*The Open Heaven* Christopher Rowland, 2002-08-01. *The Open Heaven* offers a comprehensive discussion of Jewish apocalyptic literature and themes in the Second Temple period and in early Christianity. In it, there is a sustained challenge to the widespread view that apocalypticism is a form of eschatology and it has been widely recognised as a significant contribution to the discussion of apocalypticism in religion since it was first published twenty years ago. By concentrating on the revelatory character of apocalyptic texts rather than their diverse contents, the author suggests that it is this aspect of the literature which best enables us to understand their distinctive religion. The book offers a sustained argument for the view that apocalyptic literature is primarily about the disclosure of heavenly wisdom which offers recipients an understanding of life in the present. He also suggests that there may be some evidence to support the view that apocalypses include reports of visionary experience. The approach to apocalypticism in early Christianity stresses the importance of the visionary element as a decisive element in the history of Christian origins. *The Complete Works of Zacharias Tanee Fomum on Prayer (Volume One)* Zacharias Tanee Fomum, 2016-06-10. *The Complete Works of Zacharias Tanee Fomum on Prayer Volume 1* contains the following books: 1.
