridges time, legend, and the power of blood.

Following her showdown with Elizabeth Bathory, Jackdaw Hammond is running from her past, hiding from her future, and hoping to contain her newfound thirst for blood. Buying an overgrown home in the middle of nowhere seems like the perfect place to escape, at least until she finds herself in the sights of a murderous family with a terrible secret and a penchant for dark magic. Meanwhile, her old ally Felix Guichard has gone to New Orleans to conduct his own investigation into the nature of blood magic but is soon sucked into the intrigues of the city's occult underworld. But Jack will need Felix more than she knows for the battle for her soul is set to begin. Her only salvation may lie with the secrets of 16th-century master occultist Edward Kelley and a dangerous mission he undertook in Venice to confront the Inquisition, the darkest deeds of his own past, and the fearsome power of Elizabeth Bathory.

A Thug is Just a Man Demetrice McCray, 2019-04-16. This book is written for the young and hopeless, for the misguided, misled, misunderstanding, and misunderstood. It's a book of growth to promote growing. A book to reveal that someone understands, can relate, and cares. This book is written out of love and by faith. It's inspired by life and the discovery of the power of choice to shape that life. It's about choosing to know love and be yourself. Being a thug or a man is about accepting your humanity, mortality, and individuality and respecting your own mind enough to trust that you are perfect. Acknowledging, accepting, and respecting that you are always a work in progress serves as a revelation into so much more. It ain't gotta be the way it is, but it is what it is until you choose to do and be different. This book is written with the hope to give both thuggin and manhood a broader perspective. The hope that we will discontinue the traditional trade of innocence for ignorance. The aim of this book is to break one cycle and begin another, more constructive one.
