

An aerial photograph of a beach at sunset. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. The sky is a mix of orange, yellow, and blue. The overall mood is serene and inspiring.

Always look beyond
what you can see.

Nothing Personal: Seeing Beyond the Illusion of a Separate Self Nirmala, 2010-01-16 Advaita and nondual teachings are about finding the Truth This Truth is not a dogma that you study it is the Truth about life the Truth about who you really are This Truth is discovered not learned It is discovered through sincerely inquiring Who am I What you discover is that who you are has nothing to do with self images or roles and everything to do with what you experience when you ask this question What you discover is that who you think of yourself as is just that a thought And beyond that thought is a great Mystery an experience of nothingness which is your true nature Nothing Personal leads you to the experience of your true nature and helps you explore its depth Through exposition questions and dialogues it brings you to a place of realization of the Truth you are that spacious Awareness in which everything appears including your thoughts and feelings Your thoughts and feelings do not define you but merely appear within Consciousness along with everything else This Consciousness is who you are Nothing Personal offers a gentle and persistent guide to seeing the underlying truth of your ultimate nature In this concisely edited collection of satsang talks and dialogues you are invited to honor the limitless love that is your true nature and to enjoy the sweet richness that is revealed when you give this Truth your undivided attention From the introduction Unlike most books this one is not meant to add to your knowledge or understanding It is about the Truth that cannot be spoken or written

Although the Truth cannot be contained in this or any other book each word written here is intended to point you toward that Truth Many of the words and ideas may seem paradoxical or contradictory because what they point to is larger than our conceptual frameworks Many questions are asked which are not answered anywhere in the book Find out what the experience is like to ask yourself these questions even if they leave you emptier of knowledge and understanding In this emptying you just may discover what you are looking for The Truth is revealed when we allow ourselves to not know so I invite you to set aside all that you know for the time being and allow yourself to look with innocent eyes at what the words are attempting to unveil Take the time to experience the unspoken truth in each section before moving on to the next Resist the temptation to read these words with your mind which is likely to rush right past the Truth Allow the words to sink into your heart and reveal the truth of who you are *God Is Plural* Paul Veliyathil,2010-01-28 If the God who spoke to Moses on Mount Sinai 3000 years ago does not speak to Mr Mosley in Miami Beach in 2009 we have a theological problem This book is the result of a deep conviction that to be effective in the 21st century a preacher must focus one eye on the Bible and the other on the mass media This collection of 52 sermons invites the reader to awaken to a new level of consciousness about his innate identity as a spiritual being and to affirm the divinity in others The author beautifully blends his personal stories with the stories of God and challenges you to look beyond what you see to experience God with your sixth sense treat every place as holy ground and to love your neighbor as an extension of your own self Thought provoking and non traditional these sermons are relevant beyond the walls of churches and chapels *Seeing Beyond Sight* Tony Deifell,2007-02-22 Seeing Beyond Sight illuminates the surprising power and creative potential of photography in an astonishing collection of images created by visually impaired teens P 4 of cover **Capture the Experience Through Poetry** Juliet Wilson,2010-02 Capture the Experience Through Poetry Today will certainly reassure warm console enlighten and uplift the heart of those who read them The poems in Capture Today not only reveal the writer s passion as a caring person but possess as well the potential to bring caring others together They are replete with possibilities Margaret R Poole MSN ARNP Relevant reflective resounding insightful inspirational timely and timeless are but few of the words that can be used to describe these poems I say this is not only a must read it is also a resource tool for each of us as we journey through this life and prepare for the next one Keep writing Juliet God s hands are upon you Bishop Dr John M R Gordon What a wonderfully witty collection of poems As a physician I personally enjoyed Juliet s whimsical multi faceted views of life within the hospital walls It is truly a special talent to review and revamp our daily experiences into such comedic storytelling I look forward to hearing her funny take on future events with much anticipation Kitonga Kiminyo M D Capture The Experience Through Poetry was an idea birthed into my spirit by God s Holy Spirit I work in a hospital in Boynton Beach Florida where I care for people from all different backgrounds with myriads of illnesses On November 4th 2008 I wrote a poem about Election Day and over the months that followed I started to write for coworkers and patients alike I decided to put these poems together in a book and divide them

into different sections that would speak to various life experiences Whether you are living and enjoying your life or going through a trying time and dealing with death and dying this book can walk you through the experience with a poem that speaks to your situation You will end up singing praying sharing your life experience with others and adding a bit of humor and encouragement to your life There are poems in the book that can help you with different situations If you are dealing with the loss of a loved one If you are a patient or a hospital worker If you want to add some humor to your stressful day If you are happy sad or just struggling in life If you have failed or want a deeper relationship with your God If you are discouraged and need to find hope and encouragement You can capture your various experiences in this one poetry book Capture The Experience Through Poetry today There is a poem inside waiting just for you *Good Poetry That Makes Sense* Stephen F.
