Jack Jackson

Lost Cause John Wesley Hardin The Taylor Sutton Feud Reconstruction Texas:

Lost Cause Jack Jackson,1998 **The Sutton-Taylor Feud** Chuck Parsons,2009 History Rangers Quarrels Trials

The Feud That Wasn't James M. Smallwood,2008 Marauding outlaws or violent rebels still bent on fighting the Civil War For decades the so called Taylor Sutton feud has been seen as a bloody vendetta between two opposing gangs of Texas gunfighters However historian James M Smallwood here shows that what seemed to be random lawlessness can be interpreted as a pattern of rebellion by a loose confederation of desperadoes who found common cause in their hatred of the Reconstruction government in Texas Between the 1850s and 1880 almost 200 men rode at one time or another with Creed Taylor and his family through a forty five county area of Texas stealing and killing almost at will despite heated and often violent opposition from pro Union law enforcement officials often led by William Sutton From 1871 until his eventual arrest notorious outlaw John Wesley Hardin served as enforcer for the Taylors In 1874 in the streets of Comanche Texas on his twenty first birthday Hardin and two other members of the Taylor ring gunned down Brown County Deputy Charlie Webb This cold blooded killing one among many marked the beginning of the end for the Taylor ring and Hardin eventually went to the penitentiary as a result The Feud That Wasn't reinforces the interpretation that Reconstruction was actually just a continuation of the Civil War in another guise a thesis Smallwood has advanced in other books and articles He chronicles in vivid detail the cattle rustling horse thieving killing sprees and attacks on law officials perpetrated by the loosely knit Taylor ring drawing a composite picture of a group of anti Reconstruction hoodlums who at various times banded together for criminal purposes Western historians and those interested in gunfighters and lawmen will heartily enjoy this colorful and meticulously researched narrative A Lawless Breed Chuck Parsons,Norman Wayne Brown,2013 John Wesley Hardin spread terror in much of Texas in the years following the Civil War as the most wanted fugitive Hardin left an autobiography in which he detailed many of the troubles of his life In A Lawless Breed Parsons and Brown have meticulously examined his claims against available records to determine how much of his life story is true and how much was only a half truth or a complete lie **Bandits, Misfits, and Superheroes** Josef Benson,Doug Singsen,2022-03-08 Shortlisted Finalist for the 2023 Eisner Award for Best Academic Scholarly Work American comics from the start have reflected the white supremacist culture out of which they arose Superheroes and comic books in general are products of whiteness and both signal and hide its presence Even when comics creators and publishers sought to advance an antiracist agenda their attempts were often undermined by a lack of awareness of their own whiteness and the ideological baggage that goes along with it Even the most celebrated figures of the industry such as Jerry Siegel and Joe Shuster Jack Jackson William Gaines Stan Lee Robert Crumb Will Eisner and Frank Miller have not been able to distance themselves from the problematic racism embedded in their narratives despite their intentions or explanations Bandits Misfits and Superheroes Whiteness and Its Borderlands in American Comics and Graphic Novels provides a sober assessment of these creators and their role in perpetuating racism

throughout the history of comics Josef Benson and Doug Singsen identify how whiteness has been defined transformed and occasionally undermined over the course of eighty years in comics and in many genres including westerns horror crime funny animal underground comix autobiography literary fiction and historical fiction This exciting and groundbreaking book assesses industry giants highlights some of the most important episodes in American comic book history and demonstrates how they relate to one another and form a larger pattern in unexpected and surprising ways **Geek Confidential** Rick

Klaw,2003 A collection of RickKlaw s finest columns reviews and other observations With two all new essays a comic adaptation of a Joe R Landsale story and an introduction by science fiction grandmaster Michael Moorcock this book promises to become a must have for science fiction fans booksellers and anyone with an interest in pop culture Jack Jackson's American History Jack Jackson,2013-01-18 Los Tejanos is the story of the Texas Mexican conflict between 1835 and 1875 as seen through the eyes of tejano literally Texan of Mexican as distinct from anglo heritage Juan Segu n It is through Segu n a pivotal and tragic figure that Jackson humanizes Texas fight for independence and provides a human scale for this vast and complex story Lost Cause documents the violent reaction to Reconstruction by Texans As Jackson wrote Texas reaped a bitter harvest from the War Between the States Part of this dark legacy was the great unrest that plagued the beaten but unbowed populace The tensions caused by Reconstruction are told through the Taylor Sutton feud which raged across South Texas embracing two generations and causing untold grief and the gunslinger John Wesley Hardin who swept across Texas killing Carpetbaggers Federal soldiers and Indians **The Strange Career of William Ellis** Karl

Jacoby,2016-05-09 Winner of the Ray Allen Billington Prize and the Phillis Wheatley Book Award An American Odyssey the larger than life story of a man who travels far in the wake of war and gets by on his adaptability and gift for gab Wall Street Journal A black child born on the US Mexico border in the twilight of slavery William Ellis inhabited a world divided along ambiguous racial lines Adopting the name Guillermo Eliseo he passed as Mexican transcending racial lines to become fabulously wealthy as a Wall Street banker diplomat and owner of scores of mines and haciendas south of the border In The Strange Career of William Ellis prize winning historian Karl Jacoby weaves an astonishing tale of cunning and scandal offering fresh insights on the history of the Reconstruction era the US Mexico border and the abiding riddle of race in America War Stories: A Graphic History Mike Conroy,2009-07-21 Collects top selected war comics of the twentieth and twenty first centuries in an anthology that is complemented by interviews with leading genre artists writers and designers

American Book Publishing Record Cumulative 1998 R R Bowker Publishing,1999-03 **The History of Texas** ,2014-01-28 The History of Texas is fully revised and updated in this fifth edition to reflect the latest scholarship in its coverage of Texas history from the pre Columbian era to the present Fully revised to reflect the most recent scholarly findings Offers extensive coverage of twentieth century Texas history Includes an overview of Texas history up to the Election of 2012 Provides online resources for students and instructors including a test bank maps presentation slides and
