Introduction to Coming of Messiah Vol 1 2 While reading the book The Crowned Christ by Frederick W Grant he made mention of these volumes of Coming of Messiah So I went in search for them and found them in scanned PDF format using OCR software Poor copies This book was originally published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the original work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent typographical errors strange characters and confusing formatting and does not adequately preserve the historical character of the original artifact We believe this work is culturally important in its original archival form While we strive to adequately clean and digitally enhance the original work there are occasionally instances where imperfections such as blurred or missing pages errant marks may have been introduced due to either the quality of the original work or the scanning process itself Despite these occasional imperfections we have brought it back into a digital epub format as part of our ongoing global book preservation commitment providing customers with access to the best possible historical books in epub format We appreciate your understanding of these occasional imperfections and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher With this republishing of the Coming of Massiah everyone can have this wonderful work in their digital library at this low cost I have spent many hours on this work and have recovered most of the original work This work is well worth reading [A Discourse of Christ's Coming](#) Theophilus Gale,1673 *The End of the World; Or the Second Coming of Our Lord and Saviour* Giovanni Battista PAGANI (D.D.),1855 **Is the Lord coming? If so, are ye ready? A tract for the times** ,1860 **Jesus Is Coming Soon** Jimmie L. Chapman,2011-11-28 This book is not just another attempt to sensationalize the Second Coming of Christ or to grab headlines in the newspaper Instead it is a well thought out biblical analysis of the subject of Jesus return to the earth Author Dr Jimmie L Chapman makes no attempt to set

a date for the coming of Christ but he gives us biblical proof that it must be near Many have made the foolish mistake of setting a date for the Lord s return only to meet with frustration and Jesus himself warned us But of that day and hour knoweth no man no not the angels of heaven but my Father only Matthew 24 36 Jesus has given us numerous signs that will precede his return and we are seeing nearly all of them in this age and we will assuredly see them all soon he said Dr Chapman shows us that the idea of the Second Coming is in the Bible from Genesis to the Revelation It is our responsibility to be ready for it Are you ready

The Jewish Messiah and the Second Coming John P. Schwulst, 2024-12-30 The book carefully shows the Jewishness of the Revelation text and how it is directed to the Jews living in last days Israel Unlike other commentaries on the Revelation John is writing to these last days Jews warning them to be watching and waiting for their Messiah s return to them in the last day
