Losing The Light:

NPNF1-08. St. Augustine: Exposition on the Book of Psalms , **The Expositions On The Psalms** St. Augustine of Hippo, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God s people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose And though we must look to his Confessions for the full view of all his cravings after real good and their ultimate satisfaction yet throughout his works we have the benefit of the earnestness with which he sought to feed on the sincere milk of the word

Paris, I Love You but You're Bringing Me Down Rosecrans Baldwin, 2012-04-24 A fresh exhilarating take on one of the world's most popular topics Paris the City of Light by an acclaimed novelist Rosecrans Baldwin A self-described Francophile since the age of nine Rosecrans Baldwin had always dreamed of living in France So when an offer presented itself to work at a Parisian ad agency he couldn't turn it down even though he had no experience in advertising and even though he hardly spoke French But the Paris that Rosecrans and his wife Rachel arrived in wasn't the romantic city he remembered and over the next eighteen months his dogged American optimism was put to the test at work where he wrote booklets on breastfeeding at home in the hub of a massive construction project and at every confusing dinner party in between A hilarious and refreshingly honest look at one of our most beloved cities Paris I Love You but You're Bringing Me Down is the story of a young man whose preconceptions are usurped by the oddities of a vigorous nervy metropolis which is just what he needs to fall in love with Paris a second time **The Christian Science Journal**, 1892
