Luke New International Biblical Commentary:

New International Biblical Commentary--Luke Evans Craig A.,1990 Luke Craig A. Evans,W. Ward Gasque,1990 Plenty of important questions vie for attention in contemporary Lucan scholarship In this NIBC volume Craig Evans not only demonstrates a firm grasp of them but makes them perfectly comprehensible to laypeople His clear writing and logical explanations lay open both difficult Lucan passages and scholarly arguments about them This commentary is probably the best popular level one on Lukes gospel The New International Biblical Commentary is an important new series which happily strikes the balance between the detailed technical commentary and the popular level commentary Craig Evans volume on Luke is a model of the series The writer is as aware of the main questions which dominate Lucan scholarship today as he is of its methods and useful findings Max Turner London Bible College *Biblical Greek Exegesis* George H. Guthrie,J. Scott Duvall,1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach **Luke (Teach the Text Commentary Series)** R. The Gospel of Luke Joel B. Green,1997-10-02 This highly original commentary part of the New International Commentary is unique for the way it combines concerns with first century culture in the Roman world with understanding the text of Luke as a wholistic historical narrative *The Atonement in Lukan Theology* John Kimbell,2014-10-02 In the past century of critical scholarship on Luke Acts it has become commonplace to affirm that Luke attaches no direct soteriological value to the death of Jesus More specifically the scholarly consensus affirms that Luke Acts does not present Jesus death as

an atonement for sin Rather Luke's soteriology is understood to center upon Jesus resurrection and exaltation as Lord In this careful thematic study of atonement theology in Luke's double work John Kimbell demonstrates that the value Luke attributes to the death of Christ has been underestimated When all the data is considered the death of Christ is given greater direct soteriological significance in the Lukan writings than scholarship has generally acknowledged Specifically the death of Jesus is portrayed by Luke as an atoning death that brings about the forgiveness of sins This book does not deny the presence of other soteriological emphases Nevertheless it convincingly shows that atonement theology plays a fundamental role in Luke's soteriology such that when this aspect is rejected or minimized Luke's presentation of the cross and salvation is significantly distorted Kimbell carefully interacts with the scholarly secondary literature on this subject ensuring that any serious Christian reader will find this work stimulating and useful Detailed exegesis is paired with careful attention to Luke's overall theological purposes The result is that the reader will come away with a clearer understanding of Luke's writings and a deeper appreciation for the meaning of Christ's death
