At stake is the large and very valuable Bradford ranch adjoining their reservation. It had been left to the tribe by the owner William Bradford in a 1905 will that disappeared in 1909 when he was found dead under mysterious circumstances. The will reappears briefly in 1990s after it was found by Leela Thayer, a local artist, only to be stolen by a tribal member in an attempt to extort money from one of the Bradford heirs. The thief ends up murdered and Emil teams up with Leela Thayer to recover the will. The Bradford heir turns out to have connections with a major crime family in Los Angeles and calls for help with devastating results. Smith, 2017-12-15 Joseph Smith's father Joseph Smith Sr. first occupied the hereditary office of Presiding Patriarch of the Church of Jesus Christ of Latter-day Saints. Thereafter, it became a focal point for struggle between those appointed and those born to leadership positions. This new edition of *Lost Legacy* updates the award-winning history of the office. Irene M. Bates and E. Gary Smith chronicle the ongoing tensions around the existence of a Presiding Patriarch as a source of conflict between the Smith family and the rest of the leadership. Their narrative continues through the dawning realization that familial authority was incompatible with the LDS's structured leadership and the decision to abolish the office of Patriarch in 1979. This second edition, revised and supplemented by author E. Gary Smith, includes a new chapter on Eldred G. Smith, the General Authority Emeritus who was the final Presiding Patriarch. It also corrects the text and provides a new preface by E. Gary Smith. **Our Lost Legacy** John D. Garr, 2001 We've been robbed. These words of a Methodist bishop in Brazil, an Anglican leader in India, and a Pentecostal overseer in Africa expressed the sentiments of thousands of Christians around the world when they first discovered, through the challenging teaching of Dr. John D. lectures in which Dr Garr urges the church to recover its Hebrew heritage its connection with the Jewish matrix from which it was birthed These pages call Christians back to the Bible to the roots of faith that enrich lives and equip believers to achieve greater maturity through a more complete knowledge of Jesus our Jewish Lord Our Lost Legacy presents these vivid images of Christianity's heritage in the Hebrew faith Biblical Judaism The Root of Christianity Hold to God's Unchanging Hand Christ Our Righteousness Jewish Jesus or Cosmic Christ The Secret to Fulfilling the Law As you read this volume you'll simply be amazed at just how Jewish Christianity really is And you'll be determined to recover your lost legacy in the Hebrew heritage of your faith

Confederate Soldier: Reclaiming a Lost Legacy Pasquale De Marco, 2025-05-08 The American Civil War was one of the most pivotal events in the history of the United States. It pitted brother against brother in a bloody conflict that reshaped the nation. However, the Civil War was not just a conflict between the North and the South. It was also a conflict that involved Native Americans. Native Americans had been living in the United States for thousands of years before the arrival of European settlers. They had their own cultures, languages, and traditions. However, the arrival of European settlers disrupted their way of life. Settlers took their land, forced them to move to reservations, and tried to assimilate them into white society. The Civil War gave Native Americans an opportunity to fight for their rights and their land. Many Native Americans joined the Confederate Army, hoping to gain their independence from the United States. Others joined the Union Army, hoping to help preserve the Union and end slavery. The Civil War had a profound impact on Native Americans. It led to the loss of their land

the destruction of their cultures and the deaths of thousands of their people However it also led to a new awareness of Native American rights and a new determination to fight for their freedom The Native American Confederate Soldier tells the story of the Native Americans who fought for the Confederacy These men were motivated by a variety of factors including a desire to protect their land to preserve their culture and to gain their independence from the United States This The Native American Confederate Soldier Reclaiming a Lost Legacy is based on extensive research including interviews with descendants of Native American Confederate soldiers It provides a new and nuanced understanding of the role of Native Americans in the Civil War The Native American Confederate Soldier is a must read for anyone interested in the history of the Civil War Native American history or American history in general It is a powerful and moving story of courage sacrifice and betrayal If you like this book write a review on google books
