Losing from the Inside Patricia Lee Sykes, 2017 **Losing from the Inside** Patricia Lee Sykes, 2018-01-16 This book focuses on the consequences of internal conflict for electoral competition and demonstrates why the Social Democratic Party SDP in alliance with the Liberals lost from the inside during two general election campaigns in Great Britain *Losing from the Inside* Patricia Lee Sykes, 1990 **British Elections and Parties Yearbook 1994** David Broughton, 2014-03-05 This volume combines current academic research on British elections parties and public opinion with a detailed reference section including a chronology of the major political events of 1993 opinion polls and by election results for 1993 as well as an up to date digest of party and media addresses and contacts **Liberal Politics in Britain** Arthur I. Cyr, **The Oxford Handbook of Political Leadership** R. A. W. Rhodes, Paul 't Hart, 2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is nigh endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage managed spun DDLas the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities *Labour's Thinkers* Kevin Hickson, Matt Beech, 2007-04-27 Labour s Thinkers seeks to examine the key ideas emphasised by the twelve individuals whom the authors judge to have made the most significant development to the political thought of the Labour Party since the 1930s Hickson and Beech argue the Labour Party is a party of values but often not of ideas The number of people involved in the serious discussion of ideas in the Labour Party is relatively small and intellectuals are often viewed with suspicion in what is or was a party set up to represent the interests of the working classes The formulation and development of ideas are therefore crucial to understanding the outcomes of the Labour Party s internal struggles and the basis of the party s appeal Labour s Thinkers highlights influential and at times controversial figures involved in the battle of socialist ideas in the Labour Party thus

exploring concepts such as equality liberty community power the state ownership and patriotism **Confidence Regained** Helmut Norpoth,1992 The electoral consequences of Margaret Thatcher s economic policies **Shirley Williams** Mark Peel,2013-09-17 For fifty years Shirley Williams has been one of Britain s best known and best loved politicians admired for her warmth sincerity integrity and compassion Hailing from an impeccable intellectual background the young Shirley seemed destined for great things as she rose effortlessly up the political ladder Yet for all the talk of her becoming the country s first female Prime Minister that accolade passed her by her feisty independence earning her a career that has been anything but perpetual sunshine In this first ever biography Mark Peel explores the dilemma that has faced Williams throughout the highs and lows of her political life how to tread the line between firmly held principles and party solidarity Drawing on his unfettered access to the family archive and conversations with Williams s colleagues Peel skilfully teases out the contradictions at the heart of this remarkable character Shirley Williams The Biography reveals the surprisingly vulnerable figure behind the reassuring public fa ade It uncovers the expectations placed on Williams by her highly ambitious parents her guilt about her privileged background and her often tumultuous personal relationships The result is a touching intimate portrait of one of the most complex and popular politicians of our time a woman who through good times and bad has retained her essential humanity **Labours old and new** Stephen Meredith,2013-07-19 This study is concerned with the Old Labour right at a critical juncture of social democratic and Labour politics It attempts to understand the complex transition from so called Old Right to New Right or New Labour and locates at least some of the roots of the latter in the complexity tensions and fragmentation of the former during the lean years of social democracy in the 1970s The analysis addresses both the short and long term implications of the emerging ideological organisational and political complexity and divisions of the parliamentary Labour right and Labour revisionism previously concealed within the loosely adhesive post war framework of Keynesian reformist social democracy It establishes the extent to which New Labour is a legatee of at least some elements of the disparate and discordant Labour right and tensions of social democratic revisionism in the 1970s In so doing it advances our understanding of a key moment in the development of social democracy and the making of the contemporary British Labour Party The Dictionary of Liberal Quotations Duncan Brack,2013-09-11 If you re a liberal or a democrat and especially if you re a Liberal Democrat this masterful and considered collection of thought provoking quotations should belong to you All the great Liberals are packed into this slick reference guide from Gladstone to Ashdown Kennedy John F to Kennedy Charles Whether you re looking for John Stuart Mill or John Maynard Keynes you ll be able to find every good quote there is on Liberals and Liberalism Writers thinkers journalists philosophers and even the politicians themselves contribute with nearly 2 000 utterances musings provocations jibes and diatribes featured in The Dictionary of Liberal Quotations making this guide a musthave for anyone interested in Liberals and Liberal thought **Party People** Allan Sikk,Philipp Köker,2023 This book presents a candidate based approach to party evolution conceptualizing candidates as
