By exploring their unique paths to spiritual mastery you will find invaluable keys for your own life s journey **Eight Keys to Progressive Spiritual Development** Darius M. John, 2013-08 Wherever there is life there is increase and growth In God s kingdom there is a constant interchange of receiving and returning Thus the capacity for receiving is increased As one communicates the heavenly gifts to others he makes room for fresh supplies to flow into his soul from the living fountain Greater light increased knowledge and blessing are multiplied to him Whoever is satisfied in receiving and never giving loses his capacity to receive This is true in temporal as in spiritual things There can be no life without growth A plant must either grow or die As its growth is silent and imperceptible but continuous so is the growth of character The plant grows by receiving that which God has provided to sustain its life Spiritual growth is attained through cooperation with divine agencies As the plant takes root in the soil so we are to take root in Christ As the plant receives the sunshine the dew and the rain so are we to receive the Holy Spirit The object of the husbandman in sowing and planting is the production of grain bread for the hungry and seed for future harvests So the divine husbandman looks for a harvest He is seeking to reproduce himself in the hearts and lives of his followers that through them he may be reproduced in other hearts and lives Eight Keys takes you step by step through the process of spiritual growth and development Collected works.
