Lord Trenchards Choice Historical Romance:

Lord Trenchard's Choice Sylvia Andrew, 2012-03-15 The Rake's Proposal No society beauty had been able to tempt Lord Ivo Trenchard to give up the single life None that was until he met an enchanting innocent in boy's clothes who challenged him to teach her how to kiss He watched in amazement as the wild tomboy transformed into a stunningly elegant lady who took all of London by storm His offer of marriage took them both by surprise Was he merely protecting Joscelyn Morley from a threatening scandal or was she his true choice his only love

Historical Romance Fiction Lisa Fletcher, 2016-04-22 The first book length study of romance novels to focus on issues of sexuality rather than gender Historical Romance Fiction moves the ongoing debate about the value and appeal of heterosexual romance onto new ground testing the claims of cutting edge critical theorists on everything from popular classics by Georgette Heyer to recent bodice rippers to historical fiction by John Fowles and A S Byatt Beginning with her nomination of I love you as the romance novel's defining speech act Lisa Fletcher engages closely with speech act theory and recent studies of performativity The range of texts serves to illustrate Fletcher's definition of historical romance as a fictional mode dependent on the force and familiarity of the speech act I love you and permits Fletcher to provide a detailed account of the genre's history and development in both its popular and literary manifestations Written from a feminist and anti homophobic perspective Fletcher's subtle arguments about the romantic speech act serve to demonstrate the genre's dependence on repetition Romance can only quote and the shaky ground on which the romance's heterosexual premise rests Her exploration of the subgenre of cross dressing novels is especially revealing in this regard With its deft mix of theoretical arguments and suggestive close readings Fletcher's book will appeal to specialists in genre speech act and performativity theory and gender studies
